**BACKGROUND**

Local Government Code § 152.011 authorizes the Commissioners' Court to set the amount of the travel expenses and other allowances for County and precinct officers and employees who are paid wholly from County funds.

Commissioners' Court approved the original policies, guidelines and procedures on June 1, 1996. On \_\_\_\_\_ 2008, the Hidalgo County Commissioners' Court revised the travel policies, guidelines, and procedures that were previously amended on April 4, 2006. These travel policies, guidelines, and procedures supersede those found in the Hidalgo County Personnel Policy Manual ("Brown Book") and the Hidalgo County Civil Service Commission Rules ("Blue Book"). The travel policies, procedures, and guidelines set forth below are applicable to Hidalgo County Officials (Elected Officials, Appointed Officials, and Department Heads) and employees.

Hidalgo County has adopted an "Accountable Plan" for the reimbursement of business travel expenses. Pursuant to Federal Tax Regulation § 1.62-2, reimbursements for travel under an "Accountable Plan" must meet three requirements as follows:

1. There must be a business connection and the expense must be reasonable;
2. There must be a reasonable accounting of the expenses (amounts paid up to the allowable federal per diem rates are deemed substantiated); and
3. All excess reimbursements must be repaid in a reasonable time.

Federal Tax Regulation § 1.62-2(k) provides that, in addition to these three tests, the plan cannot exhibit a "pattern of abuse." If a payer's reimbursement or other expense allowance arrangement evidences a pattern of abuse of the rules of section 62(c) and this section, all payments made under the arrangement will be treated as made under a nonaccountable plan.

Pursuant to Federal Tax Regulation § 1.62-2(c)(5), payments or reimbursements under a nonaccountable plan are included in the employee's gross income, must be reported as wages or compensation on the employee's Form W-2, and are subject to withholding and payment of employment taxes (social security, Medicare, unemployment).

**POLICIES AND GUIDELINES**

5. AUTHORIZATION FOR OUT-OF-STATE TRAVEL

- a. Out-of-state travel shall be kept to a minimum.
- b. The Department of Budget and Management (DBM) must approve all out-of-state travel before any reservations and/or travel are made (except for mandatory travel such as transportation of detainees and investigations). **Form T-1 "Application for Out-Of-State Official Travel"** must be submitted to the DBM in order to justify the need to travel out-of-state.
- c. The County is not obligated to pay for travel if prior approval from the Department of Budget and Management is not obtained.

6. METHOD OF PAYMENT FOR TRAVEL EXPENSES

- a. Direct Payment - The County Auditor's Office may pay registration fees, hotel, and airline reservations directly to vendors. The request for payment must be received with sufficient time for the check to be processed by the County Auditor's Office - Accounts Payable Section (at least two weeks prior to the date the check will be needed).
- b. Department's Travel Card - If request for payment is not received within the time specified above, the Purchasing Department should be contacted in order to request that payment be made through the Department's travel card (see Travel Card procedures).
- c. Traveler's Personal Credit Cards and/or Cash - Travel expenses incurred by employees and officials while conducting County business may be paid through personal credit cards and/or cash. The employee or official will be reimbursed by the County for reasonable and allowable expenses in accordance with this Policy upon completion of the travel and submittal of a properly filled **Form T-4 "Final Travel Expense Claim"**. The County will not reimburse interest, over the limit, and late charges, incurred in a personal credit card by the traveler.
- d. Travel Advance - The employee or official may also receive a travel advance subject to certain restrictions (see Section 16).

7. COORDINATION OF TRAVEL

- a. "Coordination of travel" in this Section means County employees traveling together in a personally owned vehicle, County vehicle, or leased motor vehicle.

