**Named Host Description and Terms**

A Named Host is any host who may host an unlimited number of meetings ("Meeting(s)") using the Service; provided that a Named Host may only host the above-listed maximum number of simultaneous Meetings at any given time. Each Meeting must be hosted by a Named Host and may include no more than the above-listed maximum number of meeting participants, including the Named Host.

Named Host accounts are individualized and may not be shared or used by anyone other than the one employee to whom the Named User account is assigned. The identification of Named Hosts must be unique