Re: Letter of Support for Holy Smoke Shop (67th Ave & Greenway)

To Whom It May Concern,

My name is Summer Palmer, and I am an employed executive professional and a tax-paying resident of Glendale, Arizona, where I have lived for many years. I am writing to express my strong opposition to the City's efforts to revoke the business permit for Holy Smoke Shop, located at 67th Avenue and Greenway.

The primary reason I frequent Holy Smoke Shop is safety. Unlike many other similar businesses in the area, this establishment maintains a consistently clean, well-kept, and comfortable environment. While patronizing other nearby shops I often experienced unsavory individuals loitering around the premises, asking me for money-creating an environment that feels unsafe and unwelcoming. Holy Smoke Shop stands out as a business that prioritizes the wellbeing and security of its customers.

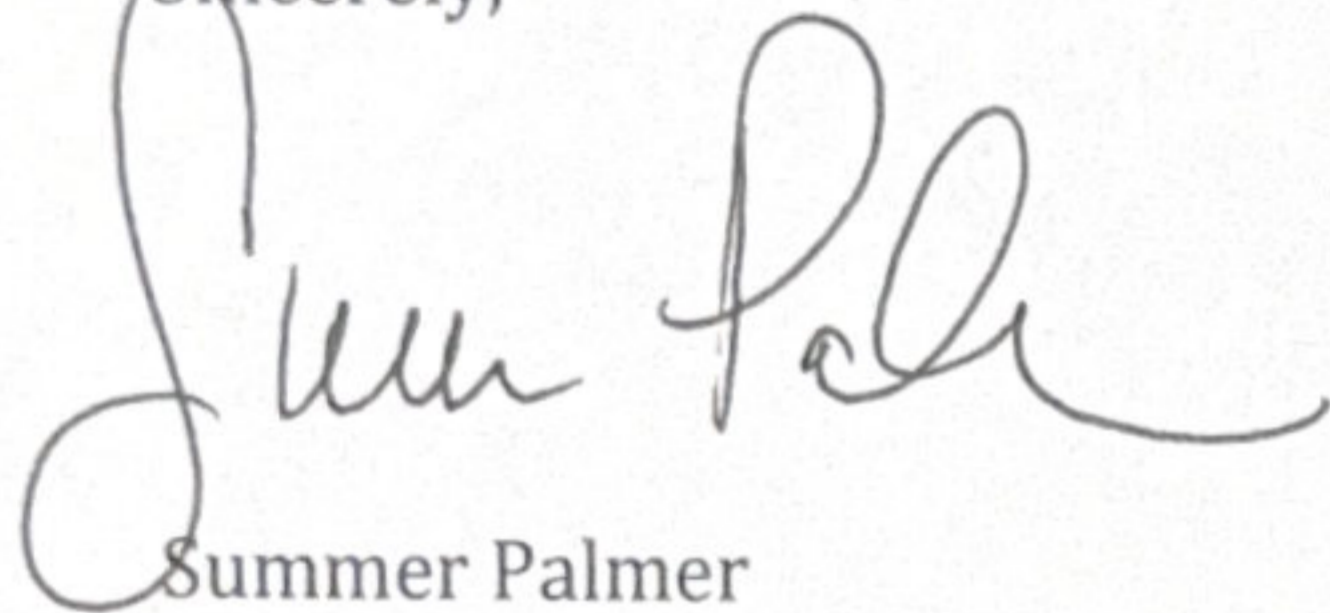

In addition to safety, Holy Smoke Shop offers exceptional customer service and high-quality products. The owners and employees are professional, respectful, and committed to maintaining a positive presence in the community. Their commitment to operating responsibly and ethically is evident in the way they run their business every day.

Revoking their permit would unfairly penalize a business that contributes positively to the neighborhood while leaving behind others that create the very concerns residents wish to avoid. Holy Smoke Shop is an asset to our community, and its continued operation directly benefits people like myself who rely on safe, responsible local businesses.

For these reasons, I strongly urge the City of Glendale to reconsider its decision and allow Holy Smoke Shop to remain open and serving our neighborhood.

Thank you for your time and consideration. I have included my contact information above if you wish to discuss this with me further.

Sincerely,

A handwritten signature in cursive script that reads "Summer Palmer". The signature is written in black ink and is positioned below the word "Sincerely,".

Summer Palmer
