**RECITALS**

On September 1, 2023, a member of the S.A.V.E Cooperative Purchasing Agreement, the State Procurement Office, entered into a contract with Contractor to purchase the goods and services described in the Statewide Furniture, Products, and Related Services Contract No. CTR067395 (“Cooperative Agreement”), which is attached hereto as **Exhibit A**. The Cooperative Agreement allows its cooperative use by other governmental agencies, including the City.
- B. Section 2-149 of the City’s Procurement Code permits the Materials Manager to procure goods and services by participating with other governmental units in cooperative purchasing agreements when the best interests of the City would be served.
- C. Section 2-149 also provides that the Materials Manager may enter into such cooperative agreements without meeting the formal or informal solicitation and bid requirements of Glendale City Code Sections 2-145 and 2-146.
- D. The City wishes to contract with Contractor for supplies or services identical to those being provided to other units of government under the Cooperative Agreement. Contractor consents to the City’s cooperative use of the terms and conditions of the Cooperative Agreement, and agrees to provide the supplies and services set forth in the Statement of Work appended hereto as **Exhibit B**.

  - A. As provided in the Cooperative Agreement, purchases can be made by governmental entities from the date of award, which was September 1, 2023, until the date the contract terminates on August 31, 2025, unless the term is extended by mutual agreement of the parties to the Cooperative Agreement. The Cooperative Agreement, however, may not be extended beyond August 31, 2028. The initial period of this Agreement is the period from the Effective Date of this Agreement until August 31, 2025.
  - B. The City may extend the term of this Agreement for one (1) or more months and do so one or more times, provided that the maximum aggregate term of this Agreement, including extensions, does not exceed a maximum aggregate term of five (5) years. The term of this Agreement will only be extended for the same term(s) as any extensions of the Cooperative

Agreement and if the City gives the Contractor notice that it is exercising its option to extend. Glendale extensions are not automatic and shall only occur if the City affirmatively exercises its right to extend this Agreement.

2. Scope of Work; Terms, Conditions, and Specifications.

- A. Contractor shall provide City the supplies and/or services identified in the Scope of Work attached as **Exhibit B**.
- B. Contractor agrees to comply with all the terms, conditions and specifications of the Cooperative Purchasing Agreement. Such terms, conditions and specifications are specifically incorporated into and are an enforceable part of this Agreement.

3. Compensation.

- A. City shall pay Contractor compensation at the same rate and on the same schedule as provided in the Cooperative Purchasing Agreement, which is attached hereto as **Exhibit C**.
- B. The total purchase price for the supplies and/or services purchased under this Agreement shall not exceed three million dollars (\$3,000,000) for the entire term of the Agreement (initial term plus any extensions).

4. Cancellation. This Agreement may be cancelled pursuant to A.R.S. § 38-511.

7. E-verify. Contractor complies with A.R.S. § 23-214 and agrees to comply with the requirements of A.R.S. § 41-4401.

8. No Boycott of Israel. To the extent A.R.S § 35-393 through § 35-393.03 are applicable, the parties hereby certify that they are not currently engaged in, and agree for the duration of the Agreement to not engage in, a boycott of goods or services from Israel, as that term is defined in A.R.S § 35-393.

[Solicitation Summary](#)

**1. What is the State Soliciting?**

The Arizona Department of Administration, State Procurement Office (the State), as authorized under A.R.S. § 41-2501 *et seq.* is seeking to establish one or more mandatory statewide Contracts to provide **Statewide Furniture, Products, and Related Services**.

The State anticipates awarding contract(s) with the intent to secure service coverage statewide. Whether or not it actually enters into any contracts, how many contracts it enters into, and how the work is awarded between those contracts are all at the State's discretion. Furthermore, the State will use any awarded contracts on an as-needed basis, with no guarantee as to its actual spending under them.

The State reserves the right to accept any item or combination of items specified in the Solicitation, unless the Offeror expressly restricts an item or combination of items in its Offer, and conditions its response on receiving all items for which it provided a proposal. In the event of such restriction, the State will evaluate if an award on such a basis will result in the best value and is in the best interest for the State. The State may otherwise determine, at its sole discretion, that such restriction is non-responsive and deem the Offeror ineligible for further evaluation.

### 2.1. Usage. Where the Contract:

- 2.1.1. assigns obligations to Contractor, any reference to "Contractor" is to be construed to be a reference to the Contractor and all Subcontractors, whether

they are first-tier Subcontractors, sub-subcontractors, suppliers, sub-suppliers, consultants, or sub-consultants, as well as all of Contractor's and the Subcontractor's respective agents, representatives, and employees in every instance unless the context plainly requires that it is a reference only to Contractor as apart from Subcontractors.

- 2.1.2. uses the permissive "may" with respect to a party's actions, determinations, etc., the terms is to be interpreted as in A.A.C. R2-7-101(32) [*Definitions*]. For clarity of intent, any right given to State using "State may" or a like construction denotes discretion and freedom to act so far as any regulatory or operative constraints permit in the relevant circumstances, provided that: (a) where written "may, at its discretion," the discretion extends to whatever is most advantageous to State; and (b) where written only as "may," the discretion is constrained by what is fair, reasonable, and as accommodating of the respective best interests of both parties as practicable under the circumstances;
- 2.1.3. uses the imperative "shall" with respect to a party's actions, duties, etc., the term is to be interpreted as in A.A.C. R2-7-101(44) [*Definitions*]. Conversely, the phrase "shall not" is to be interpreted as an imperative prohibition.
- 2.1.4. uses the term "must" with respect to a requirement, criterion, etc., the term is to be interpreted as conveying compulsion or strict necessity;
- 2.1.5. uses the term "might" with respect to an event, outcome, action, etc., the term is to be interpreted as conveying contingency or non-discretionary conditionality; and
- 2.1.6. uses the term "will" or the phrases "is to be" or "are to be" with respect to an event, outcome, action, etc., the term or phrase is to be interpreted as conveying such certainty or imperativeness that "shall" is either unnecessary or irrelevant in that instance.

**2.2. Contract Order of Precedence**

- 2.2.1. **Complementary Documents.** All of the documents forming the Contract are complementary. If certain work, requirements, obligations, or duties are set out only in one but not in another, Contractor shall carry out the Work as though the relevant Work, requirements, obligations, or duties had been fully described in all, consistent with the other documents forming the Contract and as is reasonably inferable from them as being necessary to produce complete results.

2.2.2. Conflicts. In case of any inconsistency, conflict, or ambiguity among the documents forming the Contract and their provisions, they are to prevail in the following order, descending from most dominate to most subordinate, provided that, among categories of documents or provisions having the same rank, the document or provision with the latest date prevails. Information being identified in one document, but not in another, is not to be considered a conflict or inconsistency.

