City of Goodyear, Arizona  
1900 North Civic Square  
Goodyear, Arizona 85395

Ladies and Gentlemen:

The undersigned Stifel, Nicolaus & Company, Incorporated (the “Underwriter”) hereby offers to enter into this Bond Purchase Agreement (this “Purchase Agreement”) with the City of Goodyear, Arizona (the “Issuer”), a municipal corporation duly organized and validly existing under and pursuant to the laws of the State of Arizona (the “State” or “Arizona”), whereby the Underwriter will purchase and the Issuer will sell the Bonds (as defined herein). The Underwriter is making this offer subject to the acceptance by the Issuer at or before 11:59 P.M., Arizona Time, on the date hereof. If the Issuer accepts this Purchase Agreement, this Purchase Agreement shall be in full force and effect in accordance with its terms and shall bind both the Issuer and the Underwriter. The Underwriter may withdraw this Purchase Agreement upon written notice delivered by the Underwriter to the Issuer at any time before the Issuer accepts this Purchase Agreement.

1. PURCHASE AND SALE.

(a) Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the Issuer, and the Issuer hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of the \$ \_\_\_\_,000 aggregate principal amount of “City of Goodyear, Arizona General Obligation Bonds, Series 2026” (the “Bonds”), at the purchase price of \$ \_\_\_\_\_, representing the aggregate principal amount of the Bonds less an Underwriter’s discount of \$ \_\_\_\_\_ plus [net] original issue premium of \$ \_\_\_\_\_. The Underwriter intends to make an initial bona fide public offering of the Bonds at a price or prices (or at a yield or yields) described in the Schedule attached hereto; provided, however, the Underwriter reserves the right to change such initial public offering prices (or yields) as the Underwriter deems necessary or desirable, in its sole discretion, in connection with the marketing of the Bonds (but in all cases subject to the

requirements of Section 4 hereof), and may offer and sell the Bonds to certain dealers, unit investment trusts and money market funds, certain of which may be sponsored or managed by the Underwriter at prices lower than the public offering prices (or yields greater than the yields) set forth therein (but in all cases subject to the requirements of Section 4 hereof).

(b) The Issuer acknowledges and agrees that with respect to the transaction contemplated hereby: (i) the Underwriter is not acting as a municipal advisor within the meaning of Section 15B of the Securities Exchange Act of 1934, as amended (the “Exchange Act”); (ii) the primary role of the Underwriter, as underwriter, is to purchase securities, for resale to investors, in an arm’s length commercial transaction between the Issuer and the Underwriter and the Underwriter has financial and other interests that differ from those of the Issuer; (iii) the Underwriter is acting solely as a principal and is not acting as a municipal advisor, financial advisor or fiduciary to the Issuer and has not assumed any advisory or fiduciary responsibility to the Issuer (irrespective of whether the Underwriter has provided other services or is currently providing other services to the Issuer on other matters); (iv) the only obligations the Underwriter has to the Issuer expressly are set forth in this Purchase Agreement; and (v) the Issuer has consulted its own financial and/or municipal, legal, accounting, tax and other advisors, as applicable, to the extent it has deemed appropriate.

## 2. DESCRIPTION AND PURPOSE OF THE BONDS.

(a) The Bonds have been authorized pursuant to Title 35, Chapter 3, Article 3, Arizona Revised Statutes and the Arizona Constitution (collectively, the “Act”) and Resolution No. 2026-\_\_\_ adopted by the Mayor and Council of the Issuer on June 22, 2026 (the “Bond Resolution”). The Bonds shall be dated the date of delivery. Interest on the Bonds shall be payable semiannually on each July 1 and January 1 during the term of the Bonds, commencing on January 1, 2027. The Bonds shall be issued and secured under and pursuant to the Bond Resolution.

(b) The proceeds of the sale of the Bonds will be used to (i) pay the costs of the projects described in the Official Statement (as defined herein), and (ii) pay certain costs of issuance associated with the Bonds.

