Re: Ballot-Selection of Appraisal District Board of Directors 2008 - 2009

The Appraisal District is governed by five Board of Directors who are appointed by the taxing units that participate in the district. The county tax assessor-collector, Mr. Armando Barrera, Jr. is not appointed to the Board but serves as a non-voting director.

A governing body of a taxing unit may cast all its votes for one candidate or distribute them among candidates for any number of directorships. Each voting unit shall determine its vote by written resolution and submit it to the Chief Appraiser before DECEMBER 15, 2007. A voting unit shall cast its vote for a person nominated and named on the ballot. There is no provision for write-in candidates. The Chief Appraiser may not count votes cast for someone not listed on the official ballot.

Once all votes have been delivered to the Chief Appraiser, the Chief Appraiser will count the votes and declare the five candidates who received the largest cumulative vote totals elected, and submit the results before DECEMBER 31, 2007 to the governing body of each taxing unit in the district and to the candidates.

Enclosed you will find the following information:

1. An official ballot listing the nominees and the number of votes for your entity
2. Background history on the nominees
3. Number of authorized votes for each taxing entity
