

Glendale Code Compliance City Code Revisions

City Council Workshop March 25, 2025

City Code Revisions

We are seeking City Council
consensus to revise Glendale City
Codes

Code Inspector Safety

GCC 25-36 (g)

It shall be unlawful for any person to willfully interfere with, hinder, or obstruct enforcement personnel in the discharge of their duties.

Court Order Abatement

Currently:

GCC 25-42 (a)

In addition to any other abatement procedure provided in this chapter, the city manager or designee or the city prosecutor, in the name of the City of Glendale, may apply to the municipal court for an order permitting the city to abate any condition that constitutes a violation of [chapter 25](#).

Court Order Abatement

Proposed:

GCC 25-42 (a)

In addition to any other abatement procedure provided in ~~this chapter~~ *Glendale City Code*, the city manager or designee or the city prosecutor, in the name of the City of Glendale, may apply to the municipal court for an order permitting the city to abate any condition that constitutes a violation of ~~chapter 25~~. *any section of Glendale City Code.*

Parking/Storing Construction Related Equipment

Proposed:

24-68 (e) *(9)*

The parking or storage of construction related equipment, such as dump trucks, flatbed hauling trailers, cement mixers, ditch diggers, etc., shall be prohibited in a residential district. The only exception to this regulation would be when on-site construction is being performed by such equipment.