2.2.2.1. Contract Amendments;

2.2.2.2. The final Solicitation Documents, in the following order:

(1) Special Terms and Conditions;

(2) Exhibits to the Special Terms and Conditions;

(3) Uniform Terms and Conditions;

(4) Scope of Work;

(5) Exhibits to the Scope of Work;

(6) Specifications; and

(7) Any other documents referenced or included in the Solicitation;

2.2.2.3. Orders, in reverse chronological order; and

2.2.2.4. Accepted Offer.

2.2.3. Attachments and Exhibits. For clarity of intent, if an item was an Attachment in the Solicitation Documents or an Offer (either Initial, Revised, Best and Final, or Accepted) and was subsequently made into an Exhibit, or its content was incorporated into one of the other Contract documents, then that Attachment no longer exists contractually as an "Attachment" since it has at that point been made into some other Contract document. In every other case, an Attachment and the Offeror Data therein remain part of the Accepted Offer for purposes of precedence and contractual effect.

Accordingly, where an authorized State user is required to “click through” or otherwise accept or be made subject to any terms and conditions in using an Electronic Ordering System, any such terms and conditions are deemed void upon presentation. Additionally, where an authorized State user is required to accept or be made subject to any terms and conditions in accessing or employing any Materials or Services, those terms and conditions will also be void.

- 3.8.1. Order Sufficiency. The Contract was awarded in accordance with the Arizona Procurement Code; the transactions and procedures required by the Arizona Procurement Code for competitive source selection have been met. An Order issued that cites the correct State contract number will suffice to authorize the Contractor to provide the Materials and perform the Services covered by that Order.
- 3.8.2. Order Terms. All Orders are subject to the Contract Terms and Conditions; an Order cannot modify the Contract Terms and Conditions. Any Contractor terms added to quotes or otherwise unilaterally added to Eligible Agency or Co-Op Buyer Orders are null and void.
- 3.8.3. Orders are Obligatory. Until the expiration or earlier termination of the Contract, State may issue and Contractor shall accept Orders that make proper reference to the Contract and are permissible hereunder, provided that, Contractor is not obliged to accept any Order that is not consistent with the then-current pricing, lead times, specifications, or payment provisions of the Contract. Contractor shall fulfill and complete any Orders that are begun but not yet completed as of expiration or earlier termination of the Contract unless State instructs otherwise at the time.
- 3.8.4. No Minimums or Commitments. (a) Contractor shall not impose any minimum dollar amount, item count, services volume, or services duration on Orders; (b) State makes no commitment of any kind concerning the quantity or monetary value of activity actually initiated or completed during the term of the Contract; (c) Contractor shall only deliver or perform as authorized by Orders; and (d) State is not limited as to the number of Orders it may issue for the Contract. For clarity of intent, the foregoing applies equally whether an Eligible Agency issues the Order or, if applicable, a Co-Op Buyer issues it.
- 3.8.5. Non-contracted Materials or Services. Any attempt to knowingly represent for sales, marketing, or related purposes that Materials or Services not specifically awarded are under a State contract is a violation of the Contract and law.
- 3.9. Order Cancellations. State may cancel Orders within a reasonable period after issuance and at its discretion. The same method used for ordering will be used for cancellation.
- 3.9.1. If State cancels an Order, then State shall:
- 3.9.1.1. pay Contractor for any portion of the Materials and Services from that Order that have been properly delivered or performed as of the cancellation effective date; and

- 3.9.1.2. reimburse Contractor for actual, documented costs incurred in fulfilling the Order up to the cancellation effective date and the cost of any obligations incurred in fulfilling the Order up to the cancellation effective date that demonstrably cannot be canceled or that have pre-established cancellation penalties specified in the relevant Subcontracts, to the extent the penalties are reasonable and customary for the work in question.
- 3.9.2. Contractor shall not charge or be entitled to charge State for any new costs it incurs after receiving the cancellation notice; State is not liable for any Materials that were produced, shipped, or delivered, or Services that were performed before Contractor had acknowledged the corresponding Order.
- 3.9.3. State shall also be able to cancel Orders freely and without any further obligation at any time prior to Contractor's formal acknowledgement of the Order.
- 3.10. The Contract is a mandatory statewide contract (per A.A.C. R2-7-607) for multiple purchases, projects, or assignments, and a cooperative contract (per A.R.S. § 41-2632 and A.A.C. R2-7-1002(B)) that can be purchased against by some or all Eligible Agencies and any Co-Op Buyers that elect to participate. Even if only one Eligible Agency needs or elects to purchase against the Contract, it is to be construed as being a cooperative contract hereunder.
- 3.10.1. Contractor shall verify if an ordering entity is a current Co-Op Buyer before selling Materials to or providing Services for them under the Contract. The current list of Co-Op Buyers is available on the State Procurement Office website:
- <https://spo.az.gov/programs/cooperative>
- 3.10.2. Contractor shall sell to Co-Op Buyers at the same price and on the same lead times and other terms and conditions under which it sells to Eligible Agencies, with the sole exception of any legitimately additional costs for extraordinary shipping or delivery requirements if the Co-Op Buyer is having Materials delivered or installed or Services performed at locations not contemplated in the contracted pricing (e.g. delivery to a location outside Arizona).
- 3.10.3. Contractor shall pay State an administrative fee against all Contract sales to Co-Op Buyers, as provided for under A.R.S. § 41- 2633. The fee rate is one (1%) percent. Failure to remit the administrative fees is a material breach of contract, and will entitle the State to its remedies under Contract Terms and

Conditions Section 8 and its right to terminate for default under Section 9. Method of calculation, payment procedures, and other details are provided on the State Procurement Office website:

<https://spo.az.gov/suppliers/usage-reporting>.

- 3.10.4. Contractor shall submit to State a quarterly usage report documenting all Contract sales to both Eligible Agencies and Co-Op Buyers, itemized separately. Contractor shall further itemize divisions, groups or areas within a given Eligible Agency if they place Orders independently of each other. Failure to submit the report is a material breach of contract, and will entitle the State to its remedies under Contract Terms and Conditions Section 8 and its right to terminate for default under Section 9. Contractor shall submit the report using the forms and following the instructions on the State Procurement Office website:

<https://spo.az.gov/suppliers/usage-reporting>.

- 3.10.5. Contractor shall acknowledge each Order from Eligible Agencies within one (1) business day after receipt by either: (a) "approving" the Order electronically in the State's eProcurement System, which will indicate Contractor's unqualified acceptance of the Order as-issued; or (b) "rejecting" the Order electronically in the State's eProcurement System, with a concurrent explanation by email to relevant originator as to the reason for rejecting it. By way of reminder, the only grounds on which the Contractor may reject or refuse an Order are those set out in subparagraph 3.11.3 [*Orders are Obligatory*]. Unless and until Contractor has approved the Order in the State's eProcurement System, it will have no effect under the Contract and will not oblige either State or Contractor. If the relevant Eligible Agency explicitly instructs at the time that a verbal acceptance is sufficient because of urgency or other unusual circumstances and Contractor duly gives its verbal acceptance, then Contractor will be deemed to have accepted the Order immediately upon commencing performance, provided that, Contractor must follow-up its verbal acceptance by accepting the Purchase Order electronically in the State's eProcurement System within three (3) business days. Contractor shall thereafter be barred from subsequently rejecting the Order in the State's eProcurement System and if it does so the rejection will be void.