***DRAFT FOR DISCUSSION PURPOSES ONLY***

- b. Coordination of travel is required when two, three, or four County employees employed by the same County department travel on the same dates with the same itinerary to conduct the same official County business. If more than four County employees employed by the same County department travel on the same dates with the same itinerary to conduct the same official County business, then coordination of travel is required for each group of four employees and for any fraction in excess of a multiple of four employees.
- c. When coordination of travel is required, reimbursement will only be made to the driver of the personally owned vehicle (mileage) or leased motor vehicle (fuel charges). Mileage incurred by a County employee to meet at a location or to pick up other County employees may be reimbursed. This mileage must be reasonable and documented in detail (see Section 9).
- d. Coordination of travel, however, is not required if the County Official determines before travel that coordination of travel is not feasible. That determination may be based only on factors relating to official County business. Determinations should be made on a trip-by-trip basis and must be provided in a written memo to the County Auditor's Office – Accounts Payable Section. If the County Auditor's Office determines that the rationale for the determination was not related to official County business, the reimbursement will only be made to one of the travelers.

**8. AIR TRAVEL**

- a. The most economical airfare should be obtained (only coach fare will be allowed). If travel more expensive than coach fare is obtained, the fare must be paid with the traveler's funds and the difference between the coach fare and the fare obtained will not be reimbursed to the traveler. Refundable fares should be considered if possibility of a trip cancellation exists. Commercial airlines are normally the most economical mode of transportation for out-of-state travel. Airline tickets should be reserved in advance, when possible, in order to obtain the most reasonable rates. The use of a travel agency to book air travel reservations is discouraged.
- b. Airline tickets purchased with the department's travel card must be reserved through the Purchasing Department (see Travel Card Procedures) and be related to travel expenses for County employees.
- c. Package fares (Friends Fly Free, etc.) are encouraged when two or more County Officials or employees are traveling to and from the same location and overall cost can be reduced.

***DRAFT FOR DISCUSSION PURPOSES ONLY***

- d. The County will only pay one half of the cost of the package fare in cases where officials or employees fly with family or friends (Friends Fly Free, etc.). Airfare for package fares must be paid using the traveler's own personal credit card or funds. The official or employee will be reimbursed one half of the price of the coach fare upon completion of the travel and submittal of a properly filled **Form T-4 "Final Travel Expense Claim"** and evidence of the price of the coach fare.
- e. The boarding pass and an original passenger receipt issued by the commercial airline company or an original itinerary issued by the travel agency must be submitted as supporting documentation for a reimbursement. The original receipt or itinerary must include the name of the employee and airline, the ticket number, the class of transportation, the travel dates, the amount of the airfare, and the origin and destination of each flight.

9. PERSONAL VEHICLE

- a. If the official or employee elects to travel by personal vehicle, the County will reimburse official business travel at the County adopted rate per highway mile. County Officials or employees currently receiving an approved car allowance will not be reimbursed, unless travel is outside of Hidalgo County. If the traveler is uncertain of the adopted rate, this information may be obtained by contacting the County Auditor's Office - Accounts Payable Section at (956) 318-2511. Please note that the mileage rate may differ if utilizing grant funds, questions should be addressed to the County Auditor's Office - Grants Accounting Section at (956) 318-2511.
- b. Mileage reimbursements for a traveler who chooses to drive out-of-state rather than fly should not exceed the lowest round trip coach airfare available at the time travel was authorized. Traveler must supply documentation to support what the airfare would have been at that time.
- c. When more than one traveler is going to the same destination, coordination of travel is required (see Section 7). The names of all persons traveling together on the same trip and in the same vehicle must be listed on **Form T-5 "Out-of-County - Travel Advance Request"** and **Form T-4 "Final Travel Expense Claim"**.
- d. The driver is responsible for providing reasonable and necessary transportation to all the passengers while on the trip. If a passenger uses another form of transportation while on the trip, transportation expenses will not be reimbursed.

- e. Mileage is calculated on a point-to-point basis using the Texas Mileage Guide, plus reasonable incidental travel. Reasonable incidental travel may be reimbursed when the traveler provides specific address destination points by using "Mapquest" to determine mileage. The most direct distance to the destination will be allowed. Any out-of-way or unreasonable travel distance as determined by the County Auditor will be at the expense of the traveler.
  
