**1. TERMS OF DELIVERED EQUIPMENT:** Customer assumes all risk of loss or damage to the Equipment upon delivery of the Equipment by ICC or a designated ICC agent to Customer, and Customer shall be solely responsible for any such loss of or damage to the Equipment until the return of the Equipment to ICC's designated location. Requested time of delivery on the face of the agreement is a guideline for delivery and is not a guaranteed time of delivery. Client must be available to sign for the receipt of equipment or redelivery charges may apply. You acknowledge that prior to taking the Equipment, you examined it, saw it in operation (if appropriate), and are aware of its condition and that it is in good condition except for any defect noted on this contract. Loss or damage of Equipment will be charged to the Customer.

**2. TERMS OF SHIPPED EQUIPMENT:** Customer acknowledges that upon receipt of Equipment that is shipped to designated Customer location, you examined it, saw it in operation (if appropriate), and are aware of its condition and that it is in good condition except for any defect noted on this contract. Unless Customer notifies ICC to the contrary in writing within 2 hours of the receipt of the equipment, it shall be conclusively presumed that the equipment was received in full, with no missing items, and good operating condition. Equipment that is shipped to Customer is responsibility of Customer to ship back to ICC or ICC's designated location at Customer's risk and expense.

**3. REPLACEMENT COSTS:** Customer shall maintain and keep in force insurance in such amounts as shall be satisfactory to ICC covering the Equipment against fire, casualty, liability, theft and indemnify ICC for repair or replacement of the Equipment in the event of any damage to or loss or destruction of the Equipment. If ICC so requests, Customer's insurance required by this Agreement shall name ICC as an additional insured and loss payee. Replacement cost of equipment is based on many variables and solely ICC determines full replacement value. Replacement costs will be paid immediately and are not contingent upon receipt of payment to Customer by Customer's insurance carrier. Rental charges will continue to accrue until payment of the deemed replacement cost has been received in full by ICC. Rental charges will not be offset against replacement value.

**4. BUY OUT:** All buyout requests for rented Equipment must be made in writing to ICC. ICC will quote such buyout in writing to Customer. Solely ICC determines buyout value and rental charges will not be offset against buyout value. Any verbal agreement or quote with respect to buyout pricing is null and void. Rental charges will continue to accrue until payment for buyout is received by ICC in full.

**5. RENTAL TERM:** Customer agrees to rent the Equipment from ICC for the terms specified on the face of this Agreement. Start of the Rental term indicates the date the equipment ships from ICC's premises or designated premises as indicated on the face of the Agreement as the 'Date Rented'. The date Equipment should arrive back at ICC premises or designated location is indicated on the face of the Agreement as the date 'Due Back'. The terms of this Agreement can be extended for one or more successive renewal terms equal to the initial term, unless Customer provides ICC with written notice at least five (5) days prior to the end of the term or any renewal term that Customer is discontinuing rental of the Equipment.

**6. EQUIPMENT RETURN:** Customer acknowledges that it is solely the Customer's responsibility to return the Equipment to ICC or designated location. If the Equipment is not returned by the Customer by the date due back as indicated on the face of the Agreement, rental charges will continue to accrue as the Agreement will be extended for one or more successive renewal terms equal to the initial term. Equipment must be returned to ICC in good working condition. It is the responsibility of Customer to obtain a return receipt from ICC upon pick up and such receipt must be kept by customer as a proof of return of rented equipment. Equipment is subject to inspection upon return to ICC or to ICC's designated location. If ICC or a designated ICC agent to Customer is picking up the equipment from a specific location, requested time of pick-up on the face of the agreement is a guideline and is not a guaranteed time of pick-up. Client must remain with the equipment, must not leave the equipment unattended in any circumstance, and is responsible for the equipment until the equipment is fully picked up and the client has obtained a pick-up receipt from ICC or designated ICC agent to the Customer.

**7. SHIPPING RETURN:** All Rental equipment MUST be packaged with extreme care and must be returned in good working condition to ICC. Adequate packaging material must be acquired at the expense of the Customer for the return shipment of Equipment. Equipment must be shipped back with a packaging slip on each box indicating number of boxes, number of skids (if appropriate), and asset numbers of returned equipment. Equipment is subject to inspection upon return to ICC or to ICC's designated location. Upon inspection of shipments by ICC, Customer will be responsible for any replacement costs for the loss or damage to Equipment.

