Re: Appointment of Deputy Constable Precinct 3

Mr. Valde Guerra:

We recently had a position for Deputy Constable that became vacant in our office. Due to the workload, we are in need of filling the position as soon as possible. We opened the position internally, and there were no applicants. We proceeded to open the position externally, and we had a response of six applicants. Interviews were held by the department and a gentleman by the name of Horaldo Sanchez was chosen to fill the position. We are requesting that the court discuss, consider, and approve his appointment according to Local Government Code Chapter 86.011. Your attention to this matter will be greatly appreciated.

Sincerely,
