This Grant Pass-Thru Agreement (“**Agreement**”) is made and entered into this 1st day of July, 2023 (“**Effective Date**”), by and between the City of Phoenix (“**PHOENIX**”), a municipal corporation duly organized and existing under the laws of the State of Arizona, and City of Glendale (“**SUBRECIPIENT**”), a municipal corporation duly organized and existing under the laws of the State of Arizona. RECITALS

- A. PHOENIX’s City Manager is authorized and empowered by the City Charter’s provisions to execute contracts.
- B. PHOENIX has statutory and charter authority to provide transit services and enter into agreements with other entities within the Phoenix Urban Area for providing transit services. See A.R.S. Section 11-951, et seq.; Phoenix City Charter Chapter 2, Section 2, Subsections (c)(i) and (l).
- C. As a political subdivision of the State of Arizona, PHOENIX may contract and enter into stipulations of any nature to do acts necessary and convenient for the exercise of its powers. The laws of the State of Arizona authorize municipalities to: (1) engage in any business or enterprise that may be engaged in by persons by virtue of a franchise from the municipal corporation (see A.R.S. Section 9-511(A)); (2) appropriate and spend public monies on activities that “will assist in the creation or retention of jobs or will otherwise improve or enhance the economic welfare of [its] inhabitants” (see A.R.S. Section 9-500.11); and (3) be vested with all the powers set forth in Title 9 for incorporated towns, in their respective charters, and in other provisions of law (see A.R.S. Section 9-499.01).
- D. SUBRECIPIENT has statutory authority to exercise all of the powers granted to municipal corporations and to cities by the Constitution and laws of the State of

Arizona, together with all of the implied powers necessary to carry into execution all the expressed powers granted therein and the power to enter into intergovernmental agreements with other governmental entities. See A.R.S. Section 11-951, et seq.

- E. Transit activities are one of the types of activities authorized pursuant to the aforementioned statutory and Charter authority and such powers do not conflict with any of the provisions of SUBRECIPIENT's authorizations.
- F. Section 5307 of chapter 53, title 49, United States Code (formerly the Federal Transit Act of 1964, as amended) makes financial aid available to government entities and public transportation operators engaging in the preservation, improvement, and operation of mass transit systems.
- G. PHOENIX successfully applied to the Federal Transit Administration ("**FTA**") for a grant of Section 5307 funds, which was awarded on the 1st day of July, 2022, as FAIN No. **AZ-2023-026-00** ("**Grant**").
- H. SUBRECIPIENT shall receive funds from said Grant and perform the project(s) ("**Project(s)**") described in **Exhibit A-1**, as attached to this Agreement and incorporated by reference.
- I. PHOENIX and SUBRECIPIENT have been authorized by their respective formal authorities to enter into this Agreement.

AGREEMENT

IT IS HEREBY AGREED, by and between the PARTIES, as follows:

1. Agreement Term and Budget/Performance Periods.

A. The Agreement's term is the time interval from the execution of this Agreement to its conclusion. The Agreement's term:

- begins on its Effective Date; and
- ends after all federal and PHOENIX requirements have been met and PHOENIX has closed out the Grant.

Funding for any uncompleted and unbilled Projects may be reassigned at the discretion of PHOENIX, as needed to close out the Grant. Grant close-out is the process by which all activities approved in a grant award have been completed and/or the federal assistance awarded has been expended for eligible costs. PHOENIX maintains a "Master Grant Closeout Schedule" that provides the estimated grant close-out date based on the completion dates of each project within the grant. Within 90 days of final reimbursement, PHOENIX will begin the grant close-out process and prepare reports,

including a narrative of completed projects and the subrecipient's final reconciled budget, Federal Financial Report (“**FFR**”), and Milestone Progress Report (“**MPR**”). Each grant is considered closed when PHOENIX has completed and submitted the documents required for close-out and FTA has accepted these documents. A “Grant Closure Notice and Records Retention Requirement Letter” is prepared and distributed to each subrecipient in the grant award.

B. The Agreement's budget period is the time interval from the start date of a funded portion of the award to the end date of that funded portion, during which PHOENIX is authorized to expend the funds awarded. The Agreement's budget period:

- Begins on the 1st day of July, 2022; and
- Ends on the 30th day of June, 2025.

The Project(s) led by SUBRECIPIENT must be completed and reimbursement must be requested by the end of the Agreement's budget period.

