CITY MANAGER'S MESSAGE

OCTOBER 2026

A Message from the CITY MANAGER

Dear Residents and Friends of Fort Pierce,

As we welcome the beautiful changes of the fall season, we look forward to the cooler weather, upcoming holidays, and the many opportunities to come together as a community. Just as the seasons bring change, the City of Fort Pierce continues to embrace positive progress and new opportunities for growth.

Our residents remain at the heart of everything we do. Across our departments, we are working together with a shared commitment to improving City services, strengthening our community, and creating a brighter future for Fort Pierce.

I am especially proud of the dedication and steady progress demonstrated by our City employees. Their hard work, collaboration, and commitment to service continue to move our City forward, one positive step at a time.

As we enter this season of reflection and gratitude, thank you for your continued trust and support. We look forward to all that we will accomplish together.

Warm regards,

Richard D. Chess

Richard D. Chess, MBA
City Manager
City of Fort Pierce

NEW BUSINESSES

New Beginnings. New Opportunities. A Growing Community.

WELCOME TO FORT PIERCE!

As we welcome the beauty and excitement of the fall season, the City of Fort Pierce is delighted to extend a warm welcome to the newest businesses joining our community!

What an exciting time to begin a new chapter! With the changing season, upcoming holidays, and renewed opportunities for connection and growth, we are especially pleased that you have chosen Fort Pierce as the place to establish your business.

Our local businesses are an essential part of what makes Fort Pierce a vibrant and thriving community. Each new business brings fresh ideas, valuable services, and opportunities that contribute to our City's continued progress.

On behalf of the City of Fort Pierce, we congratulate you on this exciting milestone. We look forward to watching your businesses flourish and to seeing our residents and visitors embrace, support, and celebrate your success.

Welcome to Fort Pierce, where new beginnings create lasting opportunities!

Priority tasks

September 1–30, 2026 • Construction and upcoming work

PROJECT UPDATES

JC Penney Parking Lot

Final punch list items continue.

Avenue B (13th Street to 8th Street) Reconstruction

The City has identified remaining work items with the contractor; coordination with the contractor to resume.

13th Street Phase II (Georgia Avenue to Orange Avenue)

The consultant continues to work on plan revisions; we will begin coordinating regularly scheduled updates.

Nebraska Avenue Sidewalk (Lawnwood Circle) Phase 1

Construction on the Nebraska Avenue sidewalk is scheduled to begin October 12, 2026.

Priority tasks

September 1–30, 2026 • Street resurfacing and trail connections

2026 Steet Resurfacing Program

The 2026 Street Resurfacing Program will begin October 8, 2026.

- Crossroads Parkway from Okeechobee Road to Andrews Avenue
- 16th Court from Avenue I to Avenue M
- 15th Street from South End to Avenue O
- Avenue L from 14th Street to 13th Street
- Avenue O from 13th Street to US 1
- Boston Avenue from 29th Street to 33rd Street
- Nebraska Avenue from 33rd Street to 31st Street
- 26th Street from Virginia Avenue to Rhode Island
- Quincy Avenue from Sunrise Blvd to the east end

SUN Trail Highwayman Trail Gap (Indian Hills Drive to Georgia Avenue)

The City has received fully executed Agreements for this work. Final coordination for changes to the alignment is being coordinated with FDOT before this project can be advertised for construction.

SUN Trail Historic Downtown Retrofit (Georgia Avenue to North A1A)

The City has received fully executed Agreement for this project. The Specific Authorization for the consultant has been approved, and a Purchase Order has been issued to begin the design services. Due to the limited Right-of-Way available, some changes to the scope of this project is currently in review.

Priority tasks

September 1–30, 2026 • Major infrastructure initiatives

SUN Trail Port Overpass

The City has been selected to serve as the Project Manager for the design and construction of this segment of the SUN Trail. A draft FDOT Agreement has been accepted and executed by the City Commission at the July 6, 2026 meeting. Staff have begun putting together the RFP documentation in coordination with the County, TPO, and FDOT.

