Ladies and Gentlemen:

The undersigned Stifel, Nicolaus & Company, Incorporated (the “Underwriter”) hereby offers to enter into this Bond Purchase Agreement (this “Purchase Agreement”) with Estrella Mountain Ranch Community Facilities District (City of Goodyear, Arizona) (the “Issuer”), a community facilities district duly organized and validly existing under and pursuant to the laws of the State of Arizona (the “State” or “Arizona”), whereby the Underwriter will purchase and the Issuer will sell the Bonds (as defined herein). The Underwriter is making this offer subject to the acceptance by the Issuer at or before 11:59 P.M., Arizona Time, on the date hereof. If the Issuer accepts this Purchase Agreement, this Purchase Agreement shall be in full force and effect in accordance with its terms and shall bind both the Issuer and the Underwriter. The Underwriter may withdraw this Purchase Agreement upon written notice delivered by the Underwriter to the Issuer at any time before the Issuer accepts this Purchase Agreement.

In addition to acceptance of this Purchase Agreement by the Issuer as provided hereinabove, the obligations of the Underwriter and the Issuer under this Purchase Agreement shall be conditioned on the execution and delivery of the Indemnity Letter, dated the date hereof (the “Indemnity Letter”), by Estrella North LLC (“Estrella North”), attached as the Attachment hereto.

1. PURCHASE AND SALE.

(a) Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the

Issuer, and the Issuer hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of the \$____,000 aggregate principal amount of “Estrella Mountain Ranch Community Facilities District (City of Goodyear, Arizona) General Obligation Bonds, Series 2026” (the “Bonds”), at the purchase price of \$_____, representing the aggregate principal amount of the Bonds less an Underwriter’s discount of \$_____ (paid from amounts contributed by Estrella North) [plus net original issue premium of \$_____/less net original discount of \$_____]. For convenience, the Underwriter shall pay by the Closing (as defined herein), on behalf of the Issuer, \$_____ from the proceeds of the Bonds to the Insurer (as defined herein) as payment of the premium for the Policy (as defined herein). The Underwriter intends to make an initial bona fide public offering of the Bonds at a price or prices (or at a yield or yields) described in the Schedule attached hereto; provided, however, the Underwriter reserves the right to change such initial public offering prices (or yields) as the Underwriter deems necessary or desirable, in its sole discretion, in connection with the marketing of the Bonds (but in all cases subject to the requirements of Section 4 hereof), and may offer and sell the Bonds to certain dealers, unit investment trusts and money market funds, certain of which may be sponsored or managed by the Underwriter at prices lower than the public offering prices (or yields greater than the yields) set forth therein (but in all cases subject to the requirements of Section 4 hereof).

(b) The Issuer acknowledges and agrees that with respect to the transaction contemplated hereby: (i) the Underwriter is not acting as a municipal advisor within the meaning of Section 15B of the Securities Exchange Act of 1934, as amended (the “Exchange Act”); (ii) the primary role of the Underwriter, as underwriter, is to purchase securities, for resale to investors, in an arm’s length commercial transaction between the Issuer and the Underwriter and the Underwriter has financial and other interests that differ from those of the Issuer; (iii) the Underwriter is acting solely as a principal and is not acting as a municipal advisor, financial advisor or fiduciary to the Issuer and has not assumed any advisory or fiduciary responsibility to the Issuer (irrespective of whether the Underwriter has provided other services or is currently providing other services to the Issuer on other matters); (iv) the only obligations the Underwriter has to the Issuer expressly are set forth in this Purchase Agreement; and (v) the Issuer has consulted its own financial and/or municipal, legal, accounting, tax and other advisors, as applicable, to the extent it has deemed appropriate.

2. DESCRIPTION AND PURPOSE OF THE BONDS.

(a) The Bonds have been authorized pursuant to Title 48, Chapter 4, Article 6, Arizona Revised Statutes (the “Act”) and a resolution adopted by the Board of Directors of the Issuer on April 27, 2026 (the “Bond Resolution”). The Bonds shall be dated the date of delivery and shall be issued and secured under and pursuant to the Act and the Indenture of Trust and Security Agreement, to be dated as of June 1, 2026 (the “Indenture”), from the Issuer to U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). Interest on the Bonds shall be payable semiannually on each January 15 and July 15 during the term of the Bonds, commencing on January 15, 2027.

(b) The proceeds of the sale of the Bonds and amounts contributed by Estrella North will be used to (i) acquire the public infrastructure described in the Feasibility Report related to the Bonds, and (ii) pay certain costs of issuance associated with the Bonds, including the premium for the Policy.

(c) The Bonds shall mature in the years, bear interest, produce the yields or prices and be subject to redemption at the times and in the amounts, all as set forth in the Schedule attached hereto. The record date, interest payment dates and other details and particulars of the Bonds shall be otherwise as described in the Indenture and the Official Statement (as defined herein).

3. DELIVERY OF THE OFFICIAL STATEMENT AND OTHER DOCUMENTS.

(a) The Issuer has approved and delivered or caused to be delivered to the Underwriter copies of the Preliminary Official Statement, dated _____, 2026, which, including the cover page, the inside front cover page and all appendices thereto, is herein referred to as the “Preliminary Official Statement.” It is acknowledged by the Issuer that the Underwriter may deliver the Preliminary Official Statement and a final Official Statement (as defined herein) electronically over the internet and in printed paper form. The Issuer deems the Preliminary Official Statement final as of its date and as of the date hereof for purposes of Rule 15c2-12 promulgated under the Exchange Act (“Rule 15c2-12”), except for any information which is permitted to be omitted therefrom in accordance with paragraph (b)(1) of Rule 15c2-12.

(b) Within seven (7) business days from the date hereof, and in any event not later than the Closing Date (as defined herein), the Issuer shall deliver to the Underwriter a final Official Statement relating to the Bonds dated the date hereof (such Official Statement, including the cover page, the inside front cover page and all appendices attached thereto, together with all information previously permitted to have been omitted by Rule 15c2-12 and any amendments or supplements and statements incorporated by reference therein or attached thereto, as have been approved by the Issuer, Bond Counsel (as defined herein) and the Underwriter, is referred to herein as the “Official Statement”) and such additional conformed copies thereof as the Underwriter may reasonably request in sufficient quantities to comply with Rule 15c2-12, rules of the Municipal Securities Rulemaking Board (the “MSRB”) and to meet potential customer requests for copies of the Official Statement. The Underwriter agrees to file a copy of the Official Statement, including any amendments or supplements thereto prepared by the Issuer, with the MSRB on its Electronic Municipal Market Access system, if required by MSRB Rule G-32. The Official Statement shall be executed by and on behalf of the Issuer by an authorized officer of the Issuer. The Official Statement shall be in substantially the same form as the Preliminary Official Statement and any supplements to the Preliminary Official Statement and, other than information previously permitted to have been omitted by Rule 15c2-12, the Issuer shall only make such other additions, deletions and revisions in the Official Statement which are approved by the Underwriter. The Issuer hereby agrees to deliver to the Underwriter an electronic copy of the Official Statement in a form that permits the Underwriter to satisfy its obligations under the rules and regulations of the MSRB and the U.S. Securities and Exchange Commission (the “SEC”) including in a word-searchable portable document format (“pdf”) including any amendments thereto. The Issuer hereby ratifies, confirms and consents to and approves the use and distribution by the Underwriter before the date hereof of the Preliminary Official Statement and hereby authorizes and consents to the use by the Underwriter of the Official Statement in connection with the public offering and sale of the Bonds.

