BRIEF DESCRIPTION OF PROPOSED PROJECT

The existing Pete’s Fish and Chips restaurant is wanting to expand their parking lot and reconfigure the general traffic flow in and out of their site.

DESCRIBE PUBLIC NOTICES, MEETINGS, RELATED OTHER PUBLICITY

A mailer was sent out to the identified interested parties with a project narrative, site plan, and landscape plan. Within the mailer was also information to attend a virtual neighborhood meeting. The Zoom meet was held on December 6th, 2021 at 7PM.

A second mailer was sent out on January 7th, 2022 with the same project narrative, site and landscape plan along with a request to please email any comments and/or concerns to the civil engineer of record.

IDENTIFY WHO MAY WILL BE DIRECTLY AND INDIRECTLY AFFECTED BY YOUR PROPOSAL AND ANYONE WHO EXPRESSED INTEREST OR BELIEVE THEY WILL BE AFFECTED.

The general public

IDENTIFY ANY CONCERNS THE ABOVE INDIVIDUALS MAY HAVE

There were no attendees to the virtual meeting and no emails with concerns or comments have been sent to date

HOW WILL THEY BE PROVIDED AN OPPORTUNITY TO DISCUSS THE PROPOSAL WITH THE APPLICANT IF ISSUES OR QUESTIONS CONTINUE OR SUDENLY ARISE AFTER DISTRIBUTION OF THE NOTIFICATION LETTER.

The engineering of record, who is also the overall applicant has provided his email in the notification letter.

HOW WILL THESE INDIVIDUALS BE INFORMED OF ANY CHANGES AFTER THE INITIAL CONTACT?

If necessary, additional mailers can be sent to outline progress, changes, and/or status of the project.

HOW WILL YOU KEEP GLENDALE PLANNING STAFF UPDATED ON THE STATUS OF YOUR CITIZEN PARTICIPATION EFFORTS?

The plan is to continue to coordinate and provide updates through Christina Lavelle.

Subject: Pete's Fish and Chips (55th Dr and Glendale) Parking Lot Expansion

Dear Neighbor:

This is a courtesy follow-up letter to the neighborhood meeting that was held on December 13, 2021. The meeting was held via a Zoom web conference and started at 7PM. There weren't any neighbor attendees to the December 13th meeting. Christine Lavelle, planner with the City of Glendale attended and we discussed requirements the City of Glendale has for the site development project. There were no comments provided via email to me from the neighborhood group.

I had sent out a follow-up mailer for an additional neighborhood virtual meeting to be held on January 17th. **This is a notification that the January 17th virtual meeting has been cancelled and will no longer be held. We would very much appreciate if you could review the narrative below and the site and landscape plan on the subsequent pages of this letter. Please email me (Mike Prefling) any questions, comments or concerns that you have with this development so I can summarize and send to City of Glendale planning staff.**

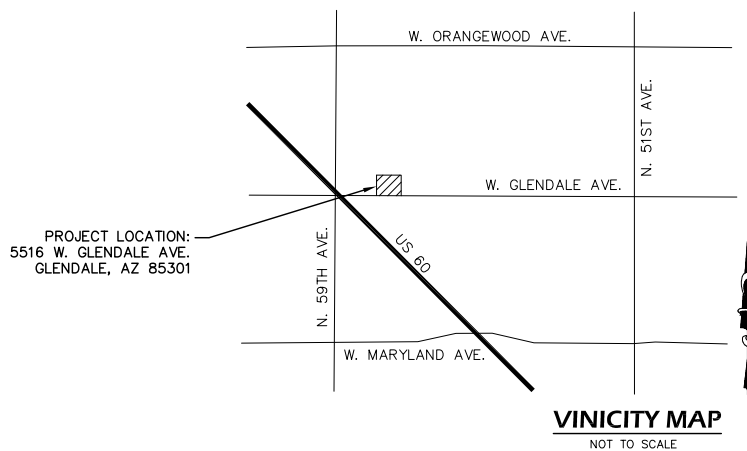

This letter is to inform you that the Pete's Fish and Chips restaurant located at the NE corner of 55th Drive and Glendale Ave is applying for a conditional use permit with the City of Glendale. The property is located at 5516 W. Glendale Ave, Glendale AZ 85301 in the Ocotillo District.

