WHEREAS, Property Owner, Participant, and the Board recognize the architectural, historic, archaeological and/or cultural values and significance of the Property, and have the common purpose of conserving and preserving those values and significance;

WHEREAS, the grant of a preservation and conservation easement on the Property by Property Owner to the Board will assist in preserving and maintaining the Property and its architectural, historic, archaeological, and/or cultural features for the benefit of the people of the State of Arizona and the United States of America;

WHEREAS, to that end, Property Owner desires to grant, and the Board desires to accept a preservation and conservation easement on the Property (the "Easement") for the period of 30 years starting on the effective date (the "Term of Public Use") which shall run with the land and be binding upon Property Owner's successors and assigns.

THEREFORE, in consideration of the sum of \$135,598.00 that Participant received as grant assistance through the Board from the Arizona State Parks Heritage Fund to be used to improve the Property, Property Owner does voluntarily grant and convey to the Board the Easement for the Term of Public Use.

I. PURPOSE

The purpose of the Easement is to assure that the architectural, historic, archaeological and/or cultural features of the Property will be retained and maintained for the Term of Public Use, to prevent any use or change of the Property that will significantly impair or interfere with the Property's architectural, historic, and/or cultural values and significance, and to provide public access.

II. PROPERTY OWNER AND PARTICIPANT'S COVENANTS

During the Term of Public Use:

A. B. The Property Owner agrees that no visual or structural alterations will be made on the property during the term of this Easement without prior written permission of the Participant.

C. The Property Owner agrees that the Participant or Board, and their agents or designees, shall have the right to inspect the Property at all reasonable times in order to ascertain whether or not the conditions of this Easement are being observed.

D. The Property Owner agrees that when the Property is not clearly visible from a public right-of-way or includes interior work funded with Arizona Heritage Fund grants, the property will be open to the public for the purpose of viewing the grant-funded work no less than 12 days a year and at other times by appointment. The Property Owner may charge a reasonable, non-discriminatory admission fee, comparable to fees charged at similar facilities in the area. Notice of the time and dates when the facility will be open must be published in newspapers of general circulation in the community in which the Property is located at least once per year. Property Owner must keep documentation of the notice publications, which will be available for inspection by the Participant or Board or their agents or designees during the Term of Public Use.

E. In the event that Property Owner breaches any of the terms of this Easement, Property Owner agrees to reimburse the Participant and/or the Board the amount of the grant plus all fees and expenses incurred in connection with the enforcement of the Easement, including but not limited to court costs, expert and attorney's fees, and interest.

F. Property Owner agrees to indemnify, release and hold harmless the Board, its employees, officers, agents and assignees from any costs, claims, damages, reimbursements, or payments related to this Easement. Property Owner additionally agrees that the Board, its employees, officers, agents and assignees have no obligation for maintaining, repairing, or administering the Property or the Easement.

G. Property Owner agrees to provide timely notice to the Board of the sale or transfer of the property, and to provide the new owner or occupant with a copy of this Easement.