**8. UNION FEES AND OTHER FEES:** Client is solely responsible for any union fees, freight fees, electrical fees, equipment set-up fees, or any other fees incurred in association with rental of equipment, peripherals, and/or services. Client is solely responsible for any additional fees that may apply by a convention hall, hotel, or any other venue in association with rental of equipment, peripherals, and/or services.

**9. CANCELLATION:** Orders cancelled after the Equipment is shipped or within 24 hours prior to shipping are subject to a cancellation fee of 100% of the total rental shown on the front page of this Agreement plus an amount equal to charges incurred by ICC in connection with its procurement of the Equipment and shipping charges incurred prior to cancellation. This cancellation policy may be modified on the face of the agreement and that modification would supersede the standard 24-hour term on cancellation.

**10. USE/MAINTENANCE/SERVICE:** The Equipment shall be operated in a careful and proper manner by competent persons and only in accordance with the manufacturer's operating instructions. Customer shall not disassemble, modify, alter, attempt to repair, or change the Equipment in any manner. ICC agrees that it shall maintain, repair or replace any of the Equipment that fails to operate properly through no fault of Customer. Customer shall notify ICC immediately of any operating problems with Equipment and request instructions before taking any remedial action or returning it to ICC. Credits for operating problems with Equipment will only be considered if problems are immediately indicated and documented with ICC support staff. In the event that ICC determines that the need for maintenance or repair is caused by damage to the Equipment as a result of Customer's misuse, or improper use of the Equipment, or as a result of repair or service by a party other than ICC or its designee, Customer shall pay ICC for any repair or replacement parts and for ICC's hourly service charges and pay ICC for any repair or replacement parts and for ICC's hourly service charges and minimum fee for making the repair.

**11. PAYMENT:** Customer agrees to pay ICC the rental payments as specified in this Agreement and to pay all applicable federal, state or local taxes in connection with the rental or use of the Equipment. In the event payment is not made to ICC by the due date, Customer shall pay a late charge of one and one-half percent per month in addition to any payment due.

**12. LOCATION:** Customer agrees not to remove the Equipment from the installation Location or other site where the equipment is located without ICC's express prior written consent. ICC shall have the right to inspect the Equipment at the Installation Location at any time during normal business hours.

**13. ACCESSORIES:** All non-consumable accessories, including but not limited to surge devices, boxes, fiber cases, canvas bags, corrugated boxes, manuals, power cords and computer cabling provided with the Equipment, whether or not specified herein, shall be deemed to be a part of the Equipment and shall be returned to ICC with the Equipment.

**14. WARRANTY/DISCLAIMER:** Customer acknowledges and agrees that ICC is neither the manufacturer or nor an agent of the manufacturer of the equipment, and that ICC makes no warranties, express or implied, of any kind with respect to the equipment including but not limited to any warranty of merchantability of the equipment or its fitness for any particular purpose, or its design or condition, or its quality, capacity or workmanship. Customer rents the equipment as is with all its faults. It is agreed that ICC shall not be liable to customer for, and customer releases ICC from damages from any cause whatsoever, including but not limited to equipment malfunction, inoperability or customer's failure to properly operate the equipment. ICC expressly disclaims any liability for incidental or consequential damages. Customer agrees to look solely to the manufacturer of the equipment for any claim arising from any defect, breach of warranty or inability to use the equipment for any reason.

**15. INDEMNIFICATION/COPYRIGHT:** Customer hereby indemnifies and holds harmless ICC, its officers, directors, agents and employees, from and against any and all loss, liability and expenses, including attorney's fees and expenses, for property damage or personal injury, including death, arising out of or in connection with the use or operation of the Equipment. ICC hereby notifies Customer that software or operating systems provided as part of the Equipment are protected under the copyright laws of the United States and that Customer is prohibited from duplicating reproducing, publishing, reverse engineering or otherwise making any unauthorized use thereof. The indemnification set forth herein from Customer unauthorized use, duplication, reproduction or publication of copyrighted materials included with the Equipment.

**16. LEGAL FEES, EXPENSES, ETC.:** All legal expenses incurred will be borne by Customer. In the event that ICC takes legal action against Customer to enforce any of ICC's rights under this Agreement, including without limitation (i) any of ICC rights to receive rentals, indemnification, reimbursement, costs of collection of any other sum provided for herein or (ii) any of ICC's rights to expenses incurred by ICC, directly or indirectly in connection with such legal action, including, without limitation, attorney's and expert fees.

