

REVISIONS

REVIEWED FOR CODE COMPLIANCE

A permit issued shall be construed to be a license to proceed with the work and not as authority to violate, cancel, alter or set aside any of the provisions of the technical codes, nor shall issuance of a permit prevent the building official from thereafter requiring a correction of errors in plans, construction or violations of this code inadvertently overlooked during plan review as outlined in Chapter 1 Section 105.4 of the Florida Building Code. All proposed work is subject to any corrections required by field inspectors that may be necessary in order to comply with all applicable codes.

These plans and all proposed work are subject to any corrections required by field inspectors that may be necessary in order to comply with all applicable codes.