- f. For in-county mileage reimbursement, a daily travel log must be maintained that indicates specific destination points (including address information) purpose of travel, and any other information deemed necessary. Employees must request reimbursement on a monthly basis with the completion and submittal of **Form T-3 "In-County Travel Automobile Expense Claim"** to the County Auditor's Office - Accounts Payable Section.
  
- g. Commuting expenses incurred in traveling between the employee's residence and their main place of work (County office) or for mileage/expenses incurred in any other travel of a personal nature are not reimbursable. If mileage incurred in a single day to a place outside the office exceeds normal commuting mileage (home to office and return), the difference between mileage incurred that day and commuting mileage is reimbursable. As guidance, please refer to the following examples:

Example 1: Debra lives in Mission. She has a meeting in Edinburg. She drives directly to Edinburg, attends the meeting, and returns home. She should check her odometer reading when she leaves her house and when she returns to her house. Her total round trip is 26 miles. Her normal commute is 10 miles round trip to the office each day. The 10 miles should be deducted from the total mileage and Debra would only be reimbursed for 16 miles.

Example 2: Mary lives on the southwest side of town, and has a 10-mile daily round trip commute to the office. She reports to the office in the morning and leaves for a 10 o'clock meeting at the Sheriff's Department. The meeting lasts until the end of the normal workday, at which time she goes home. Mary traveled 40 miles today, and she will be reimbursed for 30 miles.

Example 3: Daniel lives on the east side of town and his daily round trip commute to the office and back home is 15 miles. He has an eight o'clock meeting at the Department of Budget and Management. He goes directly from home to the Department of Budget and Management,

returns to the office after the meeting, and goes home at the end of the day. Daniel traveled 45 miles of which only 30 miles are reimbursable.

Example 4: Frank lives on the south side of town. He has a morning meeting at the Precinct 1 office. The meeting lasts all day, and Frank returns home from Precinct 1. A total of 20 miles were traveled today. Frank commutes 30 miles round trip to the office each day, therefore no request for reimbursement can be made.

- h. The County does not provide insurance coverage for private vehicles; therefore, each County Official is responsible to ensure employees traveling on County business have a current automobile insurance policy that provides adequate coverage. The name of the traveler must appear on the automobile insurance card. Reimbursement will not be made if the name of the traveler does not appear on the insurance card. Vehicular accidents, vehicle repairs, parking fines, towing charges and theft of property are the responsibility of the employee, not the County.
- i. County Officials should ensure that employees using a personal vehicle file a copy of their current insurance card and current driver's license with the County Auditor's Office. Mileage reimbursement will not be made if a current driver's license and current insurance card is not received by the County Auditor's Office - Accounts Payable Section and the driver did not have an unexpired driver's license or current insurance coverage at the time travel was made.

**10. COUNTY VEHICLE**

- a. The use of County vehicles is encouraged over private vehicles. Traveler is required to have a current driver's license. When more than one traveler is going to the same destination, "coordination of travel" (see Section 7) is required. Individuals not on County business cannot be transported in a County vehicle. Additionally, County vehicles cannot be used when combining conference and personal leave.
- b. Reimbursement will be made for actual expenses incurred and for which an appropriate original receipt is provided.
- c. The driver is responsible for providing reasonable and necessary transportation to all the passengers while on the trip. If a passenger uses another form of transportation while on the trip, transportation expenses will not be reimbursed.

- d. If a County Official or employee wishes to rent a vehicle other than the vehicle size and type allowed by the policy, the individual will be responsible for paying the entire invoice amount and may seek reimbursement for the amount allowed by Policy. The traveler will only be reimbursed the state contract price rate for the allowable vehicle size and type. In addition, the department's travel card cannot be utilized to