(c) The Bonds will be secured under the provisions of the Act and the Bond Resolution. The Bonds shall mature in the years, bear interest, produce the yields or prices and be subject to redemption at the times and in the amounts, all as set forth in the Schedule attached hereto. The record dates, interest payment dates and other details and particulars of the Bonds shall be as described in the Official Statement.

## 3. DELIVERY OF THE OFFICIAL STATEMENT AND OTHER DOCUMENTS.

(a) The Issuer has approved and delivered or caused to be delivered to the Underwriter copies of the Preliminary Official Statement, dated June \_\_, 2026, which, including the cover page, the inside front cover page and all appendices thereto, is herein referred to as the “Preliminary Official Statement.” It is acknowledged by the Issuer that the Underwriter may deliver the Preliminary Official Statement and a final Official Statement (as defined herein) electronically over the internet and in printed paper form. The Issuer deems the Preliminary Official Statement final as of its date and as of the date hereof for purposes of Rule 15c2-12

promulgated under the Exchange Act (“Rule 15c2-12”), except for any information which is permitted to be omitted therefrom in accordance with paragraph (b)(1) of Rule 15c2-12.

(b) Within seven (7) business days from the date hereof, and in any event not later than the Closing Date (as defined herein), the Issuer shall deliver to the Underwriter a final Official Statement relating to the Bonds dated the date hereof (such Official Statement, including the cover page, the inside front cover page and all appendices attached thereto, together with all information previously permitted to have been omitted by Rule 15c2-12 and any amendments or supplements and statements incorporated by reference therein or attached thereto, as have been approved by the Issuer, Bond Counsel (as defined herein) and the Underwriter, is referred to herein as the “Official Statement”) and such additional conformed copies thereof as the Underwriter may reasonably request in sufficient quantities to comply with Rule 15c2-12, rules of the Municipal Securities Rulemaking Board (the “MSRB”) and to meet potential customer requests for copies of the Official Statement. The Underwriter agrees to file a copy of the Official Statement, including any amendments or supplements thereto prepared by the Issuer, with the MSRB on its Electronic Municipal Market Access system, if required by MSRB Rule G-32. The Official Statement shall be executed by and on behalf of the Issuer by an authorized officer of the Issuer. The Official Statement shall be in substantially the same form as the Preliminary Official Statement and any supplements to the Preliminary Official Statement and, other than information previously permitted to have been omitted by Rule 15c2-12, the Issuer shall only make such other additions, deletions and revisions in the Official Statement which are approved by the Underwriter. The Issuer hereby agrees to deliver to the Underwriter an electronic copy of the Official Statement in a form that permits the Underwriter to satisfy its obligations under the rules and regulations of the MSRB and the U.S. Securities and Exchange Commission (the “SEC”) including in a word-searchable portable document format (“pdf”) including any amendments thereto. The Issuer hereby ratifies, confirms and consents to and approves the use and distribution by the Underwriter before the date hereof of the Preliminary Official Statement and hereby authorizes and consents to the use by the Underwriter of the Official Statement in connection with the public offering and sale of the Bonds.

(c) In order to assist the Underwriter in complying with Rule 15c2-12, the Issuer will undertake, pursuant to the Continuing Disclosure Certificate, to be dated the Closing Date (the “Undertaking”), of the Issuer, to provide annual financial information and notices of the occurrence of specified events. A description of the Undertaking is set forth in, and a form of such undertaking is attached as APPENDIX F - “Form of Continuing Disclosure Certificate” to, the Preliminary Official Statement and the Official Statement.

#### 4. ESTABLISHMENT OF ISSUE PRICE.

(a) The Underwriter agrees to assist the Issuer in establishing the issue price of the Bonds and shall execute and deliver to the Issuer at Closing (as defined herein) an “issue price” or similar certificate, substantially in the form of the Exhibit attached hereto, together with the supporting pricing wires or equivalent communications, with such modifications as may be deemed appropriate or necessary, in the reasonable judgment of the Underwriter, the Issuer and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(b) [Except for the maturities set forth in the Schedule attached hereto,] the Issuer represents that it will treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the Issuer the price or prices at which the Underwriter has sold to the public each maturity of Bonds. [If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the Issuer the prices at which Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) all Bonds of that maturity have been sold or (ii) the 10% test has been satisfied as to the Bonds of that maturity, provided that, the Underwriter’s reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, the Issuer or Bond Counsel.] For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

[(c) The Underwriter confirms that the Underwriter has offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the Schedule attached hereto, except as otherwise set forth therein. The Schedule attached hereto also sets forth, as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the 10% Test has not been satisfied and for which the Issuer and the Underwriter agrees that the restrictions set forth in the next sentence shall apply, which will allow the Issuer to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or
- (ii) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.]