(c) In order to assist the Underwriter in complying with Rule 15c2-12, the Issuer will undertake, pursuant to the Continuing Disclosure Undertaking, to be dated the Closing

Date (the “Undertaking”), of the Issuer, to provide annual financial information and notices of the occurrence of specified events. A description of the Undertaking is set forth in, and a form of the Undertaking is attached as APPENDIX E - “FORM OF CONTINUING DISCLOSURE UNDERTAKING” to, the Preliminary Official Statement and the Official Statement.

4. ESTABLISHMENT OF ISSUE PRICE.

(a) The Underwriter agrees to assist the Issuer in establishing the issue price of the Bonds and shall execute and deliver to the Issuer at Closing an “issue price” or similar certificate, substantially in the form of Exhibit A attached hereto, together with the supporting pricing wires or equivalent communications, with such modifications as may be deemed appropriate or necessary, in the reasonable judgment of the Underwriter, the Issuer and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the Issuer under this section to establish the issue price of the Bonds may be taken on behalf of the Issuer by the Issuer’s municipal advisor and any notice or report to be provided to the Issuer may be provided to the Issuer’s municipal advisor.

(b) [Except for the maturities set forth in the Schedule attached hereto,] the Issuer represents that it will treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the Issuer the price or prices at which the Underwriter has sold to the public each maturity of Bonds. [If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the Issuer the prices at which Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) all Bonds of that maturity have been sold or (ii) the 10% test has been satisfied as to the Bonds of that maturity, provided that, the Underwriter’s reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, the Issuer or Bond Counsel.] For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

[(c) The Underwriter confirms that the Underwriter has offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the Schedule attached hereto, except as otherwise set forth therein. The Schedule attached hereto also sets forth, as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the 10% Test has not been satisfied and for which the Issuer and the Underwriter agrees that the restrictions set forth in the next sentence shall apply, which will allow the Issuer to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or

- (ii) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.]

The Underwriter will advise the Issuer promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

[(c)][(d)] The Underwriter confirms that:

- (i) any selling group agreement and each third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:
 - (A) (i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% Test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter,
 - (B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and
 - (C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.
- (ii) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has

occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% Test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or dealer and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

[(d)][(e)] The Issuer acknowledges that, in making the representations set forth in this Section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the third-party distribution agreement and the related pricing wires. The Issuer further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

[(e)][(f)] The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

- (i) “public” means any person other than an underwriter or a related party to an underwriter,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),
- (iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting

power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

- (iv) “sale date” means the date of execution of this Purchase Agreement by all parties.

[[f)/(g)] Notwithstanding anything herein to the contrary, any reporting obligation with respect to maturities subject to the hold-the-offering-price rule will terminate at the end of the Holding Period (as defined in the form of Issue Price Certificate attached as Exhibit A hereto) even if such date is prior to the Closing Date.]

5. ISSUER’S REPRESENTATIONS. The Issuer represents to and agrees with the Underwriter that:

(a) The Issuer is duly organized and validly existing, with full legal right, power and authority to issue, sell and deliver the Bonds to the Underwriter pursuant to the Act, the Bond Resolution and the Indenture, to levy, collect and receive *ad valorem* property taxes and make a pledge of such taxes for the payment of debt service on the Bonds, and to execute, deliver and perform its obligations, as the case may be, under this Purchase Agreement, the Indenture, the Undertaking, the Standby Contribution Agreement, to be dated as of June 1, 2026 (the “Standby Contribution Agreement”), by and among the Issuer, Estrella North and the Trustee (collectively, the “Issuer Documents”), and the Bonds, and to perform and consummate all obligations and transactions required or contemplated by each of the Issuer Documents and the Official Statement.

(b) The Bond Resolution approving and authorizing the execution and delivery by the Issuer of the Issuer Documents and the offering, sale and issuance of the Bonds upon the terms set forth herein and in the Official Statement, was duly adopted at a meeting of the Board of Directors of the Issuer called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout, and is in full force and effect and has not been amended or repealed.

(c) The Issuer Documents and the Bonds conform to the descriptions thereof contained in the Preliminary Official Statement and the Official Statement, and the Bonds, when duly issued and authenticated in accordance with the Bond Resolution and delivered to the Underwriter as provided herein, will be validly issued and outstanding obligations of the Issuer, entitled to the benefits of the Bond Resolution and the Indenture and payable from the sources therein specified.

(d) The Issuer has executed and delivered, or will execute and deliver on or before the Closing Date, each of the Issuer Documents. Each of the Issuer Documents constitutes, or will, as of the Closing Date, constitute, a legal, valid and binding obligation of the Issuer enforceable in accordance with its terms, except as the enforceability thereof may be limited by application of bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally from time to time in effect and from the application of general principles of equity and from public policy limitations on the exercise of any rights to indemnification and contribution. Each of the Issuer Documents has been executed and delivered, or will be executed and delivered on or before the Closing Date, by each respective signatory and is currently in full force and effect or, as of the Closing Date, will be in full force and effect.

(e) The Issuer is not in any material respect in breach of or default under any constitutional provision, law or administrative regulation of the State or of the United States or any agency or instrumentality of either, or of any other governmental agency, or any Material Judgment or Agreement (as defined herein), and no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a default or event of default under any Material Judgment or Agreement; and the adoption of the Bond Resolution, the sale, issuance and delivery of the Bonds and the execution and delivery of the Issuer Documents and compliance with and performance of the Issuer's obligations therein and herein will not in any material respect conflict with, violate or result in a breach of or constitute a default under, any such constitutional provision, law, administrative regulation or any Material Judgment or Agreement, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Issuer (except as described in or contemplated by the Issuer Documents and the Official Statement) or under the terms of any such law, administrative regulation or Material Judgment or Agreement. As used herein, the term "Material Judgment or Agreement" means any judgment or decree or any loan agreement, indenture, bond, note or resolution or any material agreement or other instrument to which the Issuer is a party or to which the Issuer or any of its property or assets is otherwise subject (including, without limitation, the Act, the Bond Resolution and the Issuer Documents).

(f) All approvals, consents and orders of any governmental authority, board, agency, council, commission or other body having jurisdiction (including with respect to the requirements of Section 35-501(B), Arizona Revised Statutes) which would constitute a condition precedent to, or the absence of which would materially adversely affect, the performance by the Issuer of its obligations hereunder and under the Issuer Documents have been obtained; provided, that the Issuer makes no representations as to any approvals, consents or other actions which may be necessary to qualify the Bonds for offer and sale under Blue Sky or other state securities laws or regulations.

(g) Any certificates executed by any officer of the Issuer and delivered to the Underwriter pursuant hereto or in connection herewith shall be deemed a representation and warranty of the Issuer as to the accuracy of the statements therein made and as to the authority of the representative to deliver such certificates and make such representation.

(h) Between the date hereof and the time of the Closing and to the extent it may legally agree to do so pursuant to applicable law, the Issuer shall not, without the prior written

consent of the Underwriter, offer or issue in any material amount any bonds, notes or other obligations for borrowed money, or incur any material liabilities, direct or contingent, except in the course of normal business operations of the Issuer or except for such borrowings as may be described in or contemplated by the Official Statement.

(i) The financial statements of the Issuer as of June 30, 2025, fairly represent the receipts, expenditures, assets, liabilities and cash balances of such amounts and, insofar as presented, other funds of the Issuer as of the dates and for the periods therein set forth. Except as disclosed in the Official Statement or otherwise disclosed in writing to the Underwriter, there has not been any materially adverse change in the financial condition of the Issuer or in its operations since June 30, 2025, and there has been no occurrence, circumstance or combination thereof which is reasonably expected to result in any such materially adverse change.

