RE: State of Texas CO-OP Purchasing Program
Annual Membership Renewal

Dear Ms. Salazar:

It is time to renew your entity's membership in the Texas Comptroller of Public Accounts Cooperative Purchasing Program (CPA CO-OP). The \$100 annual participation fee is due by 03/02/08. An invoice has been enclosed for your convenience.

The CPA CO-OP team is currently in the process of auditing all accounts for resolutions and other legally required participation documentation. You may receive a call from your CPA CO-OP Account Representative requesting these documents. Please respond to their requests promptly. Your account will not be renewed until all documentation is current.

CPA CO-OP members authorized to participate in the state travel management program must continue membership in the CPA CO-OP in order to maintain uninterrupted use of these contracts. Eligible entities include Municipalities, Counties, School Districts and Public Junior and Community Colleges as authorized by the Texas Government Code, Title 10, sections 2171.001-2171.055. State Travel Management contract access will be terminated if the membership fee and all required documents are not received by 03/02/08.

If you have any questions, please feel free to call CPA CO-OP at 512/463-3368.

Thank you for your continued participation and support.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
