## Vendor Logo

Currently, we have the following logo on file for use on our website in our product/vendor finder:

ARIZONA RECREATION DESIGN, INC.

If you wish to revise or update the logo we have on file, keep the following requirements in mind:

- *What file types are acceptable?* Vector point files are highly recommended (such as .ai or .eps files). If you don't have access to a vector point file, a large hi-resolution (approximately 150-300 dpi) JPEG, TIFF, BITMAP, GIF or PNG file will work. Having a file with a high dpi will help keep images looking sharp if we need to resize the logo.
- *What file size is recommended?* There is no limitation to the logo file size.