(j) Except for information which is permitted to be omitted pursuant to Rule 15c2-12, the information contained in the Preliminary Official Statement (excluding therefrom any information regarding DTC (as defined herein) or the Insurer and the information under the heading “UNDERWRITING,” as to which no representations or warranties are made), as of its date and as of the date hereof was and is true and correct in all material respects and did not and does not contain any untrue or misleading statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(k) The Official Statement is, as of its date and at all times after the date of the Official Statement (excluding therefrom any information regarding DTC or the Insurer and the information under the heading “UNDERWRITING,” as to which no representations or warranties are made) up to and including the Closing Date will be, true and correct in all material respects and will not contain any untrue or misleading statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(l) If the Official Statement is supplemented or amended, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended) at all times subsequent thereto up to and including that date that is 25 days from the “end of the underwriting period” as defined in Rule 15c2-12 (unless the Underwriter notifies the Issuer by the Closing Date of an unsold balance, in which case the “underwriting period” shall be deemed to end on the Closing Date), the Official Statement as so supplemented or amended will be true and correct in all material respects and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(m) If between the date of the Official Statement and the Closing any event shall occur which might or would cause the information contained in the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Issuer shall notify the Underwriter thereof, and if, in the opinion of the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Issuer shall promptly (and in any event before the

Closing) prepare and furnish (at the expense of the Issuer) a reasonable number of copies of an amendment of or supplement to the Official Statement in form and substance satisfactory to the Underwriter.

(n) Except as described in the Preliminary Official Statement and Official Statement, no litigation, proceeding or official investigation of any governmental or judicial body is pending against the Issuer or against any other party of which the Issuer has notice or, to the knowledge of the Issuer, threatened against the Issuer: (i) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, or the payment or collection of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds; (ii) in any way contesting or affecting any authority for the issuance of the Bonds or the validity or binding effect of any of the Issuer Documents; (iii) which is in any way contesting the creation, existence, powers or jurisdiction of the Issuer or the validity or effect of the Bond Resolution or the Act or any provision thereof or the application of the proceeds of the Bonds; (iv) contesting in any way the completeness or accuracy of the Preliminary Official Statement or any supplement or amendment thereto, or the Official Statement or any supplement or amendment thereto; or (v) which, if adversely determined, could materially adversely affect the financial position or operating condition of the Issuer or the transactions contemplated by the Preliminary Official Statement and Official Statement or any of the Issuer Documents. The Issuer shall advise the Underwriter promptly of the institution of any proceedings known to it by any governmental agency prohibiting or otherwise affecting the use of the Preliminary Official Statement or the Official Statement in connection with the offering, sale or distribution of the Bonds.

(o) If required in accordance with Rule 15c2-12, the Issuer has provided or will undertake to provide certain annual financial information and other information and notices of the occurrence of certain events.

(p) Except as described in the Official Statement, during the last five years, the Issuer has not failed to materially comply with any previous undertaking relating to continuing disclosure of information pursuant to Rule 15c2-12.

(q) Except as described in the Official Statement, the Issuer, to the best of its knowledge, has never been and is not in default in the payment of principal of, premium, if any, or interest on, or otherwise is not nor has it been in default with respect to, any bonds, notes, or other obligations which it has issued, assumed or guaranteed as to payment of principal, premium, if any, or interest.

All representations, warranties and agreements of the Issuer shall remain operative and in full force and effect, regardless of any investigations made by the Underwriter or on the Underwriter's behalf, and shall survive the delivery of the Bonds.

6. UNDERWRITER'S REPRESENTATIONS. By entering into this Purchase Agreement, the Underwriter certifies that it and its parent company, wholly or majority-owned subsidiaries, and other affiliates, if any, are not currently engaged in, or for the duration of this Purchase Agreement will not engage in, a boycott of goods or services from the State of Israel; companies doing business in or with the State of Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel. The Underwriter

understands that “boycott” means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations, but does not include an action made for ordinary business purposes.

7. CLOSING. The date of the payment for and delivery of the Bonds (such payment and delivery and the other actions contemplated hereby to take place at the time of such payment and delivery of the Bonds herein sometimes called the “Closing”) shall be at 8:00 A.M., Arizona Time, on June __, 2026, or at such other time or date as the Underwriter and the Issuer may mutually agree upon as the date and time of the Closing (the “Closing Date”), the Issuer will deliver or cause to be delivered to the Underwriter, at the offices of Gust Rosenfeld P.L.C. (“Bond Counsel”), or at such other place as the Underwriter and the Issuer may mutually agree upon, the Bonds, through the facilities of The Depository Trust Company (“DTC”), duly executed and authenticated, and the other documents specified in Section 8. At the Closing, (i) upon satisfaction of the conditions herein specified, the Underwriter shall accept the delivery of the Bonds, and pay the purchase price therefor in federal funds, and (ii) the Issuer shall deliver or cause to be delivered the Bonds to the Underwriter through the facilities of DTC in definitive or temporary form, duly executed by the Issuer and in the authorized denominations as specified by the Underwriter at the Closing and the Issuer shall deliver the other documents hereinafter mentioned. The Bonds shall be made available to the Underwriter at least one (1) business day before the Closing Date for purposes of inspection.

8. CONDITIONS PRECEDENT. The Underwriter has entered into this Purchase Agreement in reliance upon the representations and agreements of the Issuer contained herein and of Estrella North contained in the Indemnity Letter and the performance by the Issuer of its obligations hereunder and of Estrella North pursuant to the Indemnity Letter, both as of the date hereof and as of the Closing Date. The Underwriter’s obligations under this Purchase Agreement are and shall be subject to the following additional conditions:

(a) The representations and agreements of the Issuer contained herein and of Estrella North contained in the Indemnity Letter shall be true, complete and correct in all material respects on the date of acceptance hereof and on and as of the Closing Date.

(b) At the time of the Closing, the Official Statement, the Bond Resolution, the Bonds and the Issuer Documents shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter.

(d) The Issuer shall have delivered to the Underwriter the Official Statement by the time, and in the numbers, required by Section 3 of this Purchase Agreement.

(e) As of the date hereof and at the time of Closing, all necessary official action of the Issuer relating to the Bonds, the Issuer Documents and the Official Statement shall have been taken and shall be in full force and effect and shall not have been amended, modified or supplemented in any material respect.

(f) After the date hereof, up to and including the time of the Closing, there shall not have occurred any change in or particularly affecting the Issuer, the Act, the Bond Resolution, the Bonds or the Issuer Documents as the foregoing matters are described in the Preliminary Official Statement and the Official Statement, which in the reasonable professional judgment of the Underwriter materially impairs the investment quality of the Bonds.

(g) At or prior to the Closing, the Underwriter shall receive the transcript of proceedings of the Issuer relating to the issuance of the Bonds, including, but not limited to, the following documents (in each case with only such changes as the Underwriter shall approve):

9. TERMINATION. If the Issuer and Estrella North shall be unable to satisfy the conditions of the Underwriter's obligations contained in this Purchase Agreement or if the Underwriter's obligations shall be terminated for any reason permitted by this Purchase Agreement, this Purchase Agreement may be cancelled by the Underwriter at, or at any time before, the time of the Closing. Notice of such cancellation shall be given by the Underwriter to the Issuer in writing, or by telephone confirmed in writing. The performance by the Issuer of any and all conditions contained in this Purchase Agreement for the benefit of the Underwriter may be waived by the Underwriter.

