RE: Proposed Supplemental Agreement No. 1 – South Tower Park Construction Management  
Project No. ENG07.032g

Dear Commissioner Palacios:

We are continuing to provide the construction management services for the South Tower Park project. As it turns out, the work involved in managing construction of the project is more than had been anticipated. I am submitting a proposed Supplemental Agreement No. 1 to increase the fee payable by \$4,000.00 under Work Authorization No. 7. This increase brings the total fee payable under this work authorization to \$12,000.00 and should cover the remaining construction management services needed on this project.

Enclosed are two original signature copies of the proposed Supplemental Agreement No. 1 to Work Authorization No. 7 of the 2007 Road & Bridge Contract. If this Supplemental Agreement No. 1 meets your approval, please place it before Commissioners Court for approval and signature. Please return one original signature copy for my files. If you have any questions, please call me so that we may discuss them. You can call me at 956-782-2557 or on my mobile at 956-227-2154.

Sincerely,

Ramiro Gutierrez, V.E.  
President