The Underwriter will advise the Issuer promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

[(c)][(d)] The Underwriter confirms that:

- (i) any selling group agreement and each third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

- (A) (i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% Test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter,
  - (B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and
  - (C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.
- (ii) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% Test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or dealer and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

[(d)][(e)] The Issuer acknowledges that, in making the representations set forth in this Section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such

agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the third-party distribution agreement and the related pricing wires. The Issuer further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

[(e)][(f)] The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

- (i) “public” means any person other than an underwriter or a related party to an underwriter,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),
- (iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) “sale date” means the date of execution of this Purchase Agreement by all parties.

[[f)/(g)] Notwithstanding anything herein to the contrary, any reporting obligation with respect to maturities subject to the hold-the-offering-price rule will terminate at the end of

the Holding Period (as defined in the form of Issue Price Certificate attached as the Exhibit hereto) even if such date is prior to the Closing Date.]

5. ISSUER'S REPRESENTATIONS. The Issuer represents to and agrees with the Underwriter that:

(a) The Issuer is duly organized and validly existing, with full legal right, power and authority to issue, sell and deliver the Bonds to the Underwriter pursuant to the Bond Resolution and the Act, to levy, collect and receive *ad valorem* property taxes and make a pledge of such taxes for the payment of debt service on the Bonds, and to execute, deliver and perform its obligations, as the case may be, under this Purchase Agreement, the Undertaking, the Bond Registrar, Transfer Agent, Paying Agent and Depository Contract with respect to the Bonds, to be dated as of July 1, 2026 (the "Bond Registrar and Paying Agent Agreement"), by and between the Issuer and U.S. Bank Trust Company, National Association (the "Paying Agent"), as such agent (collectively, the "Issuer Documents"), and the Bonds, and to perform and consummate all obligations and transactions required or contemplated by each of the Issuer Documents and the Official Statement.

(b) The Bond Resolution approving and authorizing the execution and delivery by the Issuer of the Issuer Documents and the offering, sale and issuance of the Bonds upon the terms set forth herein and in the Official Statement, was duly adopted at a meeting of the Mayor and Council of the Issuer called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout, and is in full force and effect and has not been amended or repealed.

(c) The Bonds conform to the description thereof contained in the Preliminary Official Statement and the Official Statement, and the Bonds, when duly issued and authenticated in accordance with the Bond Resolution and delivered to the Underwriter as provided herein, will be validly issued and outstanding obligations of the Issuer, entitled to the benefits of the Bond Resolution and payable from the sources therein specified.

(d) The Issuer has executed and delivered, or will execute and deliver on or before the Closing Date, each of the Issuer Documents. Each of the Issuer Documents constitutes, or will, as of the Closing Date, constitute, a legal, valid and binding obligation of the Issuer enforceable in accordance with its terms, except as the enforceability thereof may be limited by application of bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally from time to time in effect and from the application of general principles of equity and from public policy limitations on the exercise of any rights to indemnification and contribution (collectively, "Creditors' Rights Laws"). Each of the Issuer Documents has been executed and delivered, or will be executed and delivered on or before the Closing Date, by each respective signatory and is currently in full force and effect or, as of the Closing Date, will be in full force and effect.