- 3.10.6. Contractor shall acknowledge each Order from Co-Op Buyers in conformance with each Co-Op Buyer's instructions given at the time of ordering or in any supplemental participating agreement Contractor might have with them.

Orders from Co-Op Buyers create no obligation on State's part, since they are entirely between the Co-Op Buyer and Contractor. That notwithstanding, Contractor's obligation under the Contract is to service Co-Op Buyers commercially as though they were with an Eligible Agency, and Contractor's refusal to do so would be a material breach of the Contract.

3.11. Multiple-Use Provisions. Eligible Agencies may issue Orders for Services in several forms, all of which become final and effective by a Purchase Order in the State's eProcurement System. Orders issued by Co-Op Buyers will be in whatever form the Co-Op Buyer normally uses. Regardless of origin, Orders must cite the State contract number to be valid. State may, at its discretion in each instance, determine the scope, schedule, and price for each Order in any of the following ways:

- 3.11.1. By choosing some or all of the Materials or Services items covered by the Contract for which a price is established in the Contract, then preparing an Order using those prices (e.g. filling out an order form), and sending it to the Contractor;
- 3.11.2. By instructing Contractor to provide a comprehensive proposal of item quantities, combinations, etc., or services hours, personnel, etc., for a defined scope using those established prices as a basis, then validating and negotiating the proposal with Contractor and issuing an Order if and when reaching agreement;
- 3.11.3. As described in 3.11.2 above but requesting the proposal from both Contractor and other vendors who are contracted within the applicable scope categories and locations, either sequentially or concurrently, then selecting the proposal or proposals combination that is most advantageous to State; or
- 3.11.4. As described in 3.11.3 above but introducing ad-hoc commercial competition by making the selection and ordering conditional on obtaining more favorable prices than the contractually-established ones.

3.12. Work on State Premises

- 3.12.1. Compliance With Rules. Contractor is responsible for ensuring that its personnel comply with State's rules, regulations, policies, documented practices, and documented operating procedures while delivering or installing Materials or performing Services on State's grounds or in its facilities. For clarity of intent, the foregoing means that if Contractor is required to comply with certain security requirements in order to deliver, install, or perform at that particular location, then it shall do so nonetheless and without entitlement to any additional compensation or additional time for performance if those particular requirements are not expressly stated in the Contract. Contractor is reminded that violation of the prohibition under A.R.S. § 13-1502 against

possession of weapons on State's property by anyone for whom Contractor is responsible is a material breach of contract and grounds for termination for default.

- 3.12.2. Protection Of Grounds And Facilities. Contractor shall deliver or install the Materials and perform the Services without damaging any State grounds or facilities. Contractor shall repair or replace any damage it does cause promptly and at its own expense, subject to whatever instructions and restrictions State needs to make to prevent inconvenience or disruption of operations. If Contractor fails to make the necessary repairs or replacements in a timely manner, State will be entitled to exercise its remedies under paragraph 8.5 of the Uniform Terms and Conditions [Right of Offset].

3.13. Transitions

- 3.13.1. During commencement, Contractor shall attend transition meetings with any outgoing suppliers to coordinate and ease the transition so that the impact on State's operations is kept to a minimum. State may elect to have outgoing suppliers complete some or all of their Work or Orders in progress, even if that Work could be covered under the incoming supplier's Contract. Conversely, the State may have a continued need for the same Materials and Services upon expiration or earlier termination of the Contract. Accordingly, Contractor shall work closely with any incoming supplier and State to ensure as smooth and complete a transition transfer as is practicable.

- 3.13.2. Eligible Agency or Co-Op Buyers representative will coordinate all transition activities and facilitate joint development of a comprehensive transition plan by both Contractor and the incoming supplier. As with the incoming transition, State may permit Contractor, when Contractor is outgoing, to complete work or orders in progress to ease the transition as is safest and most efficient in each instance.

- 3.13.3. RESERVED

4. Costs and Payments

- 4.1. Type of Pricing. Offeror shall include only firm, fixed pricing for services and only firm, fixed discounts for products in the Offer.
- 4.2. Contractor's Best Pricing. Contractor warrants that, for the term of the Contract, the prices and discounts set out in the Attachments titled Pricing, including any subsequent agreed amendment to it (the "Contract Pricing"), shall be equal to or better than the lowest prices

and largest discounts, both separately and in combination, at which Contractor sells equivalent services, items of equipment, and materials.

- 4.2.1. That price-plus-discount equivalence (“Contractor’s Best Pricing”) is intended to be irrespective of whether or not those other sales have special purchase terms, conditions, rebates, or allowances.
- 4.2.2. If Contractor’s Best Pricing for equivalent services, items of equipment, and materials is better than the Contract Pricing, then Contractor agrees to adjust the Contract Pricing to match the Contractor’s Best Pricing for all sales related to the Contractor made after the date when the Contractor’s Best Pricing was first better than the Contract Pricing.
- 4.2.3. For clarification of intent, that date is intended to be the date when the difference first occurred, which might have been before the difference was first identified. If the difference occurred before it was identified, then Supplier agrees to charge less than the Contract Pricing until the extended difference that would have been realized (i.e. if the Contractor’s Best Pricing had been applied when it should have been) has been settled.
- 4.3. Pricing is all-inclusive, including any ancillary fees and costs required to accomplish the Scope of Work and all aspects of Contractor’s offer as accepted by State.
  - 4.3.1. Details of service not explicitly stated in the Scope of Work or in Contractor’s Offer, but necessarily a part of, are deemed to be understood by Contractor and included herein. All administrative, reporting, or other requirements, all overhead costs and profit and any other costs toward the accomplishment of the requirements in the Contract are included in the pricing provided.
  - 4.3.2. Additional Charges. Any charges or fees not delineated in the Contract shall not be added, billed, or invoiced under the Contract.
- 4.4. Price Increase. The State may review a fully documented request for a price increase. The requested increase shall be in writing and be based upon a cost increase to the contractor that was clearly unpredictable at the time of the offer and is directly correlated to the price of the product concerned. Contractor must provide conclusive evidence of a need for any price increases.
  - 4.4.1. Initial Contract MSRP prices shall be honored for one year after award of Contract.
    - 4.4.1.1. Following the initial term, contractors may request price increases on the MSRP price, no more than every six (6) months.