C. The Agreement's performance period is the time interval from the start of the initial federal award to the estimated end date of performance, which may include one or more funded portions or budget periods. The Agreement's performance period:

- Begins on the 1st day of July, 2022; and
- Ends on the 30th day of June, 2025.

2. Federal and Local Funding.

A. The total federal funds allocated to SUBRECIPIENT under this Agreement shall not exceed **\$50,000**, as detailed in **Exhibit A-1**. No reimbursements shall be made unless all required reports, as described below, have been submitted.

B. SUBRECIPIENT shall provide the required local match for the Project(s), and that local match is currently estimated to be **\$12,500**, as detailed in **Exhibit A-1**. SUBRECIPIENT shall be responsible for the full amount of any costs that exceed the awarded Project(s) amount, such as price increases and applicable taxes.

3. Reimbursement From Grant.

A. PHOENIX will reimburse SUBRECIPIENT for its share of federal funding allocated from the Grant for the purchase of items/services provided in the “Project Description” box of **Exhibit A-1**. SUBRECIPIENT shall comply with

all requirements in 2 CFR Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," which are incorporated by reference.

- B. To receive reimbursement for any allowable and eligible indirect costs awarded by and charged to the Grant, SUBRECIPIENT shall either charge: a cost allocation plan/indirect cost rate approved by the SUBRECIPIENT's cognizant federal agency to be submitted by SUBRECIPIENT to PHOENIX on an annual basis; or a de minimis rate of 10% of modified total direct costs ("**MTDC**") in accordance with 2 CFR Part 200.414. Reimbursement shall not exceed the federal funds allocated to SUBRECIPIENT, unless approved in writing by PHOENIX. SUBRECIPIENT acknowledges that its applicable indirect cost rate for this Agreement was provided to PHOENIX in SUBRECIPIENT's Grant Application, which is incorporated by reference into this Agreement.

4. Application for Reimbursement.

- A. SUBRECIPIENT shall submit an electronic copy of its application for reimbursement of the federal share to:

City of Phoenix Public Transit Department
Management Services Division, Grants Section
Email: ptdgrants@phoenix.gov

- B. The cover letter must identify the PHOENIX contract number and the period for which the application is submitted.
- C. For any applicable reimbursements, SUBRECIPIENT shall submit its application with the reimbursement request form shown in **Exhibit B**, which is attached to this Agreement and incorporated by reference.
- D. The application for reimbursement must be accompanied by detailed backup documentation for all eligible expenses. At a minimum, the documentation shall include the following:
 - 1. A listing of all invoiced costs with vendors and payment dates;
 - 2. Copies of paid invoices received from vendors for purchases of supplies and services and corresponding proof of payment, such as cancelled checks or bank statements; and
 - 3. Such other documentation as PHOENIX or FTA may require, including any reports mandated by **Exhibit C**, which is attached to this Agreement and incorporated by reference.

5. SUBRECIPIENT Performance.

- A. SUBRECIPIENT shall complete the Project(s) for which the Grant's funds have been awarded in a proper and timely manner. SUBRECIPIENT is responsible for complying with all federal, state, and local requirements imposed under the Grant, including the requisites identified in **Exhibit D, Exhibit E, and Exhibit F**, which are attached to this Agreement and incorporated by reference.

- C. SUBRECIPIENT's failure to comply with all applicable requirements may result in the withholding of funds to SUBRECIPIENT under the Grant.

6. Insurance.

SUBRECIPIENT shall have adequate insurance to cover the Project(s) in the event of damage or complete loss.

7. Indemnification.

Each PARTY (as "**Indemnitor**") agrees to indemnify, defend, and hold harmless the other PARTY (as "**Indemnitee**") from and against any and all claims, losses, liability, costs, or expenses (including reasonable attorney's fees) (hereinafter collectively referred to as "**Claims**") arising out of bodily injury of any person (including death) or property damage, but only to the extent that such Claims which result in vicarious/derivative liability to the Indemnitee are caused by the act, omission, negligence, misconduct, or other fault of the Indemnitor, its officers, officials, agents, employees, or volunteers.

