No Reservations/No Objection

SUBJECT: Letter of No Objection for Encroachment of the rear yard PUE for the purpose of creating a shade structure on an existing concrete slab.

To Whom It May Concern:

Qwest Corporation. d/b/a CENTURYLINK QC ("CenturyLink") has reviewed the request for a letter of no objection to the encroachment described above and has determined that it has no reservations with respect to the areas proposed for abandonment as shown and/or described on Exhibit "A", said Exhibit "A" attached hereto and incorporated by this reference.

Lumen may have active facilities located close to the project limits (buried cable). Lumen facilities are not affected by the existing concrete slab.

In the event Lumen facilities need to be removed, all associated costs will be at the expense of the sponsoring agency/owner.

This Letter of No Objections response is submitted WITH THE STIPULATION that if CenturyLink facilities are found and/or damaged within the vacated area as described, the Applicant will bear the cost of relocation and repair of said facilities.

If you have any questions please contact Jody Butte, 814-599-0114 jody.butte@lumen.com.

Sincerely yours,

Jody K. Butte

RE: **Encroachment** Pace West Public Utility Easement

Dear Mrs. Sprugasci:

Salt River Project has no objection to the encroachment of the already built shade structure and concrete slab within the Pace West subdivision 8' Public Utility Easement at 8606 N. 56th Drive with the following conditions. The owner is advised if any maintenance is required for the direct buried service conductor wires within the easement. Salt River Project will not be responsible for any damages to the concrete foundation or shade structure. The owner will take full responsibility for the repair cost.

If you have any questions or need further information, please contact me at 602-236-3116.

Sincerely,

Michael Laguna
