Urban County
Diana Serna
1916 Tesoro Blvd.
Pharr, TX 78577

Dear Ms. Serna:

We are requesting that you please consider moving the funds allotted for essential services to maintenance and operations as there are more case files with expenses to be submitted for reimbursement and no more monies available. At this time we feel that the organization has a greater need for funds under operations as we have not had the need to issue any assistance under essentials. By making the change your agency will be allowing us to make better use of the funds granted to the American Red Cross.

Should you have any questions please contact us at 956-423-0523.

Michael Huckabee
Executive Director

Together, we can save a life
