Re: Donation to the Hidalgo County Sheriff's Office Canine Program

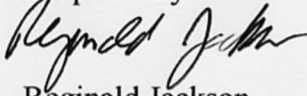

Dear Sheriff Treviño,

My name is Reginald Jackson and I wish to donate a trained police canine to the Hidalgo County Sheriff's Office Canine program. The canine is a 7 year old Dutch shepherd, named Bosco. Canine Bosco is a trained dual purpose canine which can be utilized for narcotics detection and police work. I know that Canine Bosco will be an available asset to your Sheriff's Office to track and apprehend criminals, find hidden narcotics, as well as for finding lost children and/or elderly individuals. I know that Bosco will be an effective tool for Criminal Enforcement, allowing the Sheriff's office to better serve the citizens of Hidalgo County.

The only request that I have is that I be given the opportunity to adopt Bosco, when his service to the citizens of Hidalgo County is completed and he is ready to be retired.

If you have any questions please feel free to contact me at cellular phone (956) 739-2731.

Respectfully

Reginald Jackson
