Regarding: Medical Health Plan**

Hidalgo County has been notified that Texas True Choice Provider Network (*our current medical provider network through Mutual of Omaha*) has recently completed a contract with South Texas Health System which, effective October 1, 2007, provides Hidalgo County Medical Plan members with access to the following facilities:

McAllen Medical Center
McAllen Heart Hospital
Edinburg Regional Medical Center
Edinburg Children's Hospital
Edinburg Rehabilitation Hospital
South Texas Behavioral Health Center

This means your Medical Health Plan starting October 1, 2007 will include these medical facilities as "In-Network" which makes available a larger network and offers you greater choice. Please use In-Network facilities and providers to take advantage of higher medical plan reimbursement.

Please contact your Hidalgo County Employee Benefits Department with any questions regarding this important announcement.
