1. It is agreed that the state or local agency named on this agreement will assist in OCDETF investigations and prosecutions as set forth in the Organized Crime Drug Enforcement Task Force Strike Force Program and Policy and Procedures Manual, April 2006.
2. This agreement may be terminated by any of the parties by written notice to the other parties ten (10) business days prior to termination. Billing for outstanding obligations shall be received by OCDETF within thirty (30) days of the notice of termination.
3. Any exceptions or additions to the approved reimbursable costs listed above must be detailed and attached in Addendum A of the Agreement.
4. Property and equipment purchased through the OCDETF Program must remain available to the Strike Force for the duration of the investigation. Once the Strike Force investigation is concluded, usage and disposition are at the discretion of the state or local agency.
5. The reimbursement of these items must be permissible under the AFF statute, Section 524 (c)(1)(I) of Title 28, United States Code, and this guidance, and are subject to the availability of funds.
6. All approving officials must agree to amendments or changes to the amount of the Agreement, the listing of eligible items to be reimbursed, and associated estimates that occur after an Agreement has been executed. These amendments or changes must be transmitted by a memorandum approved and signed by the Strike Force Leader, and forwarded to the OCDETF Executive Office. All changes made to the original agreement must be approved and initialed by the person making the revision and the Strike Force Leader.

7. Subsequent to payment of invoices by the state and local agency to a third party vendor, the DOJ will reimburse the agency for approved investigation related equipment and service costs. To ensure proper and complete utilization of OCDETF cost allocations, reimbursement claims must be submitted monthly on the OCDETF Reimbursement Request Form. 9. State and local agencies must provide official procurement documents to support all reimbursable expenditures to the Strike Force leadership upon request. Official procurement documents may include purchase orders, service agreements, invoices, receiving documents, etc. If proper supporting documentation is not available, OCDETF will not make reimbursement payments. The cumulative amount of all reimbursements cannot exceed the agreement amount without proper modification.

10. Under no circumstances will the state or local agency charge any indirect costs for the administration or implementation of this agreement.

11. By the 25th of each month, the Strike Force Leader will provide to the Executive Office a status of funds report detailing expenditures for each reimbursable agreement. State and local agencies are to provide monthly billing estimates or activity updates upon request.

12. Analysis of reimbursement claims by the Strike Force may result in a modification of the obligation of funds contained within this agreement as well as the time period covered. In accordance with the Act, all OCDETF reimbursement payments will be issued via EFT. All participating state and local agencies must complete and submit the attached EFT form. The OCDETF Executive Office must receive one EFT form from each participating agency or police department prior to processing their reimbursement payments. In certain circumstances the OCDETF Executive Office will make exceptions for agencies that are unable to accept this form of payment, however, they must include written justification in the addendum of each new agreement.

This agreement is not a contract or obligation to commit Federal funds in the maximum amounts projected. Funding allocations for the time period set forth, agreed to herein represent projections only, and are based upon consultation between the Strike Force and the state or local law enforcement agency. They are, therefore, subject to modification by OCDETF based upon the progress and needs of the OCDETF investigation. Additionally, resources are contingent upon the availability of funds per the approval and signature of the Strike Force Leader's obligating authority. The OCDETF Executive Office will verify and accept that all the terms and conditions of the agreement have been met.