Surfside Neighborhood Roadway Improvements Phase II

The roadway improvement project will include drainage improvements in the Surfside Park neighborhood. The streets identified for drainage improvements under this project are Melaleuca Drive, Plover Avenue, Pelican Drive, Walnut Court, Eucalyptus Avenue, Cypress Avenue and Sunset Isle Road. Improvements will include valley gutters constructed on both sides of the roadway, elimination of the remaining roadside swales by regrading, driveway replacement, milling and resurfacing. Additionally, FPUA will upgrade water mains and sanitary sewers on three roadways. Valley gutters were installed, driveway aprons restored and the first lift of asphalt completed on Melaleuca Drive, Pelican Drive, Sunset Isles Road and a portion of Plover Avenue (east of Pelican Drive). The remaining portion of Plover (west of Pelican Drive) required new drainage as areas of failures were discovered during sewer lateral replacement. The contractor is currently working on drainage installations along Eucalyptus Drive, final lift of asphalt along Plover Avenue, Pelican Drive and Melaleuca Drive.

Priority tasks

September 1–30, 2026 • Marina seawall reconstruction

Investing in the waterfront

MARINA SEAWALL RECONSTRUCTION

The City of Fort Pierce was announced as a recipient of the 2026-2027 Florida Inland Navigation District (FIND) Assistance Grant. At FIND's Final Tax Hearing, the FIND Board approved $200,000 in financial backing for the design and permitting of the seawall replacement. A continuing service provider for engineering services is preparing a proposal for all work associated with the construction and permitting of this seawall.

$200,000

DEPARTMENT PROJECT UPDATE

AVENUE D

29th Street to US 1

CONSTRUCTION PROGRESS

Construction continues on the sidewalk and driveways on the north side of Avenue D between 25th Street and 29th Street. Resurfacing Avenue D from US 1 to 25th Street is progressing and will be completed around mid-October, weather permitting.

Indian River Drive

Corridor Improvements Project

SEAWAY DRIVE → AVENUE A

PROJECT OVERVIEW

Full roadway and bridge reconstruction of Indian River Drive between Seaway Drive and Avenue A. The corridor improvements include the addition of on-street parking, curb and gutter roadway section complete with sidewalks, decorative streetlights, water/sewer/electric upgrades, bridge reconstruction over Moore's Creek, upgraded stormwater collection system, landscaping, and ADA upgrades complete with brick paver crosswalks.

CURRENT CONSTRUCTION ACTIVITIES

Current construction activities include storm drainage infrastructure, on-street parking pervious paver construction, potable water relocation, curb & gutter installation, sidewalk construction, brick paver crosswalk construction, and irrigation work. Final construction is slated for Spring 2027.

ANTICIPATED FINAL CONSTRUCTION **SPRING 2027**

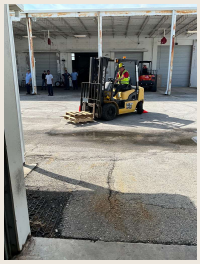

PUBLIC WORKS

Forklift Operator Training & Certification

TRAINING / PROFESSIONAL DEVELOPMENT

Public Works, in collaboration with Human Resources, successfully completed forklift operator training and certification for staff across multiple divisions, including Solid Waste, Streets & Drainage, Parks & Grounds, Facilities Maintenance, and Fleet Maintenance. This initiative provided an excellent opportunity for staff to strengthen their professional qualifications and enhance workplace safety through expanded training and professional development. Approximately 32 staff members participated in the training sessions, gaining valuable knowledge and skills to support safe and efficient operations. This accomplishment demonstrates Public Works' proactive commitment to employee safety, OSHA-aligned training standards, regulatory compliance, and maintaining a highly skilled and properly trained workforce.

GO FIREHAWKS!

The Fort Pierce Firehawks Youth Football & Cheer Program continued its 2026 season throughout September, providing young athletes with opportunities to strengthen their athletic skills while building confidence, teamwork, leadership, and sportsmanship. Throughout the season, our athletes proudly represent the City of Fort Pierce both on and off the field.

