Dear Nicole & Joe,

We are pleased to announce that the Firehouse Subs Public Safety Foundation Board of Directors has awarded the **City of Glendale, on behalf of Glendale Fire Department in Glendale, AZ** the requested **Paratech Lift Bag Kit, Strut Kit & Accessories** valued at up to **\$21,381.77**. If your grant award must be approved by your city council, please add this item to the agenda immediately, and contact us with the meeting date.

PROCUREMENT:

The procurement process for your grant award will be determined by our Foundation, and we will contact you no later than Friday, December 3, 2021 to initiate the process. Do not make any advanced purchases, as failure to adhere to our chosen method will jeopardize your grant award.

If you have any fulfillment questions, please email Procurementfoundation@firehousesubs.com.

PUBLIC RELATIONS (PR) NOTES

- PR announcements from your organization regarding the grant award are optional. If you choose to share the good news, please use the attached press release template and/or social media post template and send it back to Foundation@firehousesubs.com and FHSPSF@coynepr.com for review and approval (allowing for 72 hours turnaround time). *Please do not pitch or post before receiving approval from the Foundation team.*

Use of the Firehouse Subs Public Safety Foundation logo:

- We ask that your organization acknowledges the grant by displaying our Foundation logo on granted items/equipment whenever possible. Our Foundation logo is attached for your convenience. Please note that the final artwork will need to be approved by our Foundation via Foundation@firehousesubs.com before being displayed.

Did you know?

More than 70% of the funds raised for the Firehouse Subs Public Safety Foundation come from the generosity of Firehouse Subs guests and the restaurant brand? Please consider supporting a Firehouse Subs restaurant near you.

We are very excited to assist your organization and ultimately improve the lifesaving capabilities of your community.

APPLICATION REQUEST INFORMATION

The type of grant you are requesting: Equipment	What is the EXACT cost of the equipment? \$21,381.77	
Variances in the amounts requested will be the responsibility of the grant recipient to pay directly? <input checked="" type="checkbox"/> Yes		
What Equipment are you requesting for your department? Extrication equipment, including: Multi-Base, Qty 2 Contour Base, Qty 4 Hydrافusion Strut 10 Kit, Qty 2	Briefly explain how the equipment will benefit your community and your department. This grant will benefit the community by providing equipment that increases the extrication capabilities for a specific apparatus, SQ159. This new equipment can move and stabilize larger vehicles, such as semi-trucks, and	
Vendor Company Name LN Curtis	Sales Representative Name Gary Norton	Sales Representative Email gnorton@lncurtis.com
What is the amount of funding you are requesting? Field not required for this category of request <input type="checkbox"/>	Please provide a detailed description of how the funding will assist your organization: Field not required for this category of request	
How many scholarships would the requested funding provide? Field not required for this category of request <input type="checkbox"/>	Please describe the selection and distribution process for the requested scholarship funding. Field not required for this category of request	

COMMUNITY IMPACT

Have you unsuccessfully reached out to the city for funds to purchase the equipment? Yes, funds for the purchase of this equipment have been requested. The Special Operations budget cannot support the purchase at this time.	Was there a particular instance where a life would have been positively impacted if you would have had the equipment available? In the fire service, it is a goal to have seriously injured patients enroute to the emergency room within 10 minutes of patient contact. Additionally, fire personnel are taught that seriously injured patients need to get to a trauma hospital and potentially on an operating table within one hour, called "The Golden Hour," from the time of initial dispatch. Doing so greatly increases their chance of survival. Glendale firefighters recently responded to a
What positive effects will the equipment specifically have? Please use statistics when possible. The requested extrication equipment -- which provides for lifting, stabilizing, and moving large objects -- will be used during future incidents where there
