

CITY FORT PIERCE

FORT PIERCE REDEVELOPMENT AGENCY TRASH AND RECYCLING
RECEPTABLES – DOWNTOWN, JETTY PARK, AND RIVER WALK

ADDENDUM NO. 1

The purpose of this addendum is to respond to questions submitted by potential bidders for clarification of the bid specifications:

1. **Question:** We are interested in submitting a bid on this bid for Trash and Recycling Receptables however on page 20 it says the products must be manufactured in the US. Ours are not manufactured in the US so I'm wondering if that requirement can be changed so we can submit a bid.

Answer: We prefer to maintain the requirement that the receptacles be manufactured in the United States. U.S. manufactured products generally offer more reliable quality and durability and allow us to access timely warranty service, replacement parts, and customer support. Sourcing domestically also helps minimize shipping delays and supply chain disruptions, which is important for maintaining project schedules.

2. **Question:** I could not find when the purchase order would be sent out and paid by the city? I know the city will front the money for necessary insurance if need be however I'm trying to figure out If i need the capital to purchase all the materials and installation fees beforehand and then the city pay the bill afterwards, or if I send the city a bill and they pay it then I order all the materials and get everything completed?

Answer: The city will not front for any money , including for insurance. The city will pay for the receptables directly, and we expect them to be installed promptly.

3. **Question:** Page 8 clause 24, Patents and Royalties need a clause that protects Bidder from copyright infringement for any wrap designs requested by the City.

Answer: If the City provides any artwork, images, logos, wrap designs, or other graphic materials to be used in the production of any required work, the City shall be soley responsible for ensuring that such materials do not infringe on any copyright, trademark, or other intellectual property rights. The Bidder shall not be held liable for copyright infringement arising from the City's requested designs.

The Bidder's responsibility for copyright compliance applies only to original artwork or designs created directly by the Bidder.

4. **Question:** Page 10 Clause #35, Cooperative Purchasing – is any governmental purchasing authority defined as any FLORIDA governmental purchasing authority? Or can the governmental purchasing authority be from a different state?
- Answer:** **Yes, that agency can be from another state.**
5. **Question:** Page 21 clause #8, Business Tax Receipt. What is this? There is no such license.
- Answer:** **In the state of Florida a Business Tax Receipt, sometimes referred to as an “Occupational License”, a local license issued by a city or county that gives a business the authority to operate within that jurisdiction.**
- Please provide, with your submittal, a copy of the license required to operate as a business in your jurisdiction, renewed annually.**
6. **Question:** Page 22 clause #14 Licensing – What license are they looking for? Sec. of State registration?
- Answer:** **All bidders must be properly licensed by the State of Florida and all other authorities having jurisdiction. Copies of all such licenses and/or permits are to be submitted with bid. Failure to submit copies of such may lead to bid rejection.**
7. **Question:** Could you please confirm that delivery address for the units.
- Answer:** **The delivery will be at the Public Works Compound, 52 Savannah Road, Fort Pierce, FL 34982.**
8. **Question:** Are there any special delivery requirements: Liftgate Needed, Appointment, Specific Delivery Hours, etc.
- Answer:** **Everything would be coordinated with the Public Works Facilities Manager, Rick Stauffer. A delivery date will be needed once we select the bidder, delivery hours should be between 8am to 5pm, liftgate might be needed.**
9. **Question:** Is there appropriate space for 93 pallets once the truck(s) have been offloaded?
- Answer:** **Yes, at the Public Works compound.**

Correction to Item #7 on Page 18

Item #7 contains a typographical error. The corrected language is provided below and should be noted:

Certificate of Use (Pass/Fail)

Effective July 1, 2024, the City adopted Ordinance 24-019 amending Chapter 22. This ordinance removed the requirement for a Business Tax Receipt and replaced it with a mandatory **Certificate of Use**. A Certificate of Use is required for all businesses within the City limits, including those occupying commercial locations, home-based businesses, and non-profit organizations. **If your business or non-profit organization is located within the City of Fort Pierce city limits, you must include a copy of your Certificate of Use with your submittal.**

All other conditions of this bid remain the same.

Please acknowledge receipt of this addendum and include it with your submittal.