- 4.4.2. All written requests for price adjustments made by the Contractor shall be initiated thirty (30) days in advance of any desired price increase to allow the State sufficient time to make a fair and equitable determination to any such requests. This may be waived upon proper documentation demonstrating the urgency of the request.
- 4.4.3. All price adjustments will be implemented by a formal Contract Amendment. State shall determine whether the requested price increase or an alternate option is in the best interest of the State.
- 4.4.4. State expects Contractors to use Lean Six Sigma principles to reduce costs in their supply chain, and not simply pass new costs on to the State. If a price increase is requested, State will ask for evidence that Lean Six Sigma principles and tools have been used by Contractor to attempt to reduce costs in advance of any request for a price increase under the Contract.
- 4.5. Price Reductions. Price reductions shall be immediately passed along to State and may be submitted in writing to State for consideration at any time during the Contract period. The contractor shall offer State a price reduction on the Contract product(s) concurrent with a published price reduction made to other customers. The State at its own discretion may accept a price reduction. The price reduction request shall be in writing and include documentation showing the actual reduction of cost. Sales promotions requests shall include differences in pricing, begin, and end date of promotion along with the products covered.
- 4.6. Travel. Contractor shall request and receive written approval prior to any travel under the Contract in which reimbursement of expenses will be requested. Contractor will be reimbursed for actual expenses incurred in accordance with the current rates specified in the State's Travel Policy. Contractor shall itemize all per diem and lodging charges. State Travel Policy, including State rates, may be located at <https://gao.az.gov/travel>. Eligible Agency or State shall reject any claim for travel reimbursement for which Contractor did not receive prior written approval.
- 4.7. Funding
- No particular funding considerations apart from Uniform Terms and Conditions Sections 4.5 [Availability of Funds for the Next State Fiscal Year] and 4.6 [Availability of Funds for the Current State Fiscal Year] have been identified as of the Solicitation publication date.
- 4.8. Invoicing

- 4.8.2.16. Mailing fees (if applicable); and
- 4.8.2.17. Total invoice amount due.

4.8.3. No Invoice Without Authorization. Contractor shall not seek payment for any:

- 4.8.3.1. Materials or Services that have not been authorized on an acknowledged Order;
- 4.8.3.2. Expediting, overtime, premiums, or upcharges absent State's express prior approval; or
- 4.8.3.3. Materials or Services that are the subject of a Contract Amendment that has not been fully signed by the Procurement Officer.

4.8.4. Submitting Invoices. Contractor shall submit an invoice to the ordering Eligible Agency or Co-Op Buyer using the form and/or process required by the ordering Eligible Agency or Co-Op Buyer. Every invoice must be signed by Contractor's authorized representative and accompanied by all supporting information and documentation required by the Contract and applicable laws.

4.8.5. Defective Invoices. Without prejudice to its other rights under the Contract or further obligation to Contractor, the ordering Eligible Agency or Co-Op Buyer may, at its discretion, reject any materially defective invoice.

4.8.5.1. The ordering Eligible Agency or Co-Op Buyer shall notify the Contractor within five (5) business days after receipt if it determines an invoice to be materially defective.

4.8.5.2. Invoices will be deemed automatically rejected upon delivery if they: are sent to an incorrect address, do not reference the correct State contract and Purchase Order number, or are payable to any Person other than the Contractor.

4.8.5.3. The ordering Eligible Agency or Co-Op Buyer shall have no obligation to pay against a defective invoice unless and until Contractor has re-submitted it free of defects.

4.9. Payments

4.9.1. Payment Deadline. State shall make payments in compliance with Arizona Revised Statutes Titles 35 and 41. Unless and then only to the extent expressly stated otherwise in the Pricing Section of the Special Terms and Conditions above, State shall make payment in full for Materials that have been delivered and accepted and Services that have been performed and accepted within the time specified in A.R.S. § 35-342, after both of the following occur: (a) all of the Materials being invoiced have been delivered or installed (as applicable) and accepted and all of the Services being invoiced have been performed and accepted; and (b) Contractor has provided a complete and accurate invoice in the form and manner called for in the Contract, provided that, State will not make or be liable for any payments to Contractor until Contractor has registered properly in the State's eProcurement System and provided a current I.R.S. Form W-9 to State unless excused by law from providing one.

4.9.2. Payments Only To Contractor. Unless an assignment and assumption agreement has been reached between the Contractor and State pursuant to Section 5.2 of the Special Terms and Conditions [Assignment and Delegation] or the State has been otherwise compelled by operation of law or order of a court of competent jurisdiction, State will only make payment to Contractor under the federal tax identifier indicated on the Accepted Offer.

- 4.9.4. Joint Checks or Direct Pay. Applicable Eligible Agency or Co-Op Buyer may, but is under no obligation to, pay by joint check or to pay directly to any Subcontractor or other creditor to whom any portion of Contractor's requested payment is owed.
- 4.9.5. Recovery of Overpayment. If applicable, Eligible Agency or Co-Op Buyer determines that an overpayment has been made to Contractor on any prior invoice, it shall inform Contractor of the amount and date of the overpayment and may deduct the overpaid amount from amounts then or thereafter due to Contractor.
- 4.9.6. Purchasing Card. Applicable Eligible Agency or Co-Op Buyer may pay invoices for some or all Orders using a purchasing card. Any and all fees related to payment using a purchasing card (also called a p-card) are the responsibility of the Contractor. Unless otherwise stated in the Contract, there will be no additional fees or increase in prices associated with this method of payment.
- 4.9.7. Automated clearing house. Applicable Eligible Agency or Co-Op Buyer may pay invoices for some or all Orders through an Automated Clearing House (ACH). In order to receive payments in this manner from Eligible Agencies, the Contractor must complete an ACH Vendor Authorization Form (form GAO-618) within 30 (thirty) days after the effective date of the Contract. The form is available online at: <https://gao.az.gov/publications/forms>.
- 4.10. Applicable Taxes
- 4.10.1. Contractor To Pay All Taxes. State is subject to Arizona Transaction Privilege Tax (TPT). Therefore, Arizona TPT applies to all sales under the Contract and Arizona TPT is Contractor's responsibility (as seller) to remit. Contractor's failure to collect Arizona TPT or any other applicable sales or use taxes from an Eligible Agency or Co-Op Buyer will not relieve the Contractor of any obligation to remit sales or use taxes that are due under the Contract or laws. Unless clearly stated otherwise in the Contract, all prices therein include Arizona TPT as well as every other manner of transaction privilege or sales/use tax that is due to a municipality or another state or its political subdivisions. Contractor shall pay all federal, state, and local taxes applicable to its operations and personnel.
- 4.10.2. Tax Indemnity. Contractor shall hold State harmless from any responsibility for taxes or contributions, including any applicable damages and interest, that are due to federal, state, and local authorities with respect to the Work and the

Contract, as well as any related costs; the foregoing expressly includes Arizona TPT, unemployment compensation insurance, social security, and workers' compensation insurance.

**5. Contract Changes**

**5.1. Assignment and Delegation**

5.1.1. In Whole. Contractor shall not assign in whole its rights or delegate in whole its duties under the Contract without Procurement Officer's prior written consent, which consent Procurement Officer may withhold at his or her discretion. If Contractor's proposed assignment or delegation stems from a split, sale, acquisition, or other non-merger change in control, then no such consent will be given in any event without the assignee or delegate giving State satisfactory and equivalent evidence or assurance of its financial soundness, competency, capacity, and qualification to perform as that which Contractor possessed when State first awarded it the Contract.