The existing Pete's Fish and Chip restaurant has acquired the existing vacant lot(s) at the north end of the site. The property owner would like to expand their parking and reconfigure the drive-thru access. Today during peak customer visits, cars and traffic back up on to Glendale Ave. By expanding the parking lot bringing drive-thru customers in via 55th drive the result should be a safer environment and a more pleasant experience. Please see the attachment to this letter for the proposed site plan. The plan is to add 22 standard parking stalls, 1 accessible stall, and incorporation of a water/ice station. All incoming customers will be routed onsite via 55th drive. There will no longer be direct access to the restaurant off of Glendale Ave.

Comments and questions will be accepted at this time. Please write, email, or call me at the contact information above. Final comments are due on January 15, 2022. You may also contact Christine Lavelle with the City of Glendale at (623) 930-2553 to deliver your comments.

PLANTING KEYNOTES

- VERIFY SMOOTH GRADE CONDITIONS TO ALL AREAS PRIOR TO BEGINNING LANDSCAPE. ELIMINATE ANY CONCRETS THAT WOULD IMPACT UTMATE SITE PREPARATION AND STAKING (DOUBLE STAKE). DETAIL TBD.
- SHRUB PLANTING: DETAIL TBD.
- DECOMPOSED GRANITE TO ALL LANDSCAPE AREAS. DETAIL TBD. PROVIDE INFORMATIVE GRADE 2" BELOW TOP OF ALL WALKS & CURBS PRIOR TO PLACEMENT OF MATERIAL QUANTITIES. A RE-EMERGENT HERBICIDE SHALL BE APPLIED TO THE GROUND PRIOR TO PLACEMENT.
- FINISH GRADE TO BE 1" BELOW ADJACENT SHRUBS OR HEADER.
- 5/8" TRIANGLE REC'D W/ PANS, MAINTAIN SHRUBS HEIGHT BELOW 24" (TBD)
- EXISTING SITE / SCREEN WALLS (TBD)
- TREES THAT OVERHANG THE SIGHT TRIANGLE (LINE E.S.D.) OR SIGHT VISIBILITY EASEMENT (S.V.E) TO BE TRIMMED TO A HEIGHT OF NO LESS THAN 7' AT ALL TIMES. (TBD)

