Technical Review Committee Meeting

TECHNICAL REVIEW PROJECT: PZANN2026-00002
HEC Selvitz Asphalt - Selvitz Rd (Annexation)

W/WW Engineering: Concept approved.

Water and wastewater (via force main) are available to serve the subject parcel. To connect to water and wastewater services please submit Utility Plan (2 complete sets) along with a completed commercial service application, plan review application and lift station calculations to FPUA’s Water and Wastewater Engineering department, at 1701 S 37th Street Fort Pierce Florida 34947. Please see the Developer’s Responsibilities page attached or on the FPUA website for important steps to guide through the entire process including utility details and applications (link below). For questions please contact Shane Ostrander sostrander@FPUA.com or 772-466-1600 ext 3468.
