Respectfully requesting the Zoning change from R1-4, Residence to a R-3 Multiple Residence. we the Thompson Family give the owner great (kudos) for wanting to improve a dirt field and build a R-3 Multiple Residence. And Beautify an open dirt field. And may we add that we think this project would be a property Boost for the surrounding properties and probably the Granada estates residence that live near the zoned R-3 project. Thank you all at the City of Glendale.

And Please stay safe and healthy.
