Bidders/proposers may be required to pass multiple background checks (e.g. Sheriff's Office, County Attorney's Office, Courts, as well as Maricopa County general government) to determine if the respondent is acceptable to do business with the County. This applies to, but is not limited to, the company, subcontractors, and employees.

The contractor is required to discuss remittance delivery capabilities with their designated financial institution for access to those details.

3.24 APPLICABLE TAXES

3.24.1 It is the responsibility of the contractor to determine any and all applicable taxes and include those taxes in their proposal. The legal liability to remit the tax is on the entity conducting business in Arizona. Tax is not a determining factor in contract award.

3.24.2 The County will look at the price or offer submitted and will not deduct, add, or alter pricing based on speculation or application of any taxes, nor will the County provide contractor any advice or guidance regarding taxes. If you have questions regarding your tax liability, seek advice from a tax professional prior to submitting your bid. You may also find information at <https://www.azdor.gov/Business.aspx>. Once your bid is submitted, the offer is valid for the time specified in this solicitation, regardless of mistake or omission of tax liability. If the County finds overpayment of a project due to tax consideration that was not due, the contractor shall be liable to the County for that amount, and by contracting with the County agrees to remit any overpayments back to the County for miscalculations on taxes included in a bid price.

3.24.3 Tax Indemnification: Contractor and all subcontractors shall pay all Federal, state, and local taxes applicable to their operation and any persons employed by the contractor. Contractor shall, and require all subcontractors to, hold Maricopa County harmless from any responsibility for taxes, damages, and interest, if applicable, contributions required under Federal and/or state and local laws and regulations, and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security, and Workers' Compensation. Contractor may be required to establish, to the satisfaction of County, that any and all fees and taxes due to municipality or the State of Arizona

for any license or transaction privilege taxes, use taxes, or similar excise taxes are currently paid (except for matters under legal protest).

3.25 POST AWARD MEETING

The contractor may be required to attend a post-award meeting with the department to discuss the terms and conditions of this contract. This meeting will be coordinated by the procurement officer of the contract.

3.26 STRATEGIC ALLIANCE for VOLUME EXPENDITURES (SAVE)

The County is a member of the SAVE cooperative purchasing group. SAVE includes the State of Arizona, many Phoenix metropolitan area municipalities, and many K-12 unified school districts. Under the SAVE Cooperative Purchasing Agreement, and with the concurrence of the successful respondent under this solicitation, a member of SAVE may access a contract resulting from a solicitation issued by the County. If contractor does not want to grant such access to a member of SAVE, state so in the bid. In the absence of a statement to the contrary, the County will assume that contractor does wish to grant access to any contract that may result from this bid. The County assumes no responsibility for any purchases by using entities.

3.27 INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENTS (ICPAs)

County currently holds ICPAs with numerous governmental entities. These agreements allow those entities, with the approval of the contractor, to purchase their requirements under the terms and conditions of the County contract. It is the responsibility of the non-County government entity to perform its own due diligence on the acceptability of the contract under its applicable procurement rules, processes, and procedures. Certain governmental agencies may not require an ICPA and may utilize this contract if it meets their individual requirements. Other governmental agencies may enter into a separate Statement of Work with the contractor to meet their own requirements. The County is not a party to any uses of this contract by other governmental entities.

4.0 CONTRACTUAL TERMS & CONDITIONS

4.1 CONTRACT TERM

This Invitation for Bids is for awarding a firm, fixed price purchasing contract to cover a term of one year.

4.2 OPTION TO RENEW

The County may, at its option and with the concurrence of the contractor, renew the term of this contract up to a maximum of four additional years, (or at the County's sole discretion, extend the contract on a month-to-month basis for a maximum of six months after expiration). The contractor shall be notified in writing by the Office of Procurement Services of the County's intention to renew the contract term at least 60 calendar days prior to the expiration of the original contract term.

4.3 CONTRACT COMPLETION

In preparation for contract completion, the contractor shall make all reasonable efforts for an orderly transition of its duties and responsibilities to another provider and/or to the County. This may include, but is not limited to, preparation of a transition plan and cooperation with the County or other providers in the transition. The transition includes the transfer of all records and other data in the possession, custody, or control of the contractor that are required to be provided to the County either by the terms of this agreement or as a matter of law. The provisions of this clause shall survive the expiration or termination of this agreement.

