Project Name: Hidalgo County Pct.3 Motor Pool
Project No.: 05-229

Mr. Tapia,

This letter is the response to your question regarding the proposed addition to the Motor Pool Building.

The addition to the building would not effect any warranties. Substantial completion would be issued for the original construction before any work begins on the addition.

If you have any questions, please do not hesitate to call the office.

Thank you

Alberto Treviño

Dear Mr. Hinojosa

Following our fax dated January 18, 2007 addressed to Albert Trevino and today's telephonic conversation with Noemi from your Office, pursuant to action taken by Hidalgo County Precinct 3 to expand the existing motor pool building including installation of concrete in all entrance and side walk around the shop. please advice date when are you going to submit your recommendations if this will not interfere with the existing warranty for the building and if engineering prints can be workout through existing contract for the above reference project including, but not limited, to the scope of work plans as follows:

- 1- Provide and set concrete, re bar, dirt and underground rough-ins to new slab
- 2- Expand existing sheet metal building to a 20' width x 25' length room to include a break room, restroom and storage room.
- 3- Provide and install new electrical light fixtures in rooms 2' x 4' lay-ins
- 4- Sand, tape, float, patch, texture and paint new 5/8 drywall walls.
- 5- Provide and install new HVAC, electrical and plumbing materials.
- 6- Provide and install proper insulation, cabinetry and ADA requirements.
- 7- Haul away debris from site on a daily basis.
- 8- Attached lay-out
- 9- Barricade construction areas with proper safety equipment.

Should you have any questions or required additional information, please do not hesitate to contact us.

Sincerely,

Juan M Tapia