September concluded with the start of **Firehawks Homecoming Week**, held September 28–October 3. Cheerleaders participated in themed activities throughout the week, including Crazy Sock Day, Wacky Tacky Day, an Ice Cream Social, and Pajama Day.

Football players and cheerleaders came together for a **Homecoming Pep Rally** at the Recreation Center. The celebration included games, food, team activities, and the crowning of the 2026 Firehawks Homecoming Kings and Queens representing each team. Homecoming Week concluded with Saturday football games and Homecoming recognition.

HOMECOMING WEEK

The Firehawks will play their final regular-season game **on October 17, 2026**, with postseason play beginning shortly thereafter.

Families and community members are encouraged to support our athletes and follow **Fort Pierce FireHawks – Youth Football & Cheer** on Facebook for game schedules, program updates, photos, and highlights throughout the season.

Football schedules and additional league information are available online through **ACYAA**.

MARTIAL ARTS

DISCIPLINE • CONFIDENCE • FOCUS

BUILDING STRONGER YOUNG LEADERS

The Recreation Center Martial Arts Program continued throughout September, providing youth with opportunities to develop discipline, confidence, focus, leadership, and athletic skills through structured training and competitive experiences.

COMING THIS DECEMBER

MARTIAL ARTS COMMUNITY SHOWCASE

TUESDAY, DECEMBER 8, 2026

5:30–7:30 PM

FORT PIERCE RECREATION CENTER

903 S. 21st Street • Fort Pierce, Florida 34950

Leisure Services anticipates hosting a Martial Arts Community Showcase on Tuesday, December 8, 2026, from 5:30–7:30 PM at the Fort Pierce Recreation Center, 903 S. 21st Street, Fort Pierce, Florida 34950.

The showcase will provide participating athletes with an opportunity to demonstrate the skills they have developed through the program while celebrating their accomplishments with family, friends, and the community.

PROFESSIONAL DEVELOPMENT

2026 FLORIDA RECREATION AND PARK ASSOCIATION ANNUAL CONFERENCE

Leisure Services staff and fellow parks and recreation professionals at the FRPA conference.

Kayla Turner with 2027 Conference Committee Chair Jacob Baker

Leisure Services Division Manager Jabari Williams and Recreation Program Coordinator Kayla Turner attended the 2026 Florida Recreation and Park Association (FRPA) Annual Conference, held August 30–September 3, 2026, in Orlando, Florida.

The annual conference brought together parks and recreation professionals from across the state for educational sessions, professional development, networking, and the exchange of ideas and best practices. Participation provided Leisure Services staff with opportunities to gain new perspectives, resources, and strategies that can be applied to programs, operations, and recreational experiences within the Fort Pierce community.

Conference photos include Recreation Program Coordinator Kayla Turner with 2027 Conference Committee Chair Jacob Baker, as well as fellow parks and recreation professionals representing communities throughout Florida.

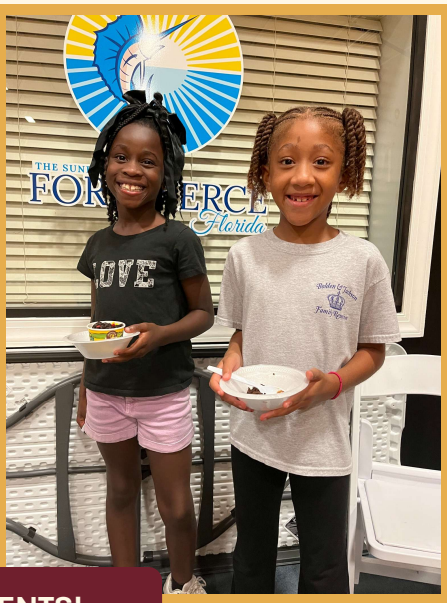

CITY OF FORT PIERCE • LEISURE SERVICES

RECREATION

PLAY • EXPLORE • CONNECT!

