PROJECT NARRATIVE LETTER

This is Donald and Michelle Kramer.

This letter is required by the planning / development services department of the city of Glendale.

I am requesting a variance to reduce the front building setback from a 15” to 10” to build a livable addition on the home.

A single-story family dwelling, the small addition will be on the front of the house.

All city codes, requirements, and inspections will be adhered to. Project timing will depend on material and

And inspections will be adhered to. Project timing will depend on material and Contractor availability.

Thank you for your time and consideration
