

Community Planning & Development Grants Overview

Alignment to 5-Year Consolidated Plan

All grant funds must be invested in programs or activities that are designed to advance each of the Council-adopted Consolidated Plan Goals. The complete plan can be accessed from the city's website and is linked [here](#), the FY2020-24 goals are:

1. Promote Access to Decent Affordable Housing
2. Increase Access to Homeless Services/Housing
3. Increase Access to Public Services for Vulnerable Populations
4. Provide Educational Programs and Business Assistance
5. Enhance Livability of Neighborhoods
6. Comply with Affirmatively Further Fair Housing Regulations

Community Development Block Grants (CDBG)

Supports community development activities to build stronger and more resilient communities. Activities may address needs such as infrastructure, economic development projects, public facilities installation, community centers, housing rehabilitation, public services, clearance/acquisition, microenterprise assistance, code enforcement, and homeowner assistance. Activities must comply with the following:

- 70% of investments must benefit populations at less than 80% of the Area Median Income
- Public services are capped at 15% of the annual allocation (cap does not apply to CDBG-CV special allocations or FY2019-20 and FY2020-21 regular allocations)
- CDBG-CV special allocations must address the COVID crisis
- Must prevent duplication of benefits
- Same requirements apply to program income

Emergency Solutions Grants (ESG)

Assists individuals and families to quickly regain stability in permanent housing after experiencing a housing crisis or homelessness. Activities may include street outreach, emergency shelter, homeless prevention, and rapid re-housing. Activities must comply with the following:

- Must benefit homeless populations at less than 30% of Area Median Income
- No more than 60% of funding can be utilized for street outreach and emergency shelter services

Community Planning & Development Grants Overview

HOME Investment Partnerships (HOME)

Exclusively supports investments for the creation of affordable housing for low-income households, typically in partnership with local nonprofits or affordable housing developers. Activities may include building, buying, and/or rehabilitating affordable housing for rent or homeownership or providing direct rental assistance to low-income households. Glendale receives this funding as part of the Maricopa County HOME Consortium. Activities must comply with the following:

- Must benefit populations at less than 80% Area Median Income
- Maximum allowable income for tenant-based rental assistance is 60% Area Median Income
- May only be used for affordable housing (rented or owned)
- Same requirements apply to program income

HOME American Rescue Plan Special Allocation (HOME-ARP)

Exclusively supports eligible HOME activities designed to assist individuals or households who are homeless, at risk of homelessness, and other vulnerable populations by providing housing, rental assistance, supportive services, and non-congregate shelter to reduce homelessness and increase housing stability across the country. Glendale receives this funding as part of the Maricopa County HOME Consortium. Activities must comply with the following:

- Must benefit homeless, domestic violence, or sex trafficking victims (“qualifying populations”)
- May only be used for affordable rental projects (no home ownership activities)
- Eligible activities include:
 - Supportive services, homeless prevention services, and housing counseling
 - Tenant Based Rental Assistance (2-year vouchers)
 - Production or preservation of affordable rentals
 - Purchase and development of non-congregate shelter (permanent transitional or bridge housing)

All HOME-ARP funds are currently allocated to supportive services and committed in the City’s IGA with Maricopa County.

Special COVID (CV) Allocations

Glendale was awarded and has already allocated CDBG-CV and ESG-CV grant funds. All ESG-CV funding is exhausted and CDBG-CV allocated or proposed for reallocation. All activities associated with those investments must prevent, prepare for, or respond to the COVID-19 Coronavirus.
