

RV Parking, Inoperable Vehicles, Vehicle Storage and Vehicles Under Repair

Presented by Rick St. John, Deputy City Manager

Code Revisions

We are seeking Council consensus on several general City Code revisions and additions related to the parking and storage of all types of vehicles on residential properties.

Code Revisions

Reminder: The general City Code is enforced as written and does not allow for variances, relief, or “grandfathered” rights

RV Parking and Storage

- Permitted when;
 - Owned by the homeowner or renter
 - In a garage or on an improved surface within a side yard or screened rear yard (Rural Residential exempted from the screening requirement)
 - Allow one properly parked in the front of a residence
 - Maintained in good working order
 - Shall not exceed;
 - 40 feet in length
 - 8.5 feet in width
 - 12 feet in height
 - Unless parked in a garage

RV Parking and Storage

- Permitted when;
 - Maintain a minimum of 3 feet of clearance on at least one side yard access
 - Temporary for loading/unloading or basic repair (up to 72 hours)
 - Shall not overhang a sidewalk, street or alleyway
 - Shall not be lived in
 - Shall not be used for the storage of items not considered part of the RV

RV Parking and Storage

- Multiple RV/Trailer

RV Parking and Storage
