**Certification of Adequate School Facilities-
for
Residential Rezoning – Glendale, Arizona
Revised November 2001**

To Be Completed By School Official (Choose One)

1. The school district has adequate facilities to accommodate the projected number of new students within the school district attendance area that will be generated by this rezoning request.
2. The school district will have adequate school facilities by a planned capital improvement to be constructed within one (1) year and located within the school district's attendance area affected by this residential rezoning request.
3. The school district has determined an existing or proposed charter school can provide adequate school facilities.
4. The applicant and the school district have entered into an agreement to provide, or help to provide, adequate school facilities in a timely manner within the school district's attendance area affected by this residential rezoning request. Details of this agreement are not required.
5. The school does not have adequate school facilities to accommodate projected growth attributable to the rezoning.

If response number five (5) is selected, please provide specific details regarding the factors contributing to the lack of adequate facilities as related to the School Facilities Board Guidelines. Indicate where facilities are not adequate. Attach additional details as necessary.
