Right-of-Entry for Survey and Site Assessment

The undersigned, hereinafter called the "Owner", hereby grants to the United States of America, hereinafter called the "Government", a temporary right-of-entry upon Owner's property described below, hereinafter called the "Property". This right-of-entry is granted upon the following terms and conditions:

1. The Government's employees and contractors shall have the right to enter upon Owner's Property for the purpose of conducting environmental assessments and property surveys, including the right to temporarily store, move and remove necessary equipment and supplies; survey, stake out, appraise, bore and take soil and/or water samples, and perform any other such work which may be necessary and incidental to the Government's assessment of the Property for proposed construction and installation of border security infrastructure and technology (including but not limited to fences, roads, towers, communications equipment and any other border security related-equipment).
2. This right-of-entry is irrevocable for a period of 12 months from the date of this instrument.
3. The rights granted herein include the right of ingress and egress on other lands of the Owner not described below, provided such ingress and egress is necessary to access the Property and is not otherwise conveniently available to the Government.
4. All tools, equipment, and other property taken upon or placed upon the land by the Government shall remain the property of the Government and may be removed by the Government at any time within a reasonable period after the expiration of this right-of-entry.
5. If any action of the Government's employees or agents in the exercise of this right-of-entry results in damage to the real property, the Government will, at its option, either repair such damage or make an appropriate settlement with the Owner. In no event shall such repair or settlement exceed the fair market value of the fee interest of the real property at the time immediately preceding such damage. The Government's liability under this clause may not exceed appropriations available for such payment and nothing contained herein may be considered as implying that Congress will at a later date appropriate funds sufficient to meet deficiencies. The provisions of this clause are without prejudice to any rights the Owner may have to make a claim under applicable laws for any other damages than provided herein.
