## **COUNCIL COMMENTS AND SUGGESTIONS**

Councilmember Clark said the League of Arizona Cities and Towns was considering a resolution to eliminate the requirement to hold a special budget meeting.

Councilmember Clark reminded Yucca District residents that applications for funding from the Yucca District Neighborhood Beautification Grant Program were due by June 30th.

Councilmember Malnar provided follow up to the citizen comments received over the past few months regarding code enforcement in the Granada Estates neighborhood. He said City staff had launched a proactive initiative in 2019 to address code violations that included enforcement and education. The 9-month effort resulted in 646 cases, designated over 80 residences as repeat offenders and approximately 40 citations were issued. In response to the recent concerns, staff was diverting additional resources to educate residents and address blighting conditions in Granada Estates. Beginning May 31st, two senior inspectors were assigned to the area in addition to the regularly assigned grid inspector. The efforts of 2019, going street-by-street, property-by-property, were being repeated to address violations and educate residents. So far, 107 cases had been opened and there had been a 50% immediate compliance rate. One civil citation had been issued, 40-50% of the inspected properties had at least one violation and 25% of Granada Estates had been inspected. The effort would continue through the fall. Councilmember Malnar said, even though Council was not allowed to respond directly to the citizen comments made at meetings, Council was listening and action was being taken

Mayor Weiers said the Westgate Entertainment District would be hosting a free fireworks display on Sunday, July 3rd in celebration of the July 4th holiday.

## **CITIZEN COMMENTS**

Warren Wilfong, Ocotillo District resident, commented on code enforcement of front yard parking and the information provided in the City calendar regarding code compliance.

Joyce Capson, Sahuaro District resident, commented on code enforcement issues in the Granada Estates neighborhood and the public records requests she had submitted.

James Deibler, Phoenix resident, commented on homeless issues and GlendaleOne.

Dave Goitia, Glendale Police Officer, thanked Council and City leadership for its unwavering support of the Police Department.

Dawn Considine, Sahuaro District resident, invited Council to ride with her to view the code enforcement issues she has been commenting about.