(a) The Underwriter shall also have the right, before the time of Closing, to cancel its obligations to purchase the Bonds, by written notice (or by telephone confirmed in writing) by the Underwriter to the Issuer, if between the date hereof and the time of Closing, in the Underwriter's sole and reasonable judgment any of the following events shall occur (each hereinafter referred to as a "Termination Event"):

- (i) the market price or marketability of the Bonds, or the ability of the Underwriter to enforce contracts for the sale of the Bonds, shall be materially adversely affected by any of the following events:

 - (B) there shall have occurred (1) an outbreak or escalation of hostilities or the declaration by the United States of a national emergency or war or (2) any other calamity or crisis in the financial markets of the United States or elsewhere or the escalation of such calamity or crisis; or

- (C) a general suspension of trading on the New York Stock Exchange or other major exchange shall be in force, or minimum or maximum prices for trading shall have been fixed and be in force, or maximum ranges for prices for securities shall have been required and be in force on any such exchange, whether by virtue of determination by that exchange or by order of the SEC or any other governmental authority having jurisdiction; or
 - (D) legislation shall have been enacted by the Congress of the United States or shall have been favorably reported out of committee or be pending in committee, or shall have been recommended to the Congress for passage by the President of the United States or a member of the President's Cabinet, or a decision by a court of the United States shall be rendered, or a ruling, regulation, proposed regulation or statement by or on behalf of the SEC or other governmental agency having jurisdiction of the subject matter shall be made, to the effect that any obligations of the general character of the Bonds, the Bond Resolution or the Issuer Documents, or any comparable securities of the Issuer, are not exempt from the registration, qualification or other requirements of the Securities Act of 1933, as amended (the "Securities Act") or the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act") or otherwise, or would be in violation of any provision of the federal securities laws; or
 - (E) except as disclosed in or contemplated by the Official Statement, any material adverse change in the affairs of the Issuer or Estrella North shall have occurred after the Preliminary Official Statement has been deemed final; or
 - (F) any rating on general obligation bonds of the Issuer is reduced or withdrawn or placed on credit watch with negative outlook by any major credit rating agency; or
- (ii) any event or circumstance shall exist that either makes untrue or incorrect in any material respect any statement or information in the Preliminary Official Statement as deemed final or any statement or information in the Official Statement (other than any statement provided by the Underwriter) or is not reflected in the Official Statement but should be reflected therein in order to make the statements therein, in the light of the circumstances under which they were made, not misleading and, in either such event, the Issuer refuses to permit the Official Statement to be supplemented to

supply such statement or information, or the effect of the Official Statement as so supplemented is to materially adversely affect the market price or marketability of the Bonds or the ability of the Underwriter to enforce contracts for the sale of the Bonds; or

- (iii) a general banking moratorium shall have been declared by federal or State authorities having jurisdiction and be in force; or
- (iv) a material disruption in securities settlement, payment or clearance services affecting the Bonds shall have occurred; or
- (v) any new restriction on transactions in securities materially affecting the market for securities (including the imposition of any limitation on interest rates) or the extension of credit by, or a charge to the net capital requirements of, underwriters shall have been established by the New York Stock Exchange, the SEC, any other federal or State agency or the Congress of the United States, or by Executive Order; or
- (vi) a decision by a court of the United States shall be rendered, or a stop order, release, regulation or no-action letter by or on behalf of the SEC or any other governmental agency having jurisdiction of the subject matter shall have been issued or made, to the effect that the offering, sale or issuance of the Bonds, including the underlying obligations as contemplated by this Purchase Agreement or by the Official Statement, or any document relating to the offering, sale or issuance of the Bonds, is or would be in violation of any provision of the federal securities laws at the Closing Date, including the Securities Act, the Exchange Act and the Trust Indenture Act.

(b) Upon the occurrence of a Termination Event and the termination of this Purchase Agreement by the Underwriter, all obligations of the Issuer and the Underwriter under this Purchase Agreement shall terminate, without further liability.

10. AMENDMENTS TO OFFICIAL STATEMENT. During the period commencing on the date of the Official Statement and ending twenty-five (25) days from the “end of the underwriting period” (as defined in Rule 15c2-12) the Issuer shall advise the Underwriter if any event relating to or affecting the Official Statement shall occur as a result of which it may be necessary or appropriate to amend or supplement the Official Statement in order to make the Official Statement not misleading in light of the circumstances existing at the time it is delivered to a purchaser or “potential customer” (as defined for purposes of Rule 15c2-12). If the Official Statement is supplemented or amended, at the time of each supplement or amendment thereto and at all times subsequent thereto up to and including that date that is 25 days from the end of the underwriting period, the Official Statement as supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not

misleading and shall amend or supplement the Official Statement (in form and substance satisfactory to counsel to the Underwriter) so that the Official Statement will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The expenses of preparing such amendment or supplement shall be borne by the Issuer. For the purpose of this Section, the Issuer will furnish to the Underwriter such information with respect to itself as the Underwriter may from time to time reasonably request.

11. EXPENSES.

(a) Whether or not the Bonds are sold to the Underwriter, the Underwriter shall be under no obligation to pay any expenses incident to the performance of the Issuer's obligations hereunder. If the Bonds are delivered by the Issuer to the Underwriter, the Issuer shall pay, from the proceeds of the Bonds or from other funds of the Issuer or from amounts contributed by Estrella North, the following expenses: (i) the cost of preparing, duplicating or printing, mailing and delivering the Issuer Documents, including the cost of electronically distributing the Preliminary Official Statement and the Official Statement and any amendment or supplement of either; (ii) the cost of preparation and printing of the definitive Bonds; (iii) the fees and expenses of the Issuer, the municipal advisor to the Issuer, the Trustee, Bond Counsel, counsel to the Underwriter and any entity performing continuing disclosure compliance research or providing continuing disclosure compliance reports and any other experts or consultants retained by the Issuer; (iv) the charges of any rating agency with respect to the Bonds; (v) reimbursement to the Underwriter for payment of any fees and expenses reasonably incurred in connection with the initial offering, sale and delivery of the Bonds, including but not limited to industry fees (e.g., DTC, DAC, IPREO, CUSIP and Day Loan fees) only if the Issuer and Underwriter have previously discussed and approved the allocation of proceeds towards these fees, and meal and travel expenses of Issuer personnel, but not including entertainment expenses or those to be paid by the Underwriter pursuant to the last paragraph of this Section 11, and (vi) all other fees and expenses, not including entertainment expenses, reasonably incurred in connection with the preparation of the Issuer Documents and/or the initial offering, sale and delivery of the Bonds, including for the Policy. The Issuer has authorized, and does hereby authorize, the Underwriter to pay certain of such expenses on behalf of the Issuer from proceeds of the Bonds at Closing as further described in the closing memorandum relating to the Bonds.

(b) If the Bonds are sold to the Underwriter by the Issuer, the Issuer shall pay out of the proceeds of the Bonds the discount of the Underwriter or the purchase price paid for the Bonds shall reflect such discount.

(c) Except as otherwise provided in this Section 11, the Underwriter shall pay the cost, if any, of qualifying the Bonds for sale in the various states chosen by the Underwriter, all advertising expenses in connection with the public offering of the Bonds and all other expenses incurred by it in connection with its public offering and distribution of the Bonds, not described above.

Preliminary Official Statement, the Official Statement and the Issuer Documents, and the information contained herein and therein.

13. QUALIFICATION OF SECURITIES. 14. NOTICES. Any notice or other communication to be given to the Issuer under this Purchase Agreement may be given by delivering the same in writing to Estrella Mountain Ranch Community Facilities District (City of Goodyear, Arizona), c/o City of Goodyear, Arizona, 1900 N Civic Square, Goodyear, Arizona 85395, Attention: District Treasurer, and any such notice or other communication to be given to the Underwriter may be given by delivering the same in writing to the following address:

Except as otherwise expressly provided herein, all of the agreements and representations of the Issuer contained in this Purchase Agreement and in any certificates delivered pursuant hereto shall remain operative and in full force and effect regardless of: (i) any investigation made by or on behalf of the Underwriter; (ii) delivery of and payment for the Bonds hereunder; or (iii) any termination of this Purchase Agreement, other than pursuant to Section 9 (and in all events the agreements of the Issuer pursuant to Section 11 hereof shall remain in full force and effect notwithstanding the termination of this Purchase Agreement under Section 9 hereof).