**17. CREDIT CARD FOR PAYMENT:** This provision applies for Customer's making rental payments via credit card. Customer be charged for the rental of equipment for the rental period stated in the Agreement. Your signature on this Agreement is verification that the credit card on the face of the Agreement is valid and you are authorized to use this credit card. This agreement also verifies that you will be charged on this credit card, unless otherwise agreed upon in writing for the cost for any equipment lost, stolen, or damaged. If the rental contract is extended beyond the term stated above, all extensions will also be charged on the credit card listed on the face of the Agreement.

**18. OBJECTIONS:** If Customer objects to any terms and conditions of this Agreement or has any objection to the suitability of any Equipment or its acceptability for any purpose under this Agreement, Customer shall notify ICC in writing of Customer's specific objections upon receipt of this Agreement, prior to signing this Agreement, and prior to the delivery/shipping of your equipment from ICC premises or the premises of designated ICC agent. Any objections shall not be binding upon ICC unless received by ICC with the aforementioned stipulations. The parties agree that ICC has the right to reject Customer's objections and ICC, at its election may terminate this Agreement.

**19. DEFAULT:** In the event that the Customer fails to comply with any of the provisions of this Agreement, including, without limitation making timely payments of sums due hereunder to ICC, or in the event that Customer becomes insolvent or makes an assignment for the benefit of creditors, or if any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under Federal Bankruptcy code or any other law for the relief of debtors is instituted, or if the Equipment is levied upon or otherwise taken from the installation location or other site where the equipment is located, then (i) Customer shall be deemed to be in default hereunder, and ICC at its option may declare this Agreement to be terminated, (ii) ICC or its agents may repossess and remove the Equipment, and (iii) ICC may pursue any other remedy it may have against Customer. If any of the Equipment is levied upon or removed from the installation location or other site where equipment is located, Customer hereby agrees to pay ICC as liquidated damages the full amount of the fair market value of such Equipment. In addition to the foregoing, Customer hereby agrees to pay (i) all bank and other charges resulting from a check of Customer being returned for insufficient or uncollectible funds, (ii) all of ICC's costs of collection from Customer, (iii) a late charge of 1-2/3% per month of any delinquent amount, and (iv) any difference between (a) the actual rental provided herein for the term of the Agreement and (b) the rental that would have been charged by ICC had the rental payments been calculated on the basis of a term that commenced on the date of this Agreement and ended on the date of the Customer's default.

**20. GENERAL:** ICC shall not be responsible for failure to fulfill its obligations under this Agreement due to causes or circumstances beyond its control. In the event of any liability for ICC, such liability shall be limited solely to the rental charge of the Equipment. ICC shall not be liable for any consequential damages in the event of a default by ICC. Customer agrees that it may not and shall not offset against sums due to ICC for any existing or future claims that Customer may assert against ICC. This Agreement constitutes the entire Agreement and understanding between the parties and may not be altered, modified, or amended except in writing as signed by an authorized official to ICC.

This Agreement shall be governed by and construed under the laws of the State of Illinois.