The City of Fort Pierce Recreation Center continues to provide safe, engaging, and enriching recreational opportunities for youth and families. Through athletics, enrichment programs, and community activities, Leisure Services remains committed to promoting wellness, personal development, teamwork, and positive experiences for Fort Pierce residents.

SWEET COMMUNITY MOMENTS!

ONLINE RECREATION REGISTRATION

Residents can conveniently explore and register for Recreation Center programs through the City's Tyler Parks & Recreation Online Portal. The portal allows families to view available programs, register for classes and activities, manage participant information, and make secure online payments.

Residents can visit the City of Fort Pierce Recreation webpage to access online registration and learn more about current and upcoming programs.

STAY CONNECTED

Residents are encouraged to stay connected with City of Fort Pierce Leisure Services and explore upcoming recreation programs, athletics, camps, and community activities.

For additional information, contact the Fort Pierce Recreation Center at 772-774-3792 or visit www.cityoffortpierce.com/recreation.

FORT PIERCE
POLICE DEPARTMENT

Every month, the men and women of the Fort Pierce Police Department work around the clock to keep our community safe, respond to calls for service, address traffic concerns, and proactively prevent crime throughout the city.

These numbers provide a snapshot of the work happening across Fort Pierce every day.

Behind every number is a dedicated member of our team working to serve our community. We're proud of the continued commitment of our officers, professional staff, and community partners who work together to keep Fort Pierce safe.

Serving Fort Pierce. Every day.

Holy Family 25th Anniversary Memorial Ceremony

HONOR GUARD • POLICE EXPLORERS • COMMUNITY REMEMBRANCE

HONORING SERVICE, SACRIFICE & UNITY

The Fort Pierce Police Department attended a 25th Anniversary September 11th Memorial ceremony, hosted by Holy Family Catholic Church of Port St. Lucie.

The ceremony started with Colors presented by a joint agency Honor Guard team, made up by the Fort Pierce Police Department, Port St. Lucie Police Department, St. Lucie County Sheriff's Office and the St. Lucie County Fire District.

A joint agency Police Explorer team was also present as door greeters for the attending guests and church members.

Thank you, Holy Family Catholic Church, for including us in your ceremony.

FORT PIERCE POLICE DEPARTMENT

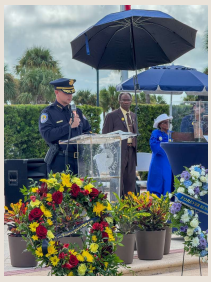

9/11 Memorial Service

AT RIVER WALK

25 YEARS LATER, WE REMEMBER.

Twenty-five years ago today, at approximately 8:46 a.m., American Airlines Flight 11 struck the North Tower of the World Trade Center, forever changing our nation. In the hours that followed, thousands of first responders ran toward danger to help others. Many never returned home.

Today, the Fort Pierce Police Department honored and remembered the police officers, firefighters, EMTs, and other first responders and citizens who made the ultimate sacrifice on September 11, 2001, as well as those who later lost their lives from the lasting effects of their service.

We remember the husbands, wives, fathers, mothers, sons, daughters, brothers, sisters, friends, coworkers and neighbors whose lives were forever changed.

We also remember and stand with the families and loved ones who continue to carry their loss.

Today, wherever you are, please take a moment to remember the lives lost, the heroes who responded, and the enduring strength of those left behind.

A LEGACY OF SERVICE

30 YEARS

OF DEDICATED SERVICE

Thank you for your leadership, mentorship, and commitment to Fort Pierce.

DEPUTY CHIEF BOB RIDLE

After 30 years of dedicated service to the Fort Pierce Police Department, we congratulate Deputy Chief Bob Ridle on his retirement.

DC Ridle's career with FPPD spans three decades of change, growth and countless moments that shaped both our department and the Fort Pierce community. Throughout those years, he continued to serve, lead, mentor, and invest in the people around him.