4.4 PRICE ADJUSTMENTS

- 4.4.1 Any requests for reasonable price adjustments must be submitted 60 calendar days prior to the contract expiration. Requests for adjustment in cost of labor and/or materials must be supported by appropriate documentation. The reasonableness of the request will be determined by comparing the request with the Consumer Price Index or by performing a market survey. If County agrees to the adjusted price terms, County will issue written approval of the change and provide an updated version of the contract. The new change shall not be in effect until the date stipulated on the updated version of the contract.
- 4.4.2 In the event any price increase is requested as the result of any tariff that becomes effective during the performance of this contract, the County may adjust the price based on a request from the contractor that documents the additional price increase. If, during the performance of this contract, any tariff-related price increase is subsequently reduced or eliminated, the vendor shall notify the County of the decrease and shall apply it accordingly for remaining term of the contract. If the County finds over payment of a project due to tariff reduction that was not due, the contractor will be liable to the County for that amount, and by contracting with the County agrees to remit any overpayments back to the County for miscalculations on increases due to tariffs included in a bid price.

4.5 INDEMNIFICATION

To the fullest extent permitted by law, and to the extent that claims, damages, losses, or expenses are not covered and paid by insurance purchased by the contractor, the contractor shall defend, indemnify, and hold harmless the County (as Owner), its agents, representatives, officers, directors, officials, and employees from and against all claims, damages, losses, and expenses (including, but not limited to attorneys' fees, court costs, expert witness fees, and the costs and attorneys' fees for appellate proceedings) arising out of, or alleged to have resulted from, the negligent acts, errors, omissions, or mistakes of the contractor, a subcontractor, anyone directly or indirectly employed by them, or anyone for whose acts they may be liable relating to the performance of this contract.

- 4.5.1 Contractor's duty to defend, indemnify, and hold harmless the County, its agents, representatives, officers, directors, officials, and employees shall arise in connection with any claim, damage, loss, or expense that is attributable to bodily injury, sickness, disease, death, or injury to, impairment of, or destruction of tangible property, including loss of use resulting therefrom, caused by negligent acts, errors, omissions, or mistakes in the performance of this contract, but only to the extent caused by the negligent acts or omissions of the contractor, a subcontractor, anyone directly or indirectly employed by them, or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss, or expense is caused in part by a party indemnified hereunder.
- 4.5.2 The amount and type of insurance coverage requirements set forth herein will in no way be construed as limiting the scope of the indemnity in this section.
- 4.5.3 The scope of this indemnification does not extend to the sole negligence of County.

4.6 INSURANCE

- 4.6.3 In the event that the insurance required is written on a claims-made basis, contractor warrants that any retroactive date under the policy shall precede the effective date of this contract and either continuous coverage will be maintained, or an extended discovery period will be exercised for a period of two years beginning at the time work under this contract is completed.
- 4.6.4 Contractor's insurance will be primary insurance as respects County, and any insurance or self-insurance maintained by County will not contribute to it.
- 4.6.5 Any failure to comply with the claim reporting provisions of the insurance policies or any breach of an insurance policy warranty shall not affect the County's right to coverage afforded under the insurance policies.
- 4.6.6 The insurance policies may provide coverage that contains deductibles or self-insured retentions. Such deductibles and/or self-insured retentions shall not be applicable with respect to the coverage provided to County under such policies. Contractor shall be solely responsible for the deductible and/or self-insured retention and County, at its option, may require contractor to secure payment of such deductibles or self-insured retentions by a surety bond or an irrevocable and unconditional letter of credit.

There shall be no endorsement or modifications of the CGL limiting the scope of coverage for liability arising from explosion, collapse, or underground property damage.

4.6.9.2 Automobile Liability

Commercial/Business Automobile Liability insurance with a combined single limit for bodily injury and property damage of not less than \$2,000,000 each occurrence with respect to any of the contractor's owned, hired, and non-owned vehicles assigned to or used in performance of the contractor's work or services or use or maintenance of the premises under this contract.
