All such payments shall be made to UTMB within the 45-day period notwithstanding any outstanding claim for insurance reimbursement or otherwise the County or Eligible Resident may have against a third party and no managed care edits or adjustments may be made by the County to the invoiced amount.

- 2.1.3. In the event that the County disputes all or any portion of an amount included in an invoice, the County will notify UTMB in writing of the specific reason for which the amount is being disputed. Valid reasons for dispute include (i) appointment not authorized; (ii) cap out; and (iii) Medicaid patient. In the case of the first two, UTMB and County will consult their respective records to resolve the dispute. In the case of a Medicaid patient, the County will provide the Medicaid Number, the Add Date, Effective Date and Term Date and such other information as is reasonably requested by UTMB. Any other reason for disputing a charge (i.e., duplicate charge) must be accompanied by a full explanation of the reason for non-payment and evidence that such charge is not valid and the County will provide to UTMB such additional information as is reasonably requested by UTMB. All notices of dispute shall be in writing, specific, in good faith, and promptly forwarded to the respective UTMB billing entity, but in no event later than forty-five (45) days from the invoice date. Dispute notices received by UTMB later than forty-five (45) days shall be null and void and the disputed amount, together with accrued interest beginning on the 46th day from the invoice date until the date of payment, shall be due and owing from the County to UTMB. In the event a dispute is resolved in the County’s favor, County shall not be responsible for any interest on the disputed portion of the invoice. Notices for dispute of an invoiced amount are to be sent directly to the respective UTMB billing entity set forth in Section 2.1.4 with the appropriate documentation necessary for each such billing entity:
 - 2.1.3.1 Dispute notices concerning physicians’ services should be documented on the provided Physicians’ Charges Summary Report with the amount paid per individual claim.

- 2.1.11. The County shall ensure that all referrals contain a valid and unique authorization identifier for each patient encounter. An authorization identifier is needed to evidence the guarantee of benefits and eligibility for the referral and is proof for payment of health care services provided by UTMB under this Contract in the patient encounter.
- 2.1.12. The County is responsible to provide upon execution of this Contract a list of any specific procedures that will require additional authorization during the term of this Contract.
- 2.1.13. County agrees to pay those fees in accordance with Section III for Emergency Care received by any County Eligible Resident at the UTMB Emergency Room.

UTMB agrees to cooperate reasonably with the County to provide claims for Eligible Residents to County in a commercially reasonable manner so as to minimize the County's financial exposure pursuant to this section. County agrees to notify UTMB by fax at (409) 747-0850 when an Eligible Resident reaches 60% of the County's statutory responsibility.

2.2.3 UTMB agrees that it will not "balance bill" for health care services provided to those Eligible Residents who have the appropriate consultation form identified in Exhibit B. UTMB agrees to accept County's payment as payment in full for health care services provided to Eligible Residents. In the event that Eligible Resident is entitled to payment for health care services from a third party payer, UTMB shall not demand from County any amount received by County for reimbursement from a third party payer. In the event that UTMB receives payment from both the County and a third party payer, UTMB agrees to refund the County for the amount received from the third party payer not to exceed the amount paid by the County. For purposes of accomplishing the intent of this section, the County assigns to UTMB its rights to collection for any third party claim for services rendered by UTMB to Eligible Residents.

The plan provides coverage of \$500,000 per claim and \$1.5 million in annual aggregate and is an "incurred" plan and provides "tail" coverage. UTMB agrees to provide evidence of current coverage under such policies and to immediately inform County of any actual or proposed material modification, cancellation, or termination of such insurance. County acknowledges that, as an agency of the State of Texas, UTMB's liability for the tortious conduct of UTMB employees or for injuries caused by conditions of tangible personal property is provided for by the provisions of the Texas Tort Claims Act (Texas Civil Practice and Remedies Code, Chapters 101, 104, and 108).