5.1.2. In Part. Subject to Special Terms and Conditions sections 3.10 [Subcontracts] with respect to subcontracting, Contractor may assign particular rights or delegate particular duties under the Contract, but shall obtain Procurement Officer's written consent before doing so. Procurement Officer shall not unreasonably withhold consent so long as the proposed assignment or delegation does not attempt to modify the Contract in any way or to alter or impair State's rights or remedies under the Contract or state law.

**6. Risk and Liability**

6.1. Risk of Loss. Contractor shall bear all risk of loss to Materials while in pre-production, production, storage, transit, staging, assembly, installation, testing, and commissioning, if and as those duties are within the scope of the Work, until they have been accepted as conforming by State in the particular location and situation specified in the Order, or as specified generally elsewhere in the Contract if the Order does not provide particulars, provided that, risk of loss for nonconforming Materials will remain with Contractor notwithstanding acceptance to the extent the loss stems from the nonconformance.

**6.2. General Contractor Indemnification and Insurance Requirements**

6.2.1. Contractor Indemnification (Not Public Agency). To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold harmless the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees (hereinafter referred to as "Indemnitee") from and against any and all claims, actions, liabilities, damages,

losses, or expenses (including court costs, attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Contractor or any of its owners, officers, directors, agents, employees or Subcontractors. This indemnity includes any claim or amount arising out of, or recovered under, the Workers' Compensation Law or arising out of the failure of such Contractor to conform to any federal, state, or local law, statute, ordinance, rule, regulation, or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by Contractor from and against any and all claims. It is agreed that Contractor will be responsible for primary loss investigation, defense, and judgment costs where this indemnification is applicable. In consideration of the award of this contract, the Contractor agrees to waive all rights of subrogation against the State of Arizona, its officers, officials, agents, and employees for losses arising from the work performed by the Contractor for the State of Arizona. This indemnity shall not apply if the Contractor or Subcontractor(s) is/are an agency, board, commission or university of the State of Arizona.

6.2.2. **Public Agency Language Only.** Each party (as 'indemnitor') agrees to indemnify, defend, and hold harmless the other party (as 'indemnitee') from and against any and all claims, losses, liability, costs, or expenses (including reasonable attorney's fees) (hereinafter collectively referred to as 'claims') arising out of bodily injury of any person (including death) or property damage but only to the extent that such claims which result in vicarious/derivative liability to the indemnitee, are caused by the act, omission, negligence, misconduct, or other fault of the indemnitor, its officers, officials, agents, employees, or volunteers.

6.2.3. **Insurance Requirements. Addendum A to the Special Terms and Conditions: Contractor Insurance Requirements is incorporated herein as part of the Special Terms and Conditions.**

6.3. **Patent and Copyright Indemnification.** *[CONTRACTOR/VENDOR (NOT PUBLIC AGENCY)].* With respect to Materials or Services provided or proposed by a Contractor Indemnitor for performance under the Contract, Contractor shall indemnify, defend and hold harmless State Indemnitees against any third-party claims for liability, costs, and expenses, including, but not limited to reasonable attorneys' fees, for infringement or violation of any

- 12.2. Off-Contract Materials. Contractor shall ensure that the design and/or procedures for the Materials ordering method prevents Orders for items not included in the scope of the Contract (and for which no price or compensation has been established contractually) or specifically excluded items. Notwithstanding that State might have its own internal administrative rules regarding off-contract or excluded item ordering, and endeavors to prevent such orders from occurring, Contractor is responsible for not accepting any such Orders. State may, at its discretion, return any such items under subparagraph 12.17 or cancel any such Order under subparagraph 12.18, in either case being without obligation and at Contractor's expense.
- 12.3. Compensation for Late Deliveries. Contractor shall have clear, published policies in place regarding late delivery, order cancellation, discounts, or rebates given to compensate for late deliveries, etc., and make them readily available to those Eligible Agencies, and Co-Op Buyers if applicable, that are likely to need them. If late deliveries have been specifically addressed in the Contract, the Contract shall take precedence over any such Contractor policies.
- 12.4. Indicate Shipping Costs on Order. Contractor shall identify and provide the required substantiating documentation for the amount it intends to add for shipping in the Order acknowledgment if shipping is additional to the contracted price or rate for an item; otherwise, Contractor shall indicate that shipping is included in the Order price (in other words, every Order must indicate clearly whether or not shipping is included in the Order price, and if not included, how much is to be added and why that amount is the correct or appropriate one).
- 12.5. Current Products. Contractor shall keep all products being offered under the Contract: (a) in current and ongoing production; (b) in its advertised product lines; (c) as models or types that are actively functioning in other paying customer environments; and (d) in conformance to the requirements of the Contract.
- 12.6. Maintain Comprehensive Selection. Contractor shall provide at all times the comprehensive selection of products for which a price is established in the Contract for ordering by Eligible Agencies, and Co-Op Buyers, if applicable.
- 12.7. Additional Products. State, at its discretion, may modify the scope of the Contract by Contract Amendment to include additional products or product categories so long as they are within the general scope of the ones originally covered by the Contract. Once the Contract Amendment has been fully executed, Contractor shall then update all applicable pricing and make the pricing available to all affected entities at no additional cost. Either party may make the request to add products to the Contract; regardless of who makes the request, the parties shall negotiate in good faith a fair price for any additional products, but State may elect not to add some or all of the products in question if no agreement is

reached on pricing in a timely manner. Contractor's request or proposal in response to State's request shall include: (a) documentation demonstrating that the additional products meet or exceed the specifications for the original products while remaining in the same product groups as the original ones; and (b) documentation demonstrating that the proposed price for the additional products is both fair and reasonable and at the same level of discount relative to market price as were the original ones. Demonstration of (b) typically requires showing how prices offered to a significant number of buyers compare to the prices or discounts proposed for the additional products.

- 12.8. **Discontinued Products.** If a product or groups of products covered by the Contract are discontinued by the manufacturer, Contractor shall notify State within five (5) business days after receiving the manufacturer's notification. State, at its discretion, may allow Contractor to provide substitutes for the discontinued products or delete the products from the scope of the Contract. The resulting change to the Contract will be formalized by Contract Amendment. Contractor shall then update all applicable pricing and make the pricing available to all affected entities at no additional cost. The parties shall negotiate in good faith a fair price for any substitute product, but State may elect to delete the products from the scope of the Contract if no agreement is reached on substitute pricing in a timely manner. When notifying State of any discontinuance, Contractor shall provide: (a) manufacturer's announcement or documentation stating that the products have been discontinued, with identification by model/part number; (b) documentation demonstrating that the substitute products meet or exceed the specifications for the discontinued products while remaining in the same product groups as were the discontinued ones; and (c) documentation demonstrating that the proposed price for the substitute products is both fair and reasonable and at the same level of discount relative to market price as were the discontinued ones.
- 12.9. **Forced Substitutes.** The Contractor shall not provide forced substitutions under the Contract; Contractor shall obtain State's prior written consent before making any discretionary substitution for any product covered by the Contract.
- 12.10. **Recalls.** In the event of a recall notice, technical service bulletin, or other important notification affecting a product offered under the Contract (collectively, "recalls" hereinafter), Contractor shall send timely notice to State for each applicable Order referencing the affected Order and product. Notwithstanding whatever protection Contractor might have under A.R.S. § 12-684, with respect to a manufacturer, Contractor shall handle recalls entirely and without obligation on State's part, other than to permit removal of installed products, retrieve stored products, and take any other reasonably necessary actions, to implement the recall.
- 12.11. **Delivery Time.** Unless stated otherwise in the Purchase Order, Contractor shall make delivery within two (2) business days after receiving each Order.

