Dear Goodyear City Council,

The American Heart Association is focused on raising funds for groundbreaking research, providing educational resources for our community in Greater Phoenix who are suffering from high blood pressure and fighting for access to healthy food and quality care.

With our Inaugural West Valley Heart Walk approaching on December 2, 2023, I am writing on behalf of the AHA requesting charitable in-kind donations in the form of fire department resources, police department resources, as well as parks and recreation resources. In addition, water resources are needed for the northern dirt lot.

Together, we are a relentless force for a world of longer, healthier lives. The new annual West Valley Heart Walk embodies healthy eating, education, exercise, and an overall healthy lifestyle. Your charitable in-kind donation would play an invaluable role in ensuring the success and impact of this important fundraising event.

I kindly invite you to be a part of this transformative event and join hands with us in making a lasting impact. For any inquiries or further information, please don't hesitate to reach out to Erin Trauntvein at erin.trauntvein@heart.org.

Thank you for considering our request for an in-kind contribution. Together, we can make a tangible difference in the lives of those we serve.

Sincerely,

Debra Wilson-Straziscar
Executive Director
American Heart Association
Greater Phoenix Division