CITY OF GLENDALE LANDSCAPE NOTES

- LANDSCAPING IN MEDIAN AND RIGHT-OF-WAYS: The city encourages Smart Growth and the use of IDI storm water techniques in the right-of-way, below sidewalk, and in the median. All plant material must be selected from the Arizona Department of Water Resources Low Water Use Plant List. All plant materials are appropriate for use within the public right-of-way. The selected plant material shall be selected from the Arizona Department of Water Resources Low Water Use Plant List. All plant materials are appropriate for use within the public right-of-way. The selected plant material shall be selected from the Arizona Department of Water Resources Low Water Use Plant List. All plant materials are appropriate for use within the public right-of-way. The selected plant material shall be selected from the Arizona Department of Water Resources Low Water Use Plant List.
- Trees should be located so that the expected mature tree canopy does not ultimately extend into the roadway. Consider the mature tree height and placement of trees to minimize potentially covering the roadway. Natural growth habits and excessive watering frequencies shall be taken into consideration to minimize maintenance needs. Plant material shall be provided to the contractor to ensure proper plant growth habits, structure, or location. Trees should be provided at the rate of 1 tree per 35 linear feet on center. The minimum size is 1 1/2 gallon with 50 percent of the trunk girth to be above ground.
- Decomposed Granite must be 3/4" inch screened Desert Gold or of a matching color to adjacent landscaped areas. A sample will be submitted to the Engineering Division for approval prior to the start of construction. The contractor shall provide the decomposed granite to the site. The decomposed granite shall be applied before and after placing the concrete. The decomposed granite shall be applied before and after placing the concrete. The decomposed granite shall be applied before and after placing the concrete.
- All new right-of-way landscaping shall conform to the City's Landscaping Ordinance and any other applicable regulations. The contractor shall provide the decomposed granite to the site. The decomposed granite shall be applied before and after placing the concrete. The decomposed granite shall be applied before and after placing the concrete.
- Within fifty (50) feet of any street intersection trees shall not be planted which are so numerous or so close together that the trunk obstruct more than twenty (20) percent of the view of operation of a vehicle.
- Design trees and shrubs to grow within two (2) feet of the face of any curb or within one (1) foot of any sidewalk located on public right-of-way, except that tree canopies over eighty-four (84) inches in height and plants under two (2) feet in height are exempted from this provision. The contractor shall provide the decomposed granite to the site. The decomposed granite shall be applied before and after placing the concrete. The decomposed granite shall be applied before and after placing the concrete.
- These sign lines must clearly show on the landscape plans. Trees planted within this sight triangle are to have the canopy pruned to a height of 6 feet or higher upon installation. Height will be measured from the top of the canopy to the top of the trunk. A wide stall lawn bank, power or stamped concrete installed. No other materials will be allowed.
- Landscaping within right-of-ways behind the street curb will be the responsibility of the developer, property owner, or a homeowners association. Median landscaping will be maintained by the City. The contractor shall provide the decomposed granite to the site. The decomposed granite shall be applied before and after placing the concrete. The decomposed granite shall be applied before and after placing the concrete.
- During the landscape establishment period, the developer will be responsible for all maintenance, including trash pickup, watering, staking for the contractor and plant replacement. The landscape contractor shall provide the decomposed granite to the site. The decomposed granite shall be applied before and after placing the concrete. The decomposed granite shall be applied before and after placing the concrete.
- Median ball masts less than 4' wide shall have ball, power or stamped concrete installed. No other materials will be allowed.
- Maintenance of landscaping within right-of-ways behind the street curb will be the responsibility of the developer, property owner, or a homeowners association. Median landscaping will be maintained by the City. The contractor shall provide the decomposed granite to the site. The decomposed granite shall be applied before and after placing the concrete. The decomposed granite shall be applied before and after placing the concrete.
- The City's Engineering Division will arrange a pre-construction meeting with the contractor to review the landscape plans, MAG requirements, testing, maintenance responsibility, project schedule, etc. City representatives will be present at the meeting. The contractor shall provide the decomposed granite to the site. The decomposed granite shall be applied before and after placing the concrete. The decomposed granite shall be applied before and after placing the concrete.
- The warranty period once any punch list items are completed. At the end of the warranty period, the contractor shall provide the decomposed granite to the site. The decomposed granite shall be applied before and after placing the concrete. The decomposed granite shall be applied before and after placing the concrete.
- The City will issue the Final Letter of Acceptance and the warranty period and begin city maintenance of the landscaping. Upon acceptance, the contractor will remove his name from the water and electric accounts one month prior to the City's name.

Subject: Pete's Fish and Chips (55th Dr and Glendale) Parking Lot Expansion

Dear Neighbor:

This letter is to inform you that the Pete's Fish and Chips restaurant located at the NE corner of 55th Drive and Glendale Ave is applying for a conditional use permit with the City of Glendale. The property is located at 5516 W. Glendale Ave, Glendale AZ 85301 in the Ocotillo District.

The existing Pete's Fish and Chip restaurant has acquired the existing vacant lot(s) at the north end of the site. The property owner would like to expand their parking and reconfigure the drive-thru access. Today during peak customer visits, cars and traffic back up on to Glendale Ave. By expanding the parking lot bringing drive-thru customers in via 55th drive the result should be a safer environment and a more pleasant experience. Please see the attachment to this letter for the proposed site plan. The plan is to add 22 standard parking stalls, 1 accessible stall, and incorporation of a water/ice station. All incoming customers will be routed onsite via 55th drive. There will no longer be direct access to the restaurant off of Glendale Ave.

A virtual neighborhood meeting will take place on December 6th, 2021. The meeting will be held virtually through Zoom. The Zoom information is included in this letter. Comments and questions will be accepted at this time. If you are unable to attend, please write, email, or call me at the contact information above. You may also contact Christine Lavelle with the City of Glendale at (623) 930-2553.

The meeting will take place via Zoom. Please see the link, meeting ID and password below to join the meeting.