- 12.12. Delivery Locations. Contractor shall offer deliveries to every location served under the scope of the Contract, specifically
- 12.12.1. if the Contract is for a single State agency in a single area, then Contractor shall deliver to any agency location in that area;
  - 12.12.2. if the Contract is for a single State agency in all its locations, then Contractor shall deliver to any of that agency's location in Arizona;
  - 12.12.3. if the Contract is for cooperative use, but excludes certain areas, then Contractor shall deliver to any Eligible Agency or Co-Op Buyer location that is not in the excluded areas; and
  - 12.12.4. if the Contract is for unrestricted mandatory statewide and cooperative use, then:
    - 12.12.4.1. Contractor shall deliver to any Eligible Agency or Co-Op Buyer anywhere in Arizona;
    - 12.12.4.2. if a prospective Co-Op Buyer outside Arizona wishes to order against the Contract, Contractor agrees to negotiate in good faith any fair and reasonable price or lead time adjustments necessary to serve that location if practicable to do so within the scope of its normal business; and,
    - 12.12.4.3. if the Purchase Order indicates defined delivery areas and prices, those always apply unless the Order expressly states otherwise and Contractor accepts it.
- 12.13. Conditions at Delivery Location. Contractor shall verify receiving hours and conditions (e.g. height/weight restrictions, access control, etc.) with the relevant Eligible Agency or Co-Op Buyer for the receiving site before scheduling or making a delivery. Contractor shall make each delivery to the specific location indicated in the Order, which Contractor acknowledges might be inside an industrial building, institutional building, low-rise office building, or high-rise office building instead of a normal receiving dock. Contractor might be required to make deliveries to locations inside a secured perimeter at certain institutional facilities such as prisons where prior clearances are required for each delivery and driver individually. Contractor shall contact each such facility directly to confirm its most current security clearance procedures, allowable hours for deliveries, visitor dress code, and other applicable rules. State shall not pay extra charges for wait time, comebacks, or the like, nor excuse late deliveries if Contractor has failed to comply with this section.

- 12.14. Materials Acceptance. State has the right to accept Materials subject to a complete inspection on delivery and installation, if installation is Contractor's responsibility. State may require acceptance criteria, including, but not limited to, conformity to the Contract, workmanship, and quality under the Contract or for a specific Order. Contractor shall remove any rejected Materials from the delivery location, or from any area to which it might have been reasonably necessary to move it, and subsequently deliver an equal quantity of conforming items within a timeframe set by the Eligible Agency or Co-Op Buyer. State shall not owe Contractor any payment for rejected Materials, and State may, at its discretion, withhold or make partial payment for any rejected Materials that have been returned to Contractor in those instances where State has agreed to permit repair instead of demanding replacement.
- 12.15. Correcting Defects. Contractor shall, at no additional cost and without entitlement to extension of any delivery deadline or specified time for performance, remove or exchange and replace any defective or non-conforming delivered or installed Materials.
- 12.15.1. Contractor shall be solely responsible for the cost of any associated cutting and patching, temporary protection measures, packing and crating, hoisting and loading, transportation, unpacking, inspection, repacking, reshipping, and reinstallation if installation is within the scope of the Contract.
- 12.15.2. If Contractor fails to do so in a timely manner, State will be entitled to exercise its remedies under the Contract, including but not limited to, paragraph 8.5 [*Right of Offset*] of the Uniform Terms and Conditions.
- 12.15.3. Whether State will permit Contractor to repair in place or demands that Contractor remove and replace is at State's discretion in each instance, provided that, State shall not apply that discretion punitively if repair in place is practicable and doing so would not create safety hazards, put property at risk, unreasonably interfere with operations, create public nuisance, or give rise to any other reasonable concern on State's part.
- 12.16. Returns. State may, at its discretion, return for full credit and with no restocking charges, any delivered Materials unused in the original packaging within thirty (30) days after receipt, regardless of acceptance. If State elects to return delivered Materials, then State shall pay delivery costs to return the products to the place from which Contractor shipped them. However, if State returns delivered Materials because they are defective or non-conforming or for any other reason having to do with Contractor fault or error, then State will not be responsible for any costs associated with returning the Materials and may, at its discretion, either have those billed directly to Contractor, offset them under paragraph 8.5 [*Right of Offset*] of the Uniform Terms and Conditions, or take any other appropriate actions under the Contract.

- 12.17. Product Safety. Materials as-shipped must comply with applicable safety regulations and standards. Unless expressly stated otherwise in the Scope of Work, State is not responsible for making any Materials safe or compliant following acceptance. Contractor shall only deliver Materials that are already safe and compliant with the warranties in the Contract Terms and Conditions.
- 12.18. Hazardous Materials. Contractor shall timely provide State with any “Safety Data Sheets” (SDS) and any other hazard communication documentation required under the United States Department of Labor’s Occupational Safety and Health Administration (OSHA) “Hazard Communication Standard” (often referred to as the “HazCom 2012 Final Rule”) that is reasonably necessary for State to comply with regulations when it or its other contractors install, handle, operate, repair, maintain or remove any Materials. Note that, in the past, those documents might have been referred to as “Material Safety Data Sheets” or “Product Safety Data Sheets”, but State (and this Contract) use only the more up-to-date “SDS” reference. Contractor shall ensure that all its relevant personnel understand the nature of and hazards associated with, to the extent it they are Contractor’s responsibility under the Contract, the design, shipping, handling, delivery, installation, repair and maintenance of any portion of the Work that is, contains or will become upon use a hazardous material, with “hazardous material” being any material or substance that is: (1) identified now or in the future as being hazardous, toxic or dangerous under applicable laws; or (2) subject to statutory or regulatory requirement governing special handling, disposal or cleanup.
13. General Provisions for Services
- 13.1. Applicability. Article 13 applies to the extent the Work is or includes Services.
- 13.2. Comprehensive Services. Contractor shall provide the comprehensive range of Services for which a price is established in the Contract for ordering by Eligible Agencies and Co-Op Buyers.
- 13.3. Additional Services. State at its discretion may modify the scope of the Contract by Contract Amendment to include additional Services or service categories that are within the general scope of the ones originally covered by the Contract. Once the Contract Amendment is fully executed, Contractor shall then update all applicable pricing and make them available to all affected entities at no additional cost. Either party may make the request to add Services to the Contract; regardless of who makes the request, the parties shall negotiate in good faith a fair price for any additional Services, but State may elect not to add some or all of the Services in question if no agreement is reached on pricing in a timely manner. Contractor’s request or proposal in response to State’s request shall include documentation demonstrating that the proposed price for the additional Services is both fair and reasonable and comparable to the original prices.

