IN RE: JUDICIAL SYSTEMS, INC.

Dear Marty:

Enclosed is a copy of the contract (Bid Response) from the Judicial Systems, Inc., whom we purchased the software program from back in November 2000. They are the sole proprietors to this program, therefore we do not need other bids for consideration.

On the copy of the contract (Bid Response) under **OTHER FACTORS FOR CONSIDERATION**, It states that the Annual fee for unlimited telephone Technical support is \$2,388 per year.

Another item to be considered under this section is the creation of future Hidalgo County Jury wheel databases for .0043036 per input record and 4.00 per thousand Jury Wheel records for Zip+6 and Geographical Address coding. A new Jury wheel needs to be created at the end of each year, which will include the new voters and drivers.

Please keep this memo for future P.O. Requisitions on these items.

Sincerely,

Omar Guerrero
