I, Abelardo cortez and Maria cortez would like to cancel any and all requests, orders or sales for any house to be built by your agency.

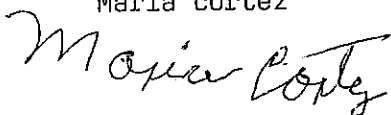

We appreciate your interest and good intentions for us to built a home.

Respectfully,

Abelardo cortez

On November 28, 2007 I was in the conference room with the client's ~~and~~ Mr. & Mrs. Abelardo Cortez and their son Jimmy. The clients were concerned due to the taxes going up once they have their brand new home. This is why the client decided to cancel the application with Urban County Program.