(e) The Issuer is not in any material respect in breach of or default under any constitutional provision, law or administrative regulation of the State or of the United States or any agency or instrumentality of either, or of any other governmental agency, or any Material Judgment or Agreement (as defined herein), and no event has occurred and is continuing which

with the passage of time or the giving of notice, or both, would constitute a default or event of default under any Material Judgment or Agreement; and the adoption of the Bond Resolution, the sale, issuance and delivery of the Bonds and the execution and delivery of the Issuer Documents and compliance with and performance of the Issuer's obligations therein and herein will not in any material respect conflict with, violate or result in a breach of or constitute a default under, any such constitutional provision, law, administrative regulation or any Material Judgment or Agreement, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Issuer (except as described in or contemplated by the Issuer Documents and the Official Statement) or under the terms of any such law, administrative regulation or Material Judgment or Agreement. As used herein, the term "Material Judgment or Agreement" means any judgment or decree or any loan agreement, indenture, bond, note or resolution or any material agreement or other instrument to which the Issuer is a party or to which the Issuer or any of its property or assets is otherwise subject (including, without limitation, the Act, the Bond Resolution and the Issuer Documents).

(f) All approvals, consents and orders of any governmental authority, board, agency, council, commission or other body having jurisdiction (including with respect to the requirements of Section 35-501(B), Arizona Revised Statutes) which would constitute a condition precedent to, or the absence of which would materially adversely affect, the performance by the Issuer of its obligations hereunder and under the Issuer Documents have been obtained; provided, that the Issuer makes no representations as to any approvals, consents or other actions which may be necessary to qualify the Bonds for offer and sale under Blue Sky or other state securities laws or regulations.

(g) Any certificates executed by any officer of the Issuer and delivered to the Underwriter pursuant hereto or in connection herewith shall be deemed a representation and warranty of the Issuer as to the accuracy of the statements therein made and as to the authority of the representative to deliver such certificates and make such representation.

(h) Between the date hereof and the time of the Closing and to the extent it may legally agree to do so pursuant to applicable law, the Issuer shall not, without the prior written consent of the Underwriter, offer or issue in any material amount any bonds, notes or other obligations for borrowed money, or incur any material liabilities, direct or contingent, except in the course of normal business operations of the Issuer or except for such borrowings as may be described in or contemplated by the Official Statement.

(i) The financial statements of the Issuer as of June 30, 2025, fairly represent the receipts, expenditures, assets, liabilities and cash balances of such amounts and, insofar as presented, other funds of the Issuer as of the dates and for the periods therein set forth. Except as disclosed in the Official Statement or otherwise disclosed in writing to the Underwriter, there has not been any materially adverse change in the financial condition of the Issuer or in its operations since June 30, 2025, and there has been no occurrence, circumstance or combination thereof which is reasonably expected to result in any such materially adverse change.

(j) Except for information which is permitted to be omitted pursuant to Rule 15c2-12, the information contained in the Preliminary Official Statement (excluding

therefrom any information regarding DTC (as defined herein) and the information under the heading “UNDERWRITING,” as to which no representations or warranties are made), as of its date and as of the date hereof was and is true and correct in all material respects and did not and does not contain any untrue or misleading statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(k) The Official Statement is, as of its date and at all times after the date of the Official Statement (excluding therefrom any information regarding DTC and the information under the heading “UNDERWRITING,” as to which no representations or warranties are made) up to and including the Closing Date will be, true and correct in all material respects and will not contain any untrue or misleading statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(l) If the Official Statement is supplemented or amended, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended) at all times subsequent thereto up to and including that date that is 25 days from the “end of the underwriting period” as defined in Rule 15c2-12 (unless the Underwriter notifies the Issuer by the Closing Date of an unsold balance, in which case the “underwriting period” shall be deemed to end on the Closing Date), the Official Statement as so supplemented or amended will be true and correct in all material respects and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(m) If between the date of the Official Statement and the Closing any event shall occur which might or would cause the information contained in the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Issuer shall notify the Underwriter thereof, and if, in the opinion of the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Issuer shall promptly (and in any event before the Closing) prepare and furnish (at the expense of the Issuer) a reasonable number of copies of an amendment of or supplement to the Official Statement in form and substance satisfactory to the Underwriter.

