

2. Increase our limit of \$500.00 per month to \$2,000.00. This is due to the addition of another investigator and fuel cost increasing daily.

I'll await for your response. Thank You.

Roli,

Who would I have to submit a request to do the following?

1. Have fuel cards assigned to individuals instead of vehicles. We at times have to swap vehicles because our investigators have been made on their current vehicle. We also at times use HIDTA vehicles.

2. Increase our limit of \$500.00 per month to \$1,500.00. This is due to the addition of another investigator and fuel cost increasing daily.

I'll await for your response.