Unless otherwise indicated, the initial monthly or other installment of rent and any other initial charges are due and payable upon delivery of the equipment and subsequent installments and payments shall be due on the same day of each month as the date of delivery. Late charges accrue after 15 days. **3. Rental period.** The rental period begins on the date of delivery if the equipment is delivered by 5:00pm, otherwise it shall begin the following day, and continues through the regular business day that the equipment is made available for pickup, provided notice of availability for pickup is received by Lessor by 11:00am on that day. The rental period may be extended by Lessor, upon at least one week's notice by Lessee of its desire to extend. If Lessee holds the equipment beyond the term of this agreement or any agreed extension, it shall be liable for rent at twice the rate indicated herein for each installment period or portion thereof that the equipment is retained. **4. Adjustments.** Lessor reserves the right to increase rental rates upon 30 days notice to Lessee. Rental rates are based on the length of the rental period indicated in this agreement. If Lessee terminates this agreement prior to the expiration of the term indicated, Lessor may adjust the rent retroactively to reflect any higher rates normally applicable for the term actually rented. **5. Credit references and other representations.** This agreement is subject to Lessor's approval of appropriate bank, credit and business references and, if requested by Lessor, a current statement of Lessee's financial condition and earnings. If Lessor is unable at any time to verify that Lessee is a satisfactory credit risk or becomes aware of any other circumstance giving rise to insecurity, Lessor may rescind or terminate this agreement for default. **6. Location and inspection of equipment.** The equipment shall remain at the delivery location indicated in this agreement throughout the rental period, or as such other location agreed to in writing by Lessor. Lessor shall have the right to inspect the equipment at the indicated location at any time, with or without cause, during normal business hours and with reasonable advance notice to Lessee. **7. Use and storage of equipment.** The location, use and storage of the equipment shall be such as to provide at all times reasonable safeguards against damage, loss or theft. The equipment shall be operated only under the direct supervision of personnel in the direct employ of Lessor who are familiar with and qualified to operate such equipment. Lessee shall not engage in any activity, or permit the equipment to be used in connection with any activity, legal or illegal, which could result in confiscation, attachment or removal of, or the placing of any lien upon, the equipment. **8. Additional equipment.** If Lessor rents additional equipment under any prior or subsequent agreement, the term of which overlaps the term of this agreement, Lessor may consider all such agreements to be part of a single agreement. Lessee's breach of any such agreements shall be a breach of all of them, and Lessor's rights under any such agreement shall extend to all of them and all of the equipment rented thereunder. **9. Assignment and subletting by Lessee.** Lessee shall not assign this agreement in whole or in part, nor assign any right in or interest to the equipment, nor permit any lien or encumbrance to exist thereon. Subletting of the equipment, or any other transfer of possession or control of the equipment by Lessee is specifically prohibited. **10. Insurance.** Lessor shall have the right to require Lessee to furnish Lessor a certificate of insurance evidencing (1) that the equipment is insured for its full replacement value against damage or loss including theft, (2) that Lessor is a named insured on such insurance policy, and (3) that the Lessor shall be given not less than 30 days notice of cancellation or non-renewal of such policy. The policies, if required, shall be subject to Lessor's approval and shall be kept in force throughout the term of this agreement. **11. Warranty.** Lessor warrants that the equipment will be in good and operating condition upon its delivery to Lessee. In the absence of notice to Lessor within three working days of delivery, Lessee acknowledges that the equipment is in good and operating condition. LESSOR DOES NOT WARRANT THE MERCHANTABILITY OF THE EQUIPMENT OR ITS FITNESS FOR ANY PARTICULAR PURPOSE OR USE, WHETHER OR NOT SUCH PURPOSE OR USE IS DISCLOSED BY LESSEE. Lessor's liability for any failure of the equipment to operate under normal conditions of use is limited to the repair or replacement of the equipment as provided in this agreement, and Lessor shall not be liable for any other costs or damages, foreseeable or otherwise, resulting from the failure of the equipment to operate, including without limitation, any injuries to persons or property, consequential damages, business interruption or loss of data or profits. **12. Loss or damage.** Lessee promises to return the equipment in the same condition as upon delivery, ordinary wear and tear excepted. Lessee assumes full responsibility for loss, damage or injuries resulting from the use of the equipment and shall be liable to Lessor for loss of or any damage to the equipment to the full replacement value thereof. Rentals shall continue to be due and payable until any such loss or damage has been adjusted with Lessor. **13. Repairs, upgrades and service.** Lessee shall promptly notify Lessor of any malfunction of the equipment. All installation, assembly and disassembly, upgrades, servicing and repairs shall be made by Lessor. Lessor shall bear the cost of servicing and repairs, unwarranted service calls, or repairs made necessary by Lessee's fault or negligence, in which case Lessee shall pay for such service at the rate of \$85.00 per hour, portal to portal. If Lessor is unable to make required repairs within a reasonable time, it shall promptly replace the equipment. Lessee shall bear the cost of parts and service for upgrading equipment. **14. Authorized representatives.