(n) Except as described in the Preliminary Official Statement and Official Statement, no litigation, proceeding or official investigation of any governmental or judicial body is pending against the Issuer or against any other party of which the Issuer has notice or, to the knowledge of the Issuer, threatened against the Issuer: (i) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, or the payment or collection of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds; (ii) in any way contesting or affecting any authority for the issuance of the Bonds or the validity or binding effect of any of the Issuer Documents; (iii) which is in any way contesting the creation, existence, powers or jurisdiction of the Issuer or the validity or effect of the Bond Resolution or the Act or any provision thereof or the application of the proceeds of the Bonds; (iv) contesting in any way the completeness or accuracy of the Preliminary Official Statement or any supplement or amendment thereto, or, the

Official Statement or any supplement or amendment thereto; or (v) which, if adversely determined, could materially adversely affect the financial position or operating condition of the Issuer or the transactions contemplated by the Preliminary Official Statement and Official Statement or any of the Issuer Documents. The Issuer shall advise the Underwriter promptly of the institution of any proceedings known to it by any governmental agency prohibiting or otherwise affecting the use of the Preliminary Official Statement or the Official Statement in connection with the offering, sale or distribution of the Bonds.

(o) If required in accordance with Rule 15c2-12, the Issuer has provided or will undertake to provide certain annual financial information and other information and notices of the occurrence of certain events.

(p) Except as described in the Official Statement, during the last five years, the Issuer has not failed to materially comply with any previous undertaking relating to continuing disclosure of information pursuant to Rule 15c2-12.

(q) Except as described in the Official Statement, the Issuer, to the best of its knowledge, has never been and is not in default in the payment of principal of, premium, if any, or interest on, or otherwise is not nor has it been in default with respect to, any bonds, notes, or other obligations which it has issued, assumed or guaranteed as to payment of principal, premium, if any, or interest.

All representations, warranties and agreements of the Issuer shall remain operative and in full force and effect, regardless of any investigations made by the Underwriter or on the Underwriter's behalf, and shall survive the delivery of the Bonds.

6. UNDERWRITER'S REPRESENTATIONS. By entering into this Purchase Agreement, the Underwriter certifies that it and its parent company, wholly or majority-owned subsidiaries, and other affiliates, if any, are not currently engaged in, or for the duration of this Purchase Agreement will not engage in, a boycott of goods or services from the State of Israel; companies doing business in or with the State of Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel. The Underwriter understands that "boycott" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations, but does not include an action made for ordinary business purposes.

7. CLOSING. The date of the payment for and delivery of the Bonds (such payment and delivery and the other actions contemplated hereby to take place at the time of such payment and delivery of the Bonds herein sometimes called the "Closing") shall be at 8:00 A.M., Arizona Time, on July \_\_, 2026, or at such other time or date as the Underwriter and the Issuer may mutually agree upon as the date and time of the Closing (the "Closing Date"), the Issuer will deliver or cause to be delivered to the Underwriter, at the offices of Gust Rosenfeld P.L.C. ("Bond Counsel"), or at such other place as the Underwriter and the Issuer may mutually agree upon, the Bonds, through the facilities of The Depository Trust Company ("DTC"), duly executed and authenticated, and the other documents specified in Section 8. At the Closing, (i) upon satisfaction of the conditions herein specified, the Underwriter shall accept the delivery of the Bonds, and pay the purchase price therefor in federal funds, and (ii) the Issuer shall deliver or cause to be delivered

the Bonds to the Underwriter through the facilities of DTC in definitive or temporary form, duly executed by the Issuer and in the authorized denominations as specified by the Underwriter at the Closing and the Issuer shall deliver the other documents hereinafter mentioned. The Bonds shall be made available to the Underwriter at least one (1) business day before the Closing Date for purposes of inspection.

8. CONDITIONS PRECEDENT. The Underwriter has entered into this Purchase Agreement in reliance upon the representations and agreements of the Issuer contained herein and the performance by the Issuer of its obligations hereunder, both as of the date hereof and as of the Closing Date. The Underwriter's obligations under this Purchase Agreement are and shall be subject to the following additional conditions:

(a) The representations and agreements of the Issuer contained herein shall be true, complete and correct in all material respects on the date of acceptance hereof and on and as of the Closing Date.

