

Annexation and Deaanexation of Roadways in the Western Area ADOPTION

City Council Voting Meeting – October 10, 2023

Background

- In conjunction with growth in the Western Area, the City has executed several IGA's with Maricopa County.
- Purpose of the IGA's is to designate roadway ownership creating equity and continuity of operations for both the City and the County.

Key Council Approved IGA's

IGA C-64-18-084-M-00 (Resolution No. R18-01)

County responsible for Alsup Avenue from Bethany Home Road to Claremont Street in exchange for City being responsible for 99th Avenue between Camelback Road and Bethany Home Road.

IGA C-92-11-206-M-00 (Resolution No. 4474 New Series)

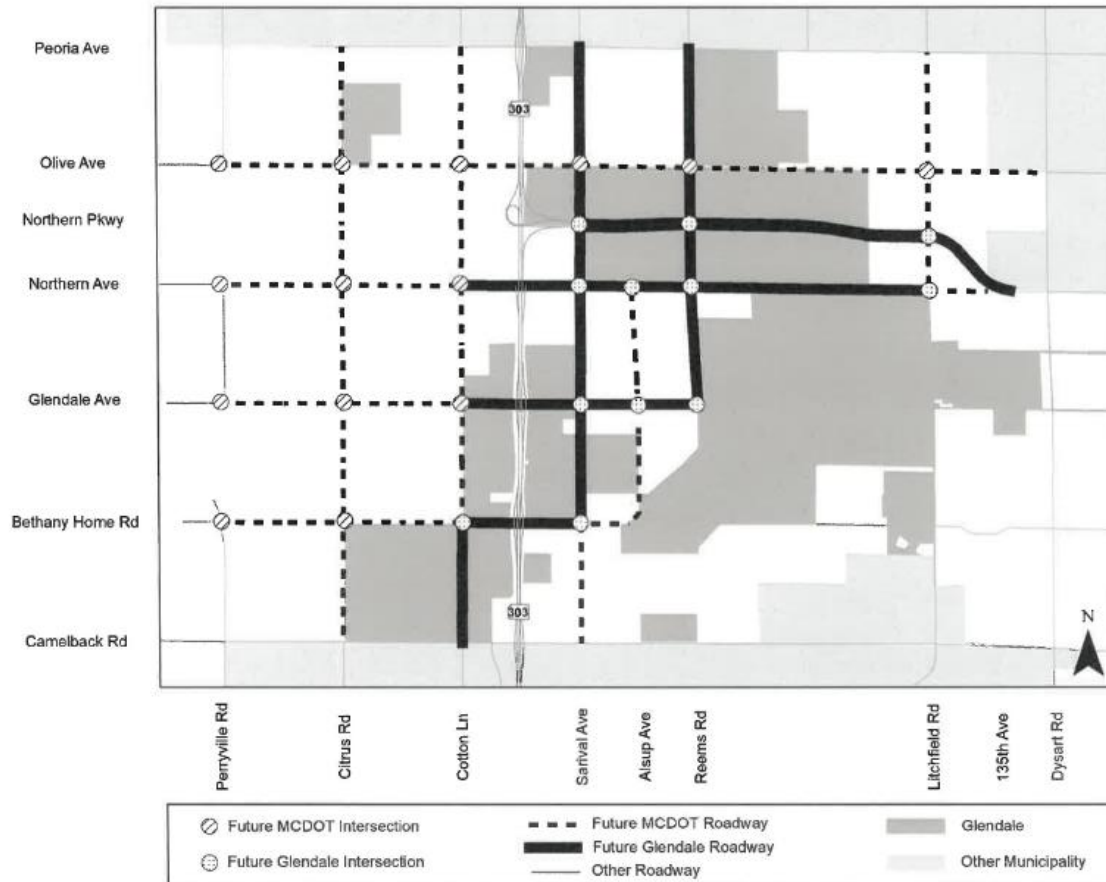

City agrees to ownership, operation and maintenance of Northern Parkway from Sarival Avenue to Dysart Road.

IGA C-64-22-100-X-00 (Resolution No. R21-112)

Master Agreement for exchange of roadways in the Western Area. Agreement incorporates previous IGA's into one all encompassing agreement.

Master Agreement Roadway Map

Letter of Agreement (LOA)

- Master Agreement includes a provision that allows for modifications to map in response to future development.
- Example: County subdivision Pradera Estates located at 127th Avenue & Glendale Avenue. LOA executed in which County accepts dedication of right-of-way on Glendale Avenue with City agreeing to annex it (AN-257).