18. MISCELLANEOUS.

(a) This Purchase Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements, prior writings and representations with respect thereto.

(b) If any section, paragraph, subdivision, sentence, clause or phrase of this Purchase Agreement shall for any reason be held illegal or unenforceable, such decision shall not affect the validity of the remaining portions of this Purchase Agreement. The parties to this Purchase Agreement declared they would have executed this Purchase Agreement and each and every other section, paragraph, subdivision, sentence, clause and phrase of this Purchase Agreement, irrespective of the fact that any one or more sections, paragraphs, subdivisions, sentences, clauses or phrases of this Purchase Agreement may be held to be illegal, invalid, or unenforceable. 1. Bond Purchase Agreement. On _____, 2026 (the “Sale Date”), Stifel and Estrella Mountain Ranch Community Facilities District (City of Goodyear, Arizona) (the “Issuer”) executed a Bond Purchase Agreement (the “Purchase Contract”) in connection with the sale of the Bonds. Stifel has not modified the Purchase Contract since its execution on the Sale Date.

2. Price.

(a) As of the date of this Certificate, for each [Maturity] [of the _____ Maturities] of the Bonds, the first price or prices at which at least 10% of [each] such Maturity of the Bonds was sold to the Public (the “10% Test”) are the respective prices listed in Schedule A attached hereto.

(b) **[To be used if not using Hold-the-Offering-Price Rule and 10% was not sold for all Maturities]** **[**** With respect to each of the _____ Maturities of the Bonds:

- (i) As of the date of this Certificate, Stifel has not sold at least 10% of the Bonds of these Maturities at any price or prices.
- (ii) As of the date of this Certificate, Stifel reasonably expects that the first sale to the Public of Bonds of these Maturities will be at or below the respective price or prices listed on the attached Schedule A as the “Reasonably Expected Sale Prices for Undersold Maturities.”
- (iii) Stifel will provide actual sales information (substantially similar to the information contained on Schedule B) as to the price or prices at which the first 10% of each such Maturity (i.e., the Undersold Maturity or Maturities) is sold to the Public.
- (iv) On the date the 10% Test is satisfied with respect to all Maturities of the Bonds, Stifel will execute a supplemental certificate substantially in the form attached hereto as Schedule C with respect

to any remaining Maturities for which the 10% Test has not been satisfied as of the Closing Date.**]

(b) [To be used if using Hold-the-Offering-Price Rule] [Alternative 1 - All Maturities Use Hold-the-Offering-Price Rule: Stifel offered the Bonds to the Public for purchase at the respective initial offering prices listed in Schedule A (the “Initial Offering Prices”) on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this certificate as Schedule B.]

[Alternative 1 - All Maturities use Hold-the-Offering-Price Rule: As set forth in the Purchase Contract, Stifel has agreed in writing that, (i) for each Maturity of the Bonds, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “hold-the-offering-price rule”), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any third-party distribution agreement shall contain the agreement of each broker-dealer who is a party to the third-party distribution agreement, to comply with the requirements for establishing issue price for the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Bonds at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period. [Alternative 2 - Select Maturities Use Hold-the-Offering-Price Rule: As set forth in the Purchase Contract, Stifel has agreed in writing that, (i) for each Maturity of the Hold-the-Offering-Price Maturities, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “hold-the-offering-price rule”), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any third-party distribution agreement shall contain the agreement of each broker-dealer who is a party to the third-party distribution agreement, to comply with the requirements for establishing issue price for the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule. (c) *Issuer* means Estrella Mountain Ranch Community Facilities District (City of Goodyear, Arizona).

The representations set forth in this certificate are limited to factual matters only. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate of the Issuer dated [Closing Date] and with respect to compliance with the federal income tax rules affecting the Bonds, and by Gust Rosenfeld P.L.C., as bond counsel, in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds.

1. Issue Price.

(a) Stifel sold at least 10% of the _____ Maturities of the Bonds to the Public at the price or prices shown on the Issue Price Certificate dated as of the Closing Date (the “10% Test”). With respect to each of the _____ Maturities of the Bonds, Stifel had not satisfied the 10% Test as of the Closing Date (the “Undersold Maturities”).

(b) As of the date of this Supplemental Certificate, Stifel has satisfied the 10% Test with respect to the Undersold Maturities. The first price or prices at which at least 10% of each such Undersold Maturity was sold to the Public are the respective prices listed on Exhibit A attached hereto.

2. Defined Terms.

(a) *Issuer* means Estrella Mountain Ranch Community Facilities District (City of Goodyear, Arizona).

(b) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(c) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(d) *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents Stifel's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate of the Issuer dated [Closing Date] and with respect to compliance with the federal income tax rules affecting the Bonds, and by Gust Rosenfeld P.L.C., as bond counsel, in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds.

Re: Estrella Mountain Ranch Community Facilities District (City of Goodyear, Arizona) General Obligation Bonds, Series 2026

We have acted as Bond Counsel to Estrella Mountain Ranch Community Facilities District (City of Goodyear, Arizona) (the “Issuer”), in connection with the issuance this date by the Issuer of the captioned bonds (the “Bonds”) and otherwise as counsel to the Issuer. The Bonds are issued under and secured by the resolution authorizing issuance of, and certain other matters related to, the Bonds adopted by the District Board of the Issuer on April 27, 2026 (the “Resolution”), and the Indenture of Trust and Security Agreement, dated as of June 1, 2026 (the “Indenture”), from the Issuer to U.S. Bank Trust Company, National Association, as trustee (the “Trustee”), are the subject of an Official Statement, dated _____, 2026 (the “Official Statement”), and are the subject of a Bond Purchase Agreement, dated _____, 2026 (the “Purchase Contract”), by and between the Issuer and Stifel, Nicolaus & Company, Incorporated (the “Underwriter”), a Standby Contribution Agreement, dated as of June 1, 2026 (the “Standby Contribution Agreement”), by and among the Issuer, Estrella North LLC (“Estrella North”) and the Trustee, and a Continuing Disclosure Undertaking, dated even date hereof (the “Undertaking” and, collectively with the Indenture, the Standby Contribution Agreement and the Purchase Contract, the “District Documents”), from the Issuer. (You may rely on our opinion as Bond Counsel, dated of even date herewith, with regard to the Bonds as if addressed to you.)

In our capacity as Bond Counsel, and as counsel as described hereinabove to the Issuer, we have examined and relied upon:

- (i) A certified copy of the Resolution (which authorized, among other matters, execution and delivery of the Purchase Contract);
- (ii) An executed copy of the Indenture;
- (iii) An executed copy of the Standby Contribution Agreement;

- (iv) An executed copy of the Official Statement;
- (v) An executed copy of the Purchase Contract;
- (vi) An executed copy of the Undertaking;
- (vii) An executed copy of the CFD Development Agreement (as defined in the Purchase Contract);
- (viii) Such other agreements, certificates (including particularly, but not by way of limitation, certificates of Estrella North, dated of even date herewith), opinions, letters and other documents, including all documents delivered or distributed at the closing of the sale of the Bonds, as we have deemed necessary or appropriate in rendering the opinions set forth herein; and
- (ix) Such provisions of the Constitution and laws of the State of Arizona and the United States of America as we believe necessary to enable us to render the opinions set forth herein.

In our examination, we have assumed the authenticity of all documents submitted to us as originals, the conformity to original copies of all documents submitted to us as certified or photostatic copies, the authenticity of the originals of such latter documents and the accuracy of the statements contained in such certificates. In connection with our representation of the Issuer in the capacities described above, we have also participated in conferences from time to time with representatives of and counsel to the Issuer, the Underwriter, the Trustee and Estrella North relating to the District Documents.

We are of the opinion, based upon the foregoing and subject to the reliance hereinabove indicated and the qualifications hereinafter set forth, that under applicable law of the State of Arizona and federal law of the United States of America in force and effect on the date hereof:

1. The Issuer is duly organized and validly existing as a community facilities district for purposes set forth in Section 48-708(B), Arizona Revised Statutes, as amended, pursuant to the Constitution and laws of the State of Arizona and has all requisite power and authority thereunder (a) to adopt the Resolution, (b) to authorize, execute, deliver and issue, as applicable, the District Documents and the Bonds, (c) to approve, execute and authorize the use and distribution of the Official Statement (including, as applicable, the Preliminary Official Statement, dated _____, 2026 (the "Preliminary Official Statement"), with respect to the Bonds) and (d) to carry out and consummate the transactions contemplated by the Official Statement, the Resolution, the District Documents and the Bonds (including performing the applicable obligations thereunder).

2. Adoption of the Resolution; authorization, execution, delivery and issuance, as applicable, of, and the due performance of the obligations of the Issuer under, the District Documents and the Bonds and the approval, execution and

authorization of the use and distribution of the Official Statement (including, as applicable, the Preliminary Official Statement) by the Issuer under the circumstances contemplated thereby do not and will not in any material respect conflict with or constitute on the part of the Issuer a breach of or default under any agreement or other instrument to which the Issuer is a party or of any existing law, ordinance, administrative regulation, court order or consent decree to which the Issuer is subject.

3. No consent of any other party, and no consent, license, approval or authorization of, exemption by or registration with any governmental body, authority, bureau or agency (other than those that have been obtained or will be obtained prior to the delivery of the Bonds), is required in connection with the adoption by the Issuer of the Resolution or the authorization, execution, delivery, issuance and performance, as applicable, by the Issuer of the District Documents and the Bonds and the consummation of the transactions contemplated by the Official Statement.

4. The Issuer has duly (a) adopted the Resolution and (b) authorized (i) the authorization, execution, delivery and issuance, as applicable of, and the performance of its obligations under, the District Documents and the Bonds and (ii) the taking of the actions required on the part of the Issuer to carry out, give effect to and consummate the transactions contemplated by the Official Statement, the Resolution, the District Documents and the Bonds. The Issuer has complied with all applicable provisions of law and has taken all actions required to be taken by it to the date hereof in connection with the transactions contemplated by the aforesaid documents.

5. The District Documents have been duly authorized, executed and delivered by the Issuer and, assuming due and valid authorization, execution and delivery by the other party thereto, constitute legal, valid and binding obligations of the Issuer enforceable in accordance with their terms. The Indenture creates the lien it purports to create in the Trust Estate (as defined in the Indenture).

6. Based solely upon a search of the available records of the Superior Court in and for the State of Arizona, County of Maricopa and the United States District Court for the District of Arizona for the five-year period ending, 2026, and upon inquiry of Issuer officials, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending or overtly threatened against or affecting the Issuer, and there is no basis therefor, (i) which in any way questions the powers of the Issuer referred to hereinabove or the validity of the proceedings taken by the Issuer in connection with the sale and issuance of the Bonds, (ii) wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Official Statement, the Resolution, the District Documents or the Bonds or would in any way adversely affect the validity or enforceability of the Resolution, the District Documents or the Bonds (or of any other instrument required or contemplated for use in consummating the transactions contemplated

thereby or by the Purchase Contract or by the Official Statement) or (iii) contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement. Further, there are no lawsuits pending or threatened against the Issuer which question the right of the Issuer to levy, receive and pledge *ad valorem* property taxes, nor lawsuits pending or overtly threatened against the Issuer which, if decided adversely to the Issuer, would, individually or in the aggregate, have a material adverse effect on the financial condition of the Issuer or impair the ability of the Issuer to comply with all the requirements set forth in the Official Statement, the Resolution, the District Documents or the Bonds.

7. The information contained in the Preliminary Official Statement and the Official Statement in the tax caption on the cover thereof, under the headings “THE DISTRICT,” “THE BONDS,” “SECURITY FOR AND SOURCES OF PAYMENT” (except the information included under the subheading “*Ad Valorem* Property Taxation in the District”), “OVERLAPPING, ADDITIONAL AND ADDITIONAL OVERLAPPING INDEBTEDNESS - Additional General Obligation Bonded Indebtedness of the District,” “LITIGATION,” “TAX EXEMPTION,” “ORIGINAL ISSUE DISCOUNT,” “BOND PREMIUM,” “CONTINUING DISCLOSURE” (except as it relates to compliance with prior undertakings) and “RELATIONSHIPS AMONG PARTIES” (only as it relates to Bond Counsel) therein and in Appendix B - “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE,” Appendix C - “FORM OF STANDBY CONTRIBUTION AGREEMENT,” Appendix D - “FORM OF LEGAL OPINION OF BOND COUNSEL” and Appendix E - “FORM OF CONTINUING DISCLOSURE UNDERTAKING” insofar as such information purports to summarize certain provisions of federal or state law or of the Bonds, fairly summarizes the information which it purports to summarize. The purpose of our professional engagement did not include establishing or confirming factual matters in the Preliminary Official Statement or the Official Statement, and we have not undertaken to independently verify any such factual matters. Furthermore, based solely on our participation in the transaction as Bond Counsel, nothing has come to our attention that would lead us to believe that the information and statements in the Preliminary Official Statement, as of its date and as of the date of sale of the Bonds, and the Official Statement, as of its date and as of the date hereof, contained or contain any untrue statement of a material fact or omitted or omit, respectively, to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, no view is expressed as to the financial statements of the Issuer, any other financial, forecast, technical or statistical data, and any information in the Preliminary Official Statement or the Official Statement respecting The Depository Trust Company or _____.

8. It is not necessary in connection with the sale and issuance of the Bonds to the public to register the Bonds under the Securities Act of 1933, as amended, or to qualify the Resolution or the Indenture under the Trust Indenture Act of 1939, as amended.

Our opinions expressed in paragraph 5 hereof are qualified to the extent that the enforceability of the District Documents are dependent upon the due authorization, execution and delivery of (and authority to perform lawfully) the District Documents by the other parties thereto and to the extent that the enforceability of the District Documents may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights and the exercise of judicial discretion in accordance with general principles of equity, including possible refusal by a particular court to grant certain equitable remedies such as specific performance with respect to the enforcement of any provision of such documents. We express no opinion as to the enforceability of any provisions of the District Documents (i) restricting access to legal or equitable remedies, (ii) purporting to establish evidentiary standards or waiving or otherwise affecting any rights to notice, demand or exhaustion of collateral, (iii) relating to self-help, subrogation, indemnification, delay or omission to enforce rights or remedies, severability or marshalling of assets or (iv) purporting to grant to the owners of the Bonds or to any party to the District Documents (other than the Issuer) any rights or remedies not specifically set forth therein.

This opinion is furnished by us as Bond Counsel. No attorney-client relationship has existed or exists between our firm and the addressee in connection with the Bonds or by virtue of this opinion. This opinion is solely for the addressee's benefit and, except as specifically stated herein, is not to be used, circulated, quoted or otherwise referred to or relied upon for any other purpose or by any other person. This opinion speaks only as of its date, and no republication is intended upon the sale, assignment, conveyance or transfer of the Bonds by the Underwriter.

Respectfully submitted,

WE HAVE ACTED as counsel to Estrella North LLC, a limited liability company formed and existing pursuant to the laws of the State of Delaware (hereinafter referred to as “Company”), particularly in connection with the transactions provided for by the documents referred to herein and in connection with the issuance and sale of the captioned Bonds, sold pursuant to a Bond Purchase Agreement, dated _____, 2026 (hereinafter referred to as the “Purchase Contract”), by and between Stifel, Nicolaus & Company, Incorporated, as underwriter (hereinafter referred to as the “Underwriter”), and Estrella Mountain Ranch Community Facilities District (City of Goodyear, Arizona) (hereinafter referred to as the “District”). Any capitalized term used and not defined herein shall have the meaning assigned to it in the Purchase Contract.