(b) At the time of the Closing, the Official Statement, the Bond Resolution, the Bonds and the Issuer Documents shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter.

(c) The Issuer shall perform or have performed all of its obligations required under or specified in the Bond Resolution, the Bonds, the Issuer Documents and the Official Statement to be performed at or prior to the Closing.

(d) The Issuer shall have delivered to the Underwriter the Official Statement by the time, and in the numbers, required by Section 3 of this Purchase Agreement.

(e) As of the date hereof and at the time of Closing, all necessary official action of the Issuer relating to the Bonds, the Issuer Documents and the Official Statement shall have been taken and shall be in full force and effect and shall not have been amended, modified or supplemented in any material respect.

(f) After the date hereof, up to and including the time of the Closing, there shall not have occurred any change in or particularly affecting the Issuer, the Act, the Bond Resolution, the Bonds or the Issuer Documents as the foregoing matters are described in the Preliminary Official Statement and the Official Statement, which in the reasonable professional judgment of the Underwriter materially impairs the investment quality of the Bonds.

(g) At or prior to the Closing, the Underwriter shall receive the transcript of proceedings of the Issuer relating to the issuance of the Bonds, including, but not limited to, the following documents (in each case with only such changes as the Underwriter shall approve):

(i) The approving opinion of Bond Counsel relating to the Bonds, dated the Closing Date, substantially in the form attached as Appendix E to the Official Statement, and, if not otherwise directly addressed to the Underwriter, a reliance letter with respect thereto addressed to the Underwriter;

- (ii) The supplemental opinion of Bond Counsel, addressed to the Underwriter, dated the Closing Date, to the effect that:
  - (A) The Bond Resolution and the Issuer Documents have been duly authorized, executed and delivered by the Issuer and, assuming the due authorization, execution and delivery of the Bond Registrar and Paying Agent Agreement and this Purchase Agreement by the other parties thereto, are legal valid and binding obligations of the Issuer enforceable in accordance with their terms, subject to customary exceptions for Creditors' Rights Laws and subject to annual appropriation to provide for the costs of compliance therewith with respect to the Undertaking;
  - (B) The information contained in the Preliminary Official Statement and the Official Statement in the tax caption on the cover page thereof, under the headings entitled "THE BONDS," "SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS," "ADDITIONAL GENERAL OBLIGATION BONDS," "LEGAL MATTERS," "TAX EXEMPTION," "BOND PREMIUM," "ORIGINAL ISSUE DISCOUNT" and "CONTINUING SECONDARY MARKET DISCLOSURE" (excluding any statements about the Issuer's compliance with previous continuing disclosure undertakings) therein, in Appendices E and F thereto as it relates to the Bond Resolution and the Issuer Documents fairly and accurately summarizes the information which it purports to summarize and the information contained in "RELATIONSHIP AMONG PARTIES" relating to Bond Counsel is correct in all material respects, and, based solely on Bond Counsel's participation in the transaction as Bond Counsel, nothing has come to the attention of Bond Counsel that would lead Bond Counsel to believe that the information and statements in the Preliminary Official Statement, as of its date and as of the date of sale of the Bonds, and the Official Statement, as of its date and as of the date of such supplemental opinion, contained or contain any untrue statement of a material fact or omitted or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, no view need be expressed as to the financial statements of the Issuer, any other financial, forecast, technical or statistical data, and any information in the Preliminary Official Statement or the Official Statement respecting DTC; and

- (C) The Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”) and the Bond Resolution is exempt from qualification pursuant to the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”);

The performance by the Issuer of any and all conditions contained in this Purchase Agreement for the benefit of the Underwriter may be waived by the Underwriter.

(b) Upon the occurrence of a Termination Event and the termination of this Purchase Agreement by the Underwriter, all obligations of the Issuer and the Underwriter under this Purchase Agreement shall terminate, without further liability.

