Re: Board of Adjustment Hearing September 25, 2014  
Variance Application - Fort Pierce Petroleum, LLC  
7131 Okeechobee Road, Shell Station

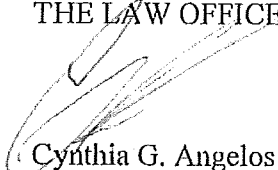

Dear Ms. Grohall:

As you are aware, I represent Ft Pierce Petroleum LLC with regards to the referenced application. Based on our understanding that there will only be four board members in attendance at the meeting scheduled for tonight, we respectfully wish to exercise our procedural right to request that the referenced matter be continued. Because the variance is necessary before there can be any further construction on the site, we respectfully request that, if at all possible, the matter be rescheduled for a special meeting, to avoid having to wait until the end of the month. I know we are all very anxious to get this project completed.

Thank you so much.

Very respectfully,

THE LAW OFFICE OF CYNTHIA G. ANGELOS, P.A.