** Lessee represents that it is authorized or qualified to do business in the jurisdiction in which the equipment is to be located. Lessee shall furnish Lessor upon request (1) an appropriate certificate of good standing, current business license, or other evidence of such qualification, (2) a list of names and address of current partners, principal officers, or others authorized to act for or on behalf of Lessee, (3) corporate resolutions or other documentation of authority of Lessee's representatives. The individual executing this agreement for or on behalf of Lessee represents that he or she has all of the necessary authority to bind Lessee to this agreement. **15. Individuals bound.** If Lessee is a sole proprietorship, partnership, unincorporated association or corporation having three or fewer stockholders, or is not in fact qualified, authorized or licensed to do business as required by this agreement, any individual executing this agreement for or on behalf of Lessee shall be personally liable hereunder. This agreement shall be binding, jointly and severally, upon all partners of a partnership and upon all of Lessee's successors and assign, whether or not any of them are signatories hereto or have notice hereof. **16. Termination by Lessor.** This agreement may be terminated by Lessor at Lessor's option and without prejudice to any other remedy to which Lessor may be entitled at law or in equity or elsewhere under this agreement, by giving written notice of termination to Lessee if Lessee should: (1) File or have filed against lessee a voluntary or involuntary bankruptcy petition under any chapter of the bankruptcy code; (2) institute or suffer to be instituted any proceeding for an reorganization or rearrangement of Lessee's affairs; (3) make an assignment for the benefit of Creditors; (4) become insolvent or have a receiver appointed; (5) remain in default in the performance of any obligation or payment of any indebtedness under this agreement for a period of 30 days. **17. Return of equipment.** At the expiration of the rental term, or upon receipt of any earlier notice of termination, Lessee shall promptly advise Lessor of the readiness of the equipment for pickup, and make it available at a date and time during regular business hours specified by Lessor. Surrender of the equipment by Lessee shall be made notwithstanding any claim, counterclaim, set-off or defense to termination made by Lessee. **18. Right of entry for inspection and repossession.** If Lessee fails to make the equipment available for inspection, or for pickup upon expiration or termination of this agreement, within a reasonable time after demand, Lessee hereby unconditionally authorizes Lessor to obtain entry of its premises or any other location where the equipment may reasonably be expected to be found for such purposes during regular business hours upon Lessor's demand, with or without legal process and forcibly if necessary, and waives any cause of action it may have in trespass or otherwise on account of such entry. If Lessee occupies leased premises, it represents that its landlord(s) (at all tiers) have consented to Lessor's entry of the premises for the purpose of inspection or removal of the equipment, and shall furnish Lessor such consent in writing upon request. **19. Governing Law.** This agreement shall be interpreted under and governed by the laws of the State of Ohio. Legal jurisdiction for any problem arising out of this contract is located in the City of Middletown, County of Butler, State of Ohio. **20. Interest.** Any amounts due and unpaid under this agreement shall bear interest at the rate of 1.5 percent per month (18%APR). **21. Waiver of breach.** No waiver by either party of any breach of any term or condition of this agreement shall operate as or be construed to be a waiver of any subsequent or continuing breach of, or as a modification or waiver of, this agreement or any such term or condition. **22. Assignment by Lessor.** All of Lessor's rights under this agreement, but none of its obligations hereunder, are subject to assignment by Lessor to First National Bank of Southwest Ohio ("assignee"). Upon notification of such assignment by Assignee, and without notice from or consent by Lessor, Lessee (1) shall pay all sums then and thereafter owing under this agreement, when and as they are due, directly to Assignee at First National Bank of Southwest Ohio, Third and High Streets, Hamilton, Ohio 45011, and (2) shall assert no claim, counterclaim, set-off or other defense against Assignee that it may now or hereafter have against Lessor. **23. Employees.** THE EMPLOYEES PROVIDING SERVICES HEREUNDER TO THE CUSTOMER ARE THE EMPLOYEES OF Rentacomputer.com, or its successors and assigns, and the customer acknowledges that said employees of Rentacomputer.com are an invaluable and integral part of the ability of Rentacomputer.com to operate and provide services hereunder to the customer. By acceptance of this contract, the customer hereby agrees that in the event it hires any of the employees of Rentacomputer.com or contracts with them as independent contractors for service to the customer, within (12) months of receiving its most recent service from RENTACOMPUTER.COM, Inc, the customer shall pay to RENTACOMPUTER.COM the sum of \$50,000 for the loss of said individual as an employee of Rentacomputer.com. **24. Repossession and Collection fees.** Lessee is responsible for all costs and expenses incurred by Lessor in repossessing or collecting any sums owing by lessee, which may include, but are not limited to, recovery agency, collection agency and reasonable attorneys' fees. If Lessor incurs costs repossessing or collecting on any judgment arising out of Lessee's breach, Lessee will be responsible for all associated costs and this provision will survive the entry of any such judgment. **25. Disputes.** If any provisions under this Agreement shall be held invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired. Any present or future claims or disputes arising out of or relating to this agreement or the breach thereof by either party shall be decided by arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association. The decision of the arbitrator(s) shall be final, and judgment thereon may be entered in any court having jurisdiction thereof. This agreement to arbitrate shall be specifically enforceable under the prevailing arbitration laws. Submission of a claim or dispute to arbitration shall not be a waiver of or limitation on any rights or remedies of Lessor provided for in this agreement or otherwise available by law.
