RE: "Precast Safety End Treatments" for Hidalgo County Project

I received and reviewed the recommendation by each precinct regarding the bids received for the above referenced project. After thoroughly reviewing the bid packets for each vendor and based on your recommendation for multiple low bidders for each separate size of pipes, one of the vendors submitted an incomplete bid; therefore, bid award will be based on bidder meeting all specifications and/or requirements.

The item will be place on Commissioner's Court agenda meeting of December 26, 2007, for award of bid. If you have any questions in regards, please do not hesitate to call me at 318-2626.

**Please acknowledge receipt by signing below and return back to Purchasing Department, Via Fax to (956) 318-2629 or 292-7612.**

**Market Volatility and Unit Price Adjustments:**

Hidalgo County recognizes that during periods of national crisis and unstable economic conditions, unforeseen price increases might affect costs for goods and services contracted on an annual basis. The following procedure may be employed to mediate price volatility:

**1). Requesting Price Adjustment:** Upon written request of the Vendor to the County Purchasing Agent, the County may review evidence of prevailing industry-wide market conditions that warrant an adjustment in bid prices contained in the contract.

- A Vendor must tie any price change clause to an industry-wide or otherwise nationally recognized index, or some other form of verifiable document. Such written request must be accompanied by a certified copy of the supplier’s advisory or notification to the vendor of the price changes.
- The Vendor must put the Purchasing Agent on the mailing lists for such publications so that the Purchasing Agent can monitor said changes. Such membership shall be at no cost to the County.
- The County Purchasing Agent retains the right to determine whether or not such proposed price changes are in the best interest of the County.
- No price escalation will be authorized in excess of the amount of the increase referred to in the supplier’s notice.
- The County may only grant a price increase if the evidence presented is deemed reliable. Should the County allow a price increase, the approved price change shall be honored for all orders received by the vendor or contractor after the effective date of such price change. Approved price changes are not applicable to orders already issued and in process at time of price change.