For purposes of this opinion, we have examined the following:

- (1) The executed Purchase Contract;

- (3) The executed Indemnity Letter, dated the date of sale of the Bonds by Company;

- (4) The executed Standby Contribution Agreement, dated as of June 1, 2026, by and among the District, Company and U.S. Bank Trust Company, National Association, as trustee;
- (5) The CFD Development Agreement;
- (..); and
- (..) Such other documents and instruments as we have considered necessary or appropriate for the purposes of this opinion

and received such other information from representatives of Company as we have deemed necessary for the purposes of this opinion (hereinafter referred to, collectively, as “due inquiry”). (The documents listed in paragraphs (3) and (4) above are hereinafter referred to together as the “Company Documents.” The documents listed in paragraphs (..) through (..) above are hereinafter referred to as the “Organizational Documents.”)

In rendering the following opinions, we have assumed:

- (a) The genuineness of all signatures to the Company Documents, except for the signatures of Company on the Company Documents, and the legal capacity of each natural person executing the Company Documents;
- (b) The authenticity and completeness of documents submitted as originals and the conformity to originals of documents submitted as copies;
- (c) The due authorization, execution, acknowledgment where necessary, and delivery, and the validity and binding effect, of the Company Documents with regard to the parties to that agreement other than Company;
- (d) The Company Documents accurately describe and contain the agreement and mutual understanding of the parties thereto and that there are no oral or written statements or agreements that modify, amend or vary, or purport to modify, amend or vary, any of the terms of the Company Documents;
- (e) That any certificate, representation (oral or otherwise), telegram, telex, telecopy, email or other documents on which we have relied, whether or not given or dated earlier than the date hereof, is authentic and remains accurate insofar as relevant to this opinion from such earlier date through and including the date hereof, and we are not aware of any facts inconsistent with this assumption; and
- (f) After due inquiry, the parties’ representations and warranties contained in the Company Documents are truthful and accurate and all reports and other documents prepared by third party consultants, relating to the transactions contemplated by the Company Documents or any of the property within the District are truthful and accurate.

Based on the foregoing, and subject to the limitations, qualifications and assumptions set forth herein, it is our opinion that:

1. Company is a limited liability company duly organized and validly existing under the laws and Constitution of the State of Delaware.

2. Company is qualified to do business under the laws of the State of Arizona.

3. Company has the requisite power and authority under the laws of the State of Arizona as well as all consents, approvals, authorizations and other actions by, and filings with, all federal, State and local governmental authorities required (i) to execute and deliver the Company Documents and carry out the terms and conditions applicable to it under, and consummate all transactions contemplated by, the Company Documents; (ii) to own and operate its properties and assets as described in the Official Statement and (iii) to carry out its business as such business is currently being conducted as described in the Official Statement.

4. The execution, delivery and performance of the Company Documents by Company and the carrying out, giving effect to and consummation of the transactions contemplated thereby have been duly authorized by all necessary corporate action on the part of Company, and the Company Documents have been duly executed and delivered by Company.

5. The Company Documents are in full force and effect as of the date hereof and constitute legal, valid and binding obligations of Company, enforceable in accordance with their terms.

6. The execution and delivery of the Company Documents by Company, and the performance of its obligations thereunder, do not and will not conflict with or result in a violation of, or a default pursuant to, the Organizational Documents.

7. To our actual knowledge, the execution and delivery of the Company Documents by Company will not conflict with or result in a violation of any contract, indenture, instrument or other agreement to which Company is a party or by which it or its properties are bound.

8. No consent, approval, authorization or other action by, or filing with, any federal, State or local governmental authority is required in connection with the execution and delivery by Company of the Company Documents which consent, approval, authorization or other action has not already been obtained.

9. We have no actual knowledge that Company is in violation of any provision of, or in default under, its Organizational Documents or any agreement or other instrument, violation of or default under which would materially and adversely affect the business, properties, assets, liabilities or conditions (financial or other) of Company.

10. We have no actual knowledge of any legal or governmental actions, proceedings, inquiries or investigations pending or overtly threatened by any governmental authorities or to which Company is a party or of which any property of Company is subject, except as described in the Official Statement.

11. To our actual knowledge, the information contained in the Official Statement pertaining to Company and the Project (as defined in the Official Statement) under the

headings “THE DISTRICT,” “LAND DEVELOPMENT,” “PUBLIC INFRASTRUCTURE FINANCED BY THE BONDS” and “RISK FACTORS” does not contain any untrue statement of material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which such statements were made, not misleading. In connection with our participation with the Official Statement, we have not undertaken to independently determine the accuracy, completeness or fairness of the statements contained therein, except as and to the extent provided in this paragraph, and the knowledge available to us is such that we are unable to assume, and do not assume, any responsibility for the accuracy, completeness or fairness of such information. However, on the basis of such participation, we have not acquired any knowledge that the Official Statement contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements therein, in light of the circumstances under which such statements are made, not misleading.

The opinions set forth above are subject to the following qualifications and limitations: (i) enforceability of the Company Documents may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium, arrangement or laws or court decisions affecting the enforcement of creditors’ rights generally; (ii) enforceability of the Company Documents is subject to general principles of equity, whether remedies are sought in equity or at law; (iii) enforceability of the Company Documents is further subject to the qualification that certain waivers, procedures, remedies, indemnities and other provisions of the Company Documents may be unenforceable under or limited by Arizona law; however, such law does not, in our opinion, substantially prevent the practical realization of the benefits intended by the Company Documents; (iv) we are expressing no opinion as to the enforceability of any indemnity provision with respect to any claims or other matters that result from the negligence or misconduct of any indemnitee or the failure of any indemnitee to act in a commercially reasonable manner and (v) we are expressing no opinion as to the compliance of the Company Documents or the offer and sale of the Bonds with any securities law or regulation except as provided in paragraph 11 hereof.

Whenever we indicate that our opinion is based on “our knowledge,” or words of similar import, such opinion is based solely on the current actual knowledge of the firm’s attorneys who have devoted substantive attention to matters related hereto after due inquiry. Except as specifically set forth herein, we have not made any independent investigation, verification, or review of any matters whatsoever and we are relying solely on such specifically stated investigation or review. We express no opinion concerning the legal validity and sufficiency of the acts of any of the other parties to the Company Documents.

We are qualified to practice law in the State of Arizona, and we do not purport to express any opinion herein concerning any law other than the laws of the State of Arizona and, for the limited subject of the corporate authority and corporate existence of Company, the laws of the State of Delaware. Our opinions are as to what the law is or might reasonably be expected to be at the date hereof, and we assume no obligation to revise or supplement this opinion due to any change in the law by legislative action, judicial decision or otherwise. Any opinion as to the enforceability of any document is limited to enforceability as between the original parties thereto.

This opinion is being furnished to you solely for your benefit and only with respect to the captioned Bonds. Accordingly, it may not be relied upon or quoted to any person or entity without, in each instance, our prior written consent.

Respectfully submitted,

Re: Estrella Mountain Ranch Community Facilities District (City of Goodyear, Arizona) General Obligation Bonds, Series 2026

This Indemnity Letter is delivered by Estrella North LLC, a limited liability company organized and existing pursuant to the laws of the State of Delaware (hereinafter referred to as “Company”), in order to induce Stifel, Nicolaus & Company, Incorporated (hereinafter referred to as the “Underwriter”), and Estrella Mountain Ranch Community Facilities District (City of Goodyear, Arizona), a community facilities district organized and existing pursuant to the laws of the State of Arizona (the “District”), to enter into the Bond Purchase Agreement, dated even date herewith (hereinafter referred to as the “Purchase Contract”) related to the purchase by the Underwriter and sale by the District of the captioned Bonds (hereinafter referred to as the “Bonds”). Terms which are defined in the Purchase Contract have the meanings ascribed to them therein when used herein.