- 13.4. Off-Contract Services. Contractor shall ensure that the ordering process for the Services prevents Orders for Services not included in the scope of the Contract (and for which no price or compensation has been established in the Contract) or Services explicitly excluded from the Contract. Notwithstanding that State might have its own internal administrative rules regarding off-contract or excluded ordering of Services, and endeavors to prevent such Orders from occurring, Contractor is responsible for not accepting any such Orders. State may, at its discretion, cancel any such Order without obligation.
- 13.5. Removal of Personnel. Notwithstanding that Contractor is in every circumstance responsible for hiring, assigning, directing, managing, training, disciplining, and rewarding its personnel, State may at its discretion, and without the obligation to demonstrate cause, instruct Contractor to remove any of its personnel from State's facilities or from further assignment under the Contract. In such cases, Contractor shall promptly replace removed personnel with other personnel that have equivalent qualifications, experience, and capabilities.
- 13.6. Accuracy of Work. Contractor is responsible for the accuracy of the Services, and shall promptly make all necessary revisions or corrections resulting from errors and omissions on its part without additional compensation. Acceptance by State shall not relieve Contractor of responsibility for correction of any errors discovered subsequently or necessary clarification of any ambiguities.
- 13.7. Requirements at Location of Services
- 13.7.1. Contractor personnel shall perform their assigned portions of the Services at the specific location indicated in the Order. Contractor acknowledges that the location might be inside an industrial building, institutional building, or one of various office types and classes.
- 13.7.2. If performing the Services requires Contractor personnel to work inside a secured perimeter at certain institutional facilities (including but not limited to prisons) where prior clearances are required, Contractor shall contact the facility directly in advance of performing the Services to confirm its current security clearance procedures, allowable hours for work, visitor dress code, and other applicable rules. State shall not pay any additional fees (including but not limited to service charges) or excuse late performance, if Contractor has failed to comply with these requirements.
- 13.8. Acceptance of Services. State has the right to accept Services subject to acceptance criteria. State may apply acceptance criteria to the Contract or a specific Order, which may include, but are not limited to, accuracy, completeness, conformance to requirements, or quality. State shall not pay Contractor for unaccepted Services, and State may, at its

discretion, withhold or make partial payment for any rejected Services, while Contractor is in the process of re-performing or otherwise curing the grounds for State's rejection.

13.9. Corrective Action Required. Notwithstanding any other guarantees, general warranties, or particular warranties Contractor has given under the Contract, and in addition to any other rights and remedies available under the Contract, if Contractor fails to perform any material portion of the Services including, but not limited to, failure to complete any contractual deliverable or failure to meet agreed-upon service levels or service standards set out in or referred to in the Contract, then Contractor shall perform a root-cause analysis to identify the source of the failure and use all commercially reasonable efforts to correct the failure and meet the Contract requirements as promptly as is practicable.

13.9.1. Contractor shall provide State a report detailing the identified cause and setting out its detailed corrective action plan promptly after the date the failure occurred (or the date when the failure first became apparent, if it was not apparent immediately after occurrence).

13.9.2. State may demand to review and approve Contractor's analysis and plans, and Contractor shall make any and all reasonable corrections State instructs and adopt State's recommendations, including any measures State determines to be necessary for employee or public safety, or the protection of property or the environment.

13.9.3. Contractor shall take the necessary action(s) to avoid any like failures in the future.

14. Data and Information Handling

14.1. Applicability. Article 14 applies to the extent the Work includes handling of any (1) State's proprietary and sensitive Data or (2) confidential or access-restricted information obtained from State or from others at State's behest.

14.2. Data Protection and Confidentiality of Information. Contractor warrants that it will establish and maintain procedures and controls acceptable to State for ensuring that State's proprietary and sensitive Data is protected from unauthorized access and information obtained from State or others in performance of its contractual duties is not mishandled, misused, or inappropriately released or disclosed. For purposes of this paragraph, all Data created by Contractor in any way related to the Contract, provided to Contractor by State, or prepared by others for State are proprietary to State, and all information by those same avenues is State's confidential information. To comply with the foregoing warrant:

14.2.1. Contractor shall provide the State and Eligible Agencies with a copy of its Disaster Recovery upon request. The Disaster Recovery plan shall outline the Contractor's actions, with timelines, in the event of a natural disaster, cyber-attack or loss of ability to operate and perform services under this contract.

- 14.2.2. Contractor shall: (a) notify State immediately of any unauthorized access or inappropriate disclosures, whether stemming from an external Data Breach, internal Data Breach, system failure, or procedural lapse within twenty-four (24) hours of a Data Breach, by sending an email to the Arizona Department of Homeland Security at [AZSOC@azdohs.gov](mailto:AZSOC@azdohs.gov), reporting the incident that occurred; (b) cooperate with State to identify the source or cause and respond to each unauthorized access or inappropriate disclosure; and (c) notify State promptly of any security threat that could result in unauthorized access or inappropriate disclosures; and

Contractor shall not: (a) release any such Data or allow it to be released or divulge any such information to anyone other than its employees or officers as needed for each person's individual performance of his or her duties under the Contract, unless State has agreed otherwise in advance and in writing; or (b) respond to any requests it receives from a third party for such Data or information, and instead route all such requests to State's designated representative.
- 14.3. Personally Identifiable Information. Without limiting the generality of paragraph 14.2, Contractor warrants that it will protect any personally identifiable information ("PII") belonging to State's employees or other contractors or members of the general public that it receives from State or otherwise acquires in its performance under the Contract. For purposes of this paragraph:
- 14.3.1. PII has the meaning given in the [federal] Office of Management and Budget (OMB) *Memorandum M-17-12 Preparing for and Responding to a Breach of Personally Identifiable Information, January 3, 2017*; and
- 14.3.2. "protect" means taking measures to safeguard personally identifiable information and prevent its Data Breach that are functionally equivalent to those called for in that OMB memorandum and elaborated on in the [federal] General Services Administration (GSA) *Directive CIO P 2180.1 GSA Rules of Behavior for Handling Personally Identifiable Information*.

14.4.1. is familiar with and will comply with the applicable aspects of the following collective regulatory requirements regarding patient information privacy protection: (a) the “Privacy Rule” in CFR 45 Part 160 and Part 164 pursuant to the Health Insurance Portability and Accountability Act (“HIPAA”) of 1996; (b) Arizona laws, rules, and regulations applicable to PHI/ePHI that are not preempted by CFR45-160(B) or the Employee Retirement Income Security Act of 1974 (“ERISA”) as amended; and (c) State’s current and published PHI/ePHI privacy and security policies and procedures;

15. Information Technology Work

15.1. Applicability. Article 15 applies to any Invitation for Bids, Request for Proposals, or Request for Quotations for "Information Technology," as defined In A.R.S. §18-101(6) “...all computerized and auxiliary automated information processing, telecommunications and related technology, including hardware, software, vendor support and related services, equipment and projects,” if and to the extent that the Work is or includes Information Technology.

