

**Certification of Adequate School Facilities
for
Residential Rezoning – Glendale, Arizona
Revised November 2001**

Glendale City Ordinance No. 2104 applies to applications for residential rezoning which will increase the projected number of students for any school district's attendance area. This includes applications for rezoning which change zoning classifications from non-residential to residential and rezonings which change residential zoning classifications to a higher density classification.

To be completed by City Staff