Most recently, Deputy Chief Ridle stepped into the role of Interim Chief of Police, guiding the department through a significant period of transition. He accepted that responsibility with the same dedication he demonstrated throughout his career, putting the department and the community first.

Thank you for giving your life to this department. You leave a legacy of service, leadership, and memories that will remain a part of FPPD long after today.

Congratulations on your retirement, Deputy Chief Ridle! We wish you and your family all the best.

FORT PIERCE POLICE DEPARTMENT

A NEW CHAPTER OF SERVICE

SWEARING-IN CEREMONY | SEPTEMBER 2026

The Fort Pierce Police Department welcomed 14 new officers during a swearing-in ceremony, a meaningful milestone as each begins a career dedicated to serving the Fort Pierce community.

The oath they took represents far more than a position. It symbolizes the trust, responsibility, integrity, and commitment that comes with wearing the FPPD badge and serving the people of our community.

As each badge was pinned, we officially welcomed these officers to the Fort Pierce Police Department and recognized the beginning of their journey in law enforcement.

WELCOME TO THE FPPD FAMILY

Officer Aleah Bell
Officer Katherine Brennan

Congratulations to

Officer **Kenny Lawrence** and **Officer Vanessa Cruz,**

recognized this week at the St. Lucie County Chamber of Commerce networking breakfast.

Thank you both for your dedication and commitment to serving our community. We appreciate all that you do!

Coffee with a Cop

COMMUNITY CONNECTIONS • PHOTO HIGHLIGHTS

INDIAN HILLS GOLF COURSE

COURSE UPDATE • COMMUNITY CONNECTIONS

A COURSE ON THE RISE

Things are definitely looking up at The Hills! With significantly improved playing conditions, a new fertilization and insecticide management program, and fantastic weather, the course is in its best shape in years!

We still have a lot of work to do in order to be back to 100%, but we have made great strides in the past year. The weeds have been significantly reduced, and we have approximately 90% turf grass coverage throughout.

THE SCIENCE OF FALL TURF

We have been having fantastic weather entering the end of October and hopefully we can continue this trend into late November. To grow Bermuda Grass, total temperatures must equal 140 degrees. This is the combined calculation of the daytime highs and the evening lows. For example, if the daytime high is 75* and the evening low is 55*, it may be a beautiful day, but we aren't growing grass! When you combine several days or weeks of this weather and you add in the golf cart traffic, it adds a lot of stress to the Turf Grass. The Fairways and Rough get matted down and become hard. The good news is that the ball will roll farther when you hit your driver. The bad news is that the lies become much tighter and more difficult to get the ball into the air. This is the reason that we look forward to even a few extra weeks of daytime highs in the low to mid 80's. The longer the weather is conducive to growing grass in the Fall, the better we will be in the Spring!

INDIAN HILLS GOLF COURSE

COURSE UPDATE • COMMUNITY CONNECTIONS

GROWING THE GAME, TOGETHER

From a community outreach standpoint, over the past three months we have again been the host site for the Boys & Girl's Fort Pierce Central Golf Teams. During that stretch, we have hosted numerous practices, as well as approximately 15 matches against local schools. We also host practice for the Independence Classical Academy on Monday and Wednesday afternoons, with approximately 12 children per day. Under the First Tee's Umbrella, we have hosted a FREE weekly Veterans clinic for the past three years and finally, beginning on Saturday October 10, we will begin hosting a First Tee Junior Golf Program.

THE ANNUAL TURKEY SHOOTOUT

The Sign-Up Sheet will be available shortly for our annual "Turkey Shootout" held on Thanksgiving morning which is always extremely well attended and a LOT of fun! You may register as a single, two-some or four-some, but make sure you register quickly because it is always SOLD OUT! The cost is $35 per player and includes continental breakfast, range balls, golf fees, prizes and we donate $2 per player to the Treasure Coast Food Bank out of every entry.

We thank all of our members and guests for their support and we ask that you please "Like" and "Follow Us" on Facebook or Instagram to see almost daily updates on the golf course and our ongoing summer maintenance projects.