15.2. Background Checks. Each Contractor's personnel who is an applicant for an information technology position must undergo the security clearance and background check procedure, which includes fingerprinting, as required by A.R.S. § 41-710, Eligible Agency, or Co-Op Buyer. Contractor shall obtain and pay for the security clearance and background check. Contractor personnel who will have administrator privileges on a State network must additionally provide identity and address verification and undergo State-specified training for unescorted access, confidentiality, privacy, and Data security

- 15.3.1. System Measures. Contractor shall employ appropriate system management and maintenance, fraud prevention and detection, and encryption application and tools to any systems or networks containing or transmitting State's proprietary Data or confidential information.
- 15.3.2. Individual Measures. Contractor personnel shall comply with applicable State policies and procedures regarding Data access, privacy, and security, including prohibitions on remote access and obtaining and maintaining access identifications (IDs) and passwords. Contractor shall, on request, provide a current register of the access IDs and passwords and corresponding access levels currently assigned to its personnel.

State may restrict access of Contractor personnel, or instruct Contractor to restrict their access, if in its determination the requirements of this subparagraph are not being met.
- 15.4. Pass-Through Indemnity
- 15.4.1. Indemnity from Third Party. For computer hardware or software included in the Work as discrete units that were manufactured or developed solely by a third party, Contractor may satisfy its indemnification obligations under the Contract by, to the extent permissible by law, passing through to State such indemnity as it receives from the third-party source (each a "Pass-Through Indemnity") and cooperating with State in enforcing that indemnity. If the third party fails to honor its Pass-Through Indemnity, or if a Pass-Through Indemnity is insufficient to indemnify State Indemnitees to the extent and degree, Contractor is required to do by the Uniform Terms and Conditions, then Contractor shall indemnify, defend and hold harmless State Indemnitees to the extent the Pass-Through Indemnity does not.
- 15.4.2. Notification of Claims. State shall notify Contractor promptly of any claim to which a Pass-Through Indemnity might apply. Contractor, with reasonable consultation from State, shall control of the defense of any action on any claim

to which a Pass-Through Indemnity applies, including negotiations for settlement or compromise, provided that:

- 15.4.2.1. State reserves the right to elect to participate in the action at its own expense;
  - 15.4.2.2. State reserves the right to approve or reject any settlement or compromise on reasonable grounds and if done so timely; and
  - 15.4.2.3. State shall in any case cooperate in the defense and any related settlement negotiations.
- 15.5. **Systems and Controls.** In consideration for State having agreed to permit Pass-Through Indemnities in lieu of direct indemnity, Contractor agrees to establish and keep in place systems and controls appropriate to ensure that State funds under this Contract are not knowingly used for the acquisition, operation, or maintenance of Materials or Services in violation of intellectual property laws or a third party's intellectual property rights.
- 15.6. **Redress of Infringement**
- 15.6.1. **Replace, License, or Modify.** If Contractor becomes aware that any Materials or Services infringe, or are likely to be infringing, on any third party's intellectual property rights, then Contractor shall, at its sole cost and expense and in consultation with State, either:
    - 15.6.1.1. replace any infringing items with non-infringing ones;
    - 15.6.1.2. obtain for State the right to continue using the infringing items; or
    - 15.6.1.3. modify the infringing items so that they become non-infringing, so long as they continue to function as specified following the modification.
  - 15.6.2. **Cancellation Option.** In every case under 15.6.1, if none of those options can reasonably be accomplished, or if the continued use of the infringing items is impracticable, State may cancel the relevant Order or terminate the Contract, and Contractor shall take back the infringing items. If State does cancel the Order or terminate the Contract, Contractor shall refund to State:
    - 15.6.2.1. for any software created for State under the Contract, the amount State paid to Contractor for creating it;
    - 15.6.2.2. for all other Materials, the net book value of the product provided according to generally accepted accounting principles; and
    - 15.6.2.3. for Services, the amount paid by State or an amount equal to twelve (12) months of charges, whichever is less.

15.6.3. Exceptions. Contractor will not be liable for any claim of infringement based solely on any of the following by a State Indemnitee:

15.6.3.1. modification or use of Materials other than as contemplated by the Contract or expressly authorized or proposed by a Contractor Indemnitor;

15.6.3.2. operation of Materials with any operating software other than that supplied by Contractor or authorized or proposed by a Contractor Indemnitor; or

15.6.3.3. combination or use with other products in a manner not contemplated by the Contract or expressly authorized or proposed by a Contractor Indemnitor.

15.7. First Party Liability Limitation

15.7.1. Limit. Subject to the provisos that follow below and unless stated otherwise in the Special Terms and Conditions, State's and Contractor's respective first party liability arising from or related to the Contract is limited to the greater of \$1,000,000 (one million dollars) or three (3) times the purchase price of the specific Materials or Services giving rise to the claim.

15.7.2. Provisos. This paragraph limits liability for first party direct, indirect, incidental, special, punitive, and consequential damages relating to the Work regardless of the legal theory under which the liability is asserted. This paragraph does not limit liability arising from any:

15.7.2.1. Indemnified Claim against which Contractor has indemnified State Indemnitees under paragraph 6.2;

15.7.2.2. claim against which Contractor has indemnified State Indemnitees under paragraph 6.3; or

15.7.2.3. provision of the Contract calling for liquidated damages or specifying amounts or percentages as being at-risk or subject to deduction for performance deficiencies.

15.7.3. Purchase Price Determination. If the Contract is for a single-agency and a single Order (or if no Order applies), then "purchase price" in Subparagraph 15.7.1 above means the aggregate Contract price current at the time of Contract expiration or earlier termination, including all Contract Amendments having an effect on the aggregate price through that date. In all other cases, "purchase price" above means the total price of the Order for the specific equipment, software, or services giving rise to the claim, and therefore a separate limit will apply to each Order.

Where inspection, testing, or other acceptance assessment of Materials or Services cannot be done until after installation or invoicing, the forgoing warranty will not begin until State's explicit acceptance of the Materials or Services.
- 7.4. Inspection/Testing. The warranties set forth in this Section 7 [Warranties] are not affected by inspection or testing of or payment for the Materials or Services by the State.
- 7.5. Contractor Personnel. - 7.7. Intellectual Property. Contractor warrants that the Materials and Services do not and will not infringe or violate any patent, trademark, copyright, trade secret, or other intellectual property rights or laws, except only to the extent the Specifications do not permit use of any other product and Contractor is not and cannot reasonably be expected to be aware of the infringement or violation.

7.10.3. A request from the State related to this paragraph 7.10 does not necessarily indicate that there has been an occurrence of force majeure, and the Contractor will not be entitled to any additional compensation or extension of time by virtue of having to implement a plan.

7.10.4. Failure to have or implement an appropriate plan will be a material breach of contract.

7.11. Lobbying