PHOENIX’s audit shall be at SUBRECIPIENT’s sole cost and expense. All required records shall be maintained for a minimum of **three years** after the Grant has been formally closed, excluding assets, vehicles, or equipment. For assets, vehicles, or equipment that received federal funding in this Grant, all records must be kept for **three years** after the disposal date of the asset, which may extend well past the grant closure date. The obligations of SUBRECIPIENT under this provision survive the termination or expiration of this Agreement.
2. Both PARTIES warrant that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee; and, further, that no member or delegate to Congress or City Council, or any employee of PHOENIX or SUBRECIPIENT, has any interest, financial or otherwise, in this Agreement.
3. SUBRECIPIENT shall fully comply with the Disadvantaged Business Enterprise (“**DBE**”) regulations of USDOT, 49 CFR Part 26. SUBRECIPIENT shall abide by all stipulations, regulations, and procedures set forth in PHOENIX’s FTA-approved DBE Program Plan. The Transit Civil Rights Officer of PHOENIX’s Public Transit Department and representative(s) of PHOENIX’s Equal Opportunity Department will meet annually with SUBRECIPIENT to cooperatively determine DBE participation for all FTA-assisted projects.
4. In performing the services for which federal funding is provided under this Agreement, SUBRECIPIENT agrees to comply with all laws, rules, regulations, standards, orders, or directives applicable to: (a) this Agreement; (b) the services provided pursuant to this Agreement; and (c) PHOENIX, as the designated recipient of FTA funding. These laws, rules, regulations, standards, orders, and directives include federal, state, and local laws and those items set forth here in **Exhibit D** and below in **Exhibit E**.
5. The PARTIES acknowledge that federal funds are being used for the work, services, and operations provided under this Agreement. In that regard, PHOENIX, as the designated grant recipient, is obligated to accept and comply with all of the terms and conditions set forth in the Federal Transit Administration (“**FTA**”) Master Grant Agreement. In order for SUBRECIPIENT to receive funding under this Agreement with PHOENIX, SUBRECIPIENT is required to similarly accept and comply with all such terms and conditions, and

SUBRECIPIENT does hereby specifically agree to be bound thereby. A copy of the Master Grant Agreement and any subsequent revisions are publicly available at transit.dot.gov/funding/grantee-resources/sample-fta-agreements/fta-grant-agreements and incorporated into this Agreement by reference. SUBRECIPIENT is solely responsible for complying with all the terms and conditions of the Master Grant Agreement and any subsequent revisions.

8. Section 319 of Public Law 101-121 prohibits recipients of federal contracts from using appropriated funds for lobbying U.S. Federal Agencies or the United States Congress in connection with a specific covered federal action and requires all persons to disclose lobbying if they request or receive a covered federal action.

By signing this agreement, SUBRECIPIENT certifies that:

- A. SUBRECIPIENT shall require that the language of this section be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that SUBRECIPIENT shall certify and disclose accordingly.

- C. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, SUBRECIPIENT shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Any person who fails to file the required certification shall be subject to a civil penalty of not less than **\$10,000** and not more than **\$100,000** for each such failure.
9. If a current or prospective legal matter that may affect the Federal Government emerges, the SUBRECIPIENT must promptly notify PHOENIX, which must then promptly notify the FTA Chief Counsel and FTA Regional Counsel for Region 9. The SUBRECIPIENT must include a similar notification requirement in its Third-Party Agreements and must require each Third-Party Participant to include an equivalent provision in its subagreements at every tier, for any agreement that is a "covered transaction" according to 2 C.F.R. §§ 180.220 and 1200.220.
- A. The types of legal matters that require notification include, but are not limited to, a major dispute, breach, default, litigation, or naming the Federal Government as a party to litigation or a legal disagreement in any forum for any reason.

This responsibility occurs whether the Project is subject to this Agreement or another agreement between the Recipient and FTA, or an agreement involving a principal, officer, employee, agent, or Third-Party Participant of the SUBRECIPIENT. It also applies to subcontractors at any tier. Knowledge, as used in this paragraph, includes, but is not limited to, knowledge of a criminal or civil investigation by a federal, state, or local law enforcement or other investigative agency, a criminal indictment or civil complaint, or probable cause that could support a criminal indictment, or any other credible information in the possession of the SUBRECIPIENT. In this paragraph, “promptly” means to refer information without delay and without change. This notification provision applies to all divisions of the SUBRECIPIENT.

10. PHOENIX and SUBRECIPIENT are prohibited from obligating or expending loan or grant funds to: procure or obtain, extend or renew a contract to procure or obtain, or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. In implementing the prohibition under [Public Law 115-232](#), section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions, and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained
