Re: Pending Application for Liquor License, Circle K Store #2709542, 10725 W. Northern Avenue

I currently reside in a condominium unit located next to the parcel of land at 107th Ave and Northern Avenue, and I would like to express my concern about Circle K's Store #2709542 application for a Liquor Store, Type 9 License. The proximity of a convenience store selling liquor poses safety concerns for me.

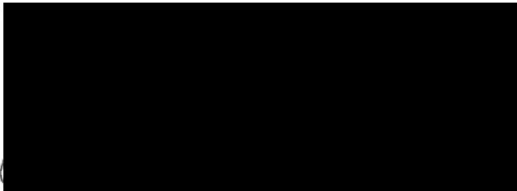

Liquor in all forms is readily available, with adequate parking and access, at the nearby Safeway located at 107th Avenue and Olive. My residence is located next to this proposed convenience store and the addition of a liquor license evokes concern for me regarding historically documented customers attracted by convenience stores with liquor licenses. Among my concerns would be panhandlers, transients, noise, public intoxication, and acts of unruly behavior. I would not feel safe living next door to an alcohol-friendly convenience store.

Re: Pending Application for Liquor License, Circle K Store #2709542, 10725 W. Northern Avenue

I currently reside in a condominium unit located next to the parcel of land at 107th Ave and Northern Avenue, and I would like to express my concern about Circle K's Store #2709542 application for a Liquor Store, Type 9 License. The proximity of a convenience store selling liquor poses safety concerns for me.

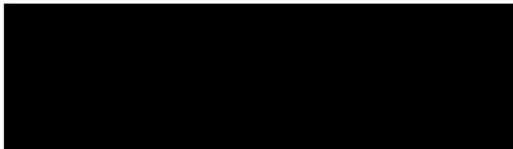

Liquor in all forms is readily available, with adequate parking and access, at the nearby Safeway located at 107th Avenue and Olive. My residence is located next to this proposed convenience store and the addition of a liquor license evokes concern for me regarding historically documented customers attracted by convenience stores with liquor licenses. Among my concerns would be panhandlers, transients, noise, public intoxication, and acts of unruly behavior. I would not feel safe living next door to an alcohol-friendly convenience store.

Sincerely,

Sean Roche
