**RE: Hidalgo County Landfill Project: Supplemental Agreement No. 2 to Work Authorization No. 1 to the Main Contract for the Continuation of the Landfill Project (Assistance to the Legal Team)**

Dear Mr. Flores,

In good faith, Dannenbaum Engineering has been providing assistance to the Legal Team to obtain approval from the Texas Railroad Commission for the Eyhorn Subdivisions #1 and #2 as per contractual agreement under Work Authorization No. 1 to the Main Contract for the Continuation of the Landfill Project.

Respectively, we have been providing additional effort in the preparation of exhibits and responses to questions for the legal team for the upcoming hearing. Also, Dannenbaum spent additional time and effort on the modification of the subdivision plats for Eyhorn Subdivisions No. 1 and No. 2.

Additionally, at the request of Hidalgo County, Dannenbaum retained the services of Hollis Rutledge and Associates, Inc. to provide assistance to the Legal Team at the upcoming Railroad Commission hearing, which was scheduled for December 18<sup>th</sup>, but hence has been moved to January 28, 2008. Their cost is included in our cost proposal.

Again, Dannenbaum has performed the additional services to assist the Legal Team in good faith. Please review our Supplemental Agreement No. 2 to Work Authorization No. 1 under the Main Contract for the Continuation of the Landfill Project. Upon approval, please sign both copies and return one original signature copy to our office for our files.

If you have any questions or comments, please feel free to contact me at (956)682-3677 or (832)771-4904.

Thank you,

Louis H. Jones, P.E.  
Principal
