

**RE: Proposition 207 Waiver – Application No. ZON23-0001**

Dear Brian:

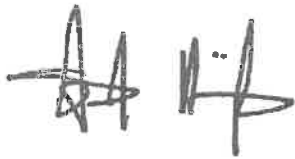

As a result of a part of Proposition 207 dealing with regulatory takings and changes in permitted land uses (Arizona Revised Statutes § 12-1134 et seq.), and in connection with the Rezoning application, Glendale must now require that property owners or their authorized agents in all such cases execute and return the enclosed waiver.

By signing and returning the waiver, the property owner agrees and consents to all conditions and stipulations in conjunction with the application, acknowledges that approval of the application might affect current or existing rights to use, divide, sell or possess the property, and waives any right to compensation for diminution in value that may result from approval.

The enclosed waiver is the standard form for the City and as such is non-negotiable. Execution and return of the waiver is necessary in order for your application to be deemed complete. A complete application is necessary for the application to proceed through the hearing process.

Please return a signed and notarized original of the waiver to me at the City of Glendale, Planning Department, 5850 West Glendale Avenue, Suite 212, Glendale, Arizona 85301-2599 at your earliest convenience. Any delay in returning a fully executed waiver could result in a delay in processing your application.

Sincerely,
