Subject: 2007 extra funding approval

Hi,

The State Agency has received your request for extra funding in fiscal year 2007. Your request has been approved. This is approval for extra funding only. This e-mail does not relieve you of the responsibility of seeking additional approval if required by WIC policy. All items requiring either State or USDA approval must be submitted to Rachel Halliburton. Examples of these are computers (please include specifications), renovations, please complete Exhibit B found at <http://www.dshs.state.tx.us/wichd/fin/finfrm.shtml> and all equipment over \$1,000. The extra funding items must be billed on a separate State of Texas Reimbursement voucher, B-13, labeled FY 2007 extra funding. All funds must be encumbered or obligated in your accounting records before September 30, 2007 and received, paid for, and billed by December 31, 2007, in accordance with WIC Policy AC:2.0. Please keep documentation of your extra funding request on file for audit or review.

If you have any question please let me know.

Thanks,
Ellen

Subject: FY2007 Additional Funds

The WIC State Office has additional funding for FY 2007 to offer to local agencies. If you have a need for extra funds and believe that you can encumber/obligate them on your books before the end of September and receive, pay and bill for them by December 31, 2007, please submit your request in writing to Ellen Larkin at ellen.larkin@dshs.state.tx.us by July 15, 2007. The request should include an itemized list of the items you would like to purchase and total estimated cost.