10. AMENDMENTS TO OFFICIAL STATEMENT. During the period commencing on the date of the Official Statement and ending twenty-five (25) days from the “end of the underwriting period” (as defined in Rule 15c2-12) the Issuer shall advise the Underwriter if any event relating to or affecting the Official Statement shall occur as a result of which it may be necessary or appropriate to amend or supplement the Official Statement in order to make the Official Statement not misleading in light of the circumstances existing at the time it is delivered to a purchaser or “potential customer” (as defined for purposes of Rule 15c2-12). If the Official Statement is supplemented or amended, at the time of each supplement or amendment thereto and at all times subsequent thereto up to and including that date that is 25 days from the end of the underwriting period, the Official Statement as supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and shall amend or supplement the Official Statement (in form and substance satisfactory to counsel to the Underwriter) so that the Official Statement will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The

expenses of preparing such amendment or supplement shall be borne by the Issuer. For the purpose of this Section, the Issuer will furnish to the Underwriter such information with respect to itself as the Underwriter may from time to time reasonably request.

11. EXPENSES.

(a) Whether or not the Bonds are sold to the Underwriter, the Underwriter shall be under no obligation to pay any expenses incident to the performance of the Issuer's obligations hereunder. If the Bonds are delivered by the Issuer to the Underwriter, the Issuer shall pay, from the proceeds of the Bonds or from other funds of the Issuer, the following expenses: (i) the cost of preparing, duplicating or printing, mailing and delivering the Issuer Documents, including the cost of electronically distributing the Preliminary Official Statement and the Official Statement and any amendment or supplement of either; (ii) the cost of preparation and printing of the definitive Bonds; (iii) the fees and expenses of the Issuer, the Paying Agent, the municipal advisor to the Issuer, Bond Counsel, counsel to the Underwriter and any entity performing continuing disclosure compliance research or providing continuing disclosure compliance reports and any other experts or consultants retained by the Issuer; (iv) the charges of any rating agency with respect to the Bonds; (v) reimbursement to the Underwriter for payment of any fees and expenses reasonably incurred in connection with the initial offering, sale and delivery of the Bonds, including but not limited to industry fees (e.g., DTC, DAC, IPREO, CUSIP and Day Loan fees) only if the Issuer and Underwriter have previously discussed and approved the allocation of proceeds towards these fees, and meal and travel expenses of Issuer personnel, but not including entertainment expenses or those to be paid by the Underwriter pursuant to the last paragraph of this Section 11, and (vi) all other fees and expenses, not including entertainment expenses, reasonably incurred in connection with the preparation of the Issuer Documents and/or the initial offering, sale and delivery of the Bonds. The Issuer has authorized, and does hereby authorize, the Underwriter to pay certain of such expenses on behalf of the Issuer from proceeds of the Bonds at Closing as further described in the closing memorandum relating to the Bonds.

(b) If the Bonds are sold to the Underwriter by the Issuer, the Issuer shall pay out of the proceeds of the Bonds the discount of the Underwriter or the purchase price paid for the Bonds shall reflect such discount.

(c) Except as otherwise provided in this Section 11, the Underwriter shall pay the cost, if any, of qualifying the Bonds for sale in the various states chosen by the Underwriter, all advertising expenses in connection with the public offering of the Bonds[, the fees and expenses of counsel to the Underwriter] and all other expenses incurred by it in connection with its public offering and distribution of the Bonds, not described above.

securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate and to provide for the continuance of such qualification; provided, however, that the Issuer will not be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any state.

- (iii) Stifel will provide actual sales information (substantially similar to the information contained on Schedule B) as to the price or prices at which the first 10% of each such Maturity (i.e., the Undersold Maturity or Maturities) is sold to the Public.
- (iv) On the date the 10% Test is satisfied with respect to all Maturities of the Bonds, Stifel will execute a supplemental certificate substantially in the form attached hereto as Schedule C with respect to any remaining Maturities for which the 10% Test has not been satisfied as of the Closing Date.\*\*]

[Alternative 1 - All Maturities use Hold-the-Offering-Price Rule: As set forth in the Purchase Contract, Stifel has agreed in writing that, (i) for each Maturity of the Bonds, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “hold-the-offering-price rule”), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any third-party distribution agreement shall contain the agreement of each broker-dealer who is a party to the third-party distribution agreement, to comply with the requirements for establishing issue price for the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule.