1. In consideration of the execution and delivery of the Purchase Contract, Company represents and warrants to the Underwriter and the District that:

(a) Company is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware and is qualified to transact business in the State of Arizona.

(b) As of the date of the Official Statement, the information in the Official Statement pertaining to Company, its affiliates and the Project (as defined in the Official Statement) under the headings “THE DISTRICT,” “LAND DEVELOPMENT,” “PUBLIC INFRASTRUCTURE FINANCED BY THE BONDS” and “RISK FACTORS” (but not the other

information, opinions, assumptions or projections contained therein) is true and correct in all material respects for the purposes for which its use is or was authorized, and such information does not include any untrue statement of a material fact or omit to state any material fact necessary to make the statements made therein in light of the circumstances under which they are or were made, not misleading.

(c) Neither the execution or delivery of this Indemnity Letter, the CFD Development Agreement or the Standby Contribution Agreement (hereinafter referred to, collectively, as the “Company Documents”) nor the consummation of any other of the transactions herein contemplated, nor the fulfillment of, or compliance with, the terms hereof, shall contravene the organizational documents of Company or conflict with or result in a breach by Company of any of the terms, conditions or provisions of, or constitute a default by Company under, any bond, debenture, note, mortgage, indenture, agreement or other instrument to which Company is a party or by which it is bound or to which any of the property or assets of Company is subject, or any law or any order, rule or regulation applicable to Company of any court, federal or state regulatory body, administrative agency or other governmental body having jurisdiction over Company or any of the properties or operations of Company, or (except as contemplated by the Company Documents) will result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of Company under the terms of any such restriction, bond, debenture, note, mortgage, indenture, agreement, instrument, law, order, rule or regulation.

(d) There is no action, suit, proceeding or investigation at law or in equity before or by any court or governmental agency or body pending or, to the best knowledge of Company, threatened against Company wherein an adverse decision, ruling or finding would (i) result in any material adverse change in the condition (financial or otherwise), results of operations, business or prospects of Company, or which would materially and adversely affect the properties (taken as a whole) of Company, and which has not been disclosed in the Official Statement, (ii) materially adversely affect the transactions contemplated by the Purchase Contract or the Company Documents or (iii) adversely affect the validity or enforceability of the Company Documents.

(e) Company has the full power and authority to execute and deliver the Company Documents and perform its obligations hereunder and thereunder and engage in the transactions contemplated by the Purchase Contract and the Company Documents, and the Company Documents have been duly authorized by Company and, when executed and delivered by the respective parties thereto, will constitute valid, binding and enforceable obligations of Company except as enforcement thereof may be limited by bankruptcy, insolvency or other laws affecting enforcement of creditors’ rights and except as the indemnification provisions hereof may be limited by applicable securities laws or public policy.

(f) No consent, approval, authorization or other action by any governmental or regulatory authority that has not been obtained is or will be required for the consummation by Company of the transactions contemplated by the Purchase Contract and the Company Documents.

2. Company shall indemnify and hold harmless the Underwriter, the District, the Financial Advisor and, as applicable each director, trustee, partner, member, officer, official, legal counsel, independent contractor or employee thereof and each person, if any, who controls the Underwriter, the District or the Financial Advisor within the meaning of the Securities Act of 1933, as amended (any such person being herein sometimes called an “Indemnified Party”), for, from and against any and all losses, claims, damages or liabilities, joint or several, (i) to which an Indemnified Party may become subject, under any statute or regulation at law or in equity or otherwise, to the extent, and only to the extent, such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact pertaining to Company or the Project set forth in the sections identified in the Official Statement in Section 1(b) above or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact pertaining to Company or the Project required to be stated in such section(s) or which is necessary to make the statements made therein, in light of the circumstances in which they were made, not misleading in any material respect, except such indemnification shall not extend to any other statements in the Official Statement and (ii) with respect to an Indemnified Party only, to the extent of the aggregate amount paid in any settlement of any litigation commenced or threatened arising from, and only to the extent of, a claim based upon any such untrue statement or alleged untrue statement or omission or alleged omission pertaining to Company or the Project, the indemnity provided by Company shall only apply if such settlement is effected with the written consent of Company (which consent shall not be unreasonably withheld). The indemnification obligation of Company hereunder (and/or any defense obligation) shall not extend to any other statements in the Official Statement or to claims based upon the action of any other parties, including the Indemnified Parties, or to such losses, claims, damages or liabilities or defense costs that arise from such other statements in the Official Statement or to claims based upon the action of any other parties, including the Indemnified Parties.

An Indemnified Party shall, promptly after the receipt of notice of a written threat of the commencement of any action against such Indemnified Party in respect of which indemnification may be due from Company, notify Company in writing of the commencement thereof. Failure of the Indemnified Party to give such notice shall reduce the liability of Company by the amount of damages attributable to the failure of the Indemnified Party to give such notice to Company, but the omission to notify Company of any such action shall not relieve Company from any liability that it may have to such Indemnified Party otherwise than under this Section. In case any such action shall be brought against an Indemnified Party and such Indemnified Party shall notify Company of the commencement thereof, Company may, or, if so requested by such Indemnified Party, shall, participate therein or assume the defenses thereof (to the extent of Company’s portion of such claims, if additional claims are made beyond those for which indemnity is provided hereunder), with counsel satisfactory to such Indemnified Party and Company (it being understood that, except as hereinafter provided, Company shall not be liable for the expenses of more than one counsel representing the Indemnified Parties in such action or for the cost of the portion of any defense of any additional claims beyond those for which indemnity is provided hereunder), and after notice from Company to such Indemnified Party of an election so to assume the defenses thereof, Company shall not be liable to such Indemnified Party under this Section for any legal or other expenses subsequently incurred by such Indemnified Party in connection with the defense thereof other than reasonable costs of investigation; provided, however, that unless and until Company assumes the defense of any such action at the request of such Indemnified

Party, Company shall have the right to participate at its own expense in the defense of any such action. If Company shall not have employed counsel to have charge of the defense of any such action or if an Indemnified Party shall have reasonably concluded that there may be defenses available to it and/or other Indemnified Parties that are different from or additional to those available to Company (in which case Company shall not have the right to direct the defense of such action on behalf of such Indemnified Party) or to other Indemnified Parties, reasonable legal and other necessary expenses, including the expense of separate counsel, incurred by such Indemnified Party shall be borne by Company, but only if and to the extent liability is found or based upon a matter for which Company is liable hereunder.

3. All of the representations, warranties, and agreements of Company contained in the Company Documents shall remain operative and in full force and effect, regardless of (i) any investigation made by or on behalf of the Underwriter, the District, the Financial Advisor, any controlling person referred to in paragraph 2 hereof or Company or (ii) delivery of and payment for the Bonds.

4. This letter is solely for the benefit of the Underwriter, the District, the Financial Advisor and their successors or assigns, and, to the extent provided in paragraph 2 hereof, each Indemnified Party, and no other person shall acquire or have any right under or by virtue hereof. The terms "successors" and "assigns" as used in this letter shall not include any purchaser, as such purchaser, from the Underwriter of the Bonds.

5. Company shall pay all costs with respect to the issuance and delivery of the Bonds except for the cost of the premium for the Policy.

6. Company consents to the references to Company in the Official Statement.

7. This letter shall be governed by, and construed in accordance with, the laws of the State of Arizona.

8. The electronic signature of Company to this letter shall be as valid as an original signature of Company and shall be effective to bind Company.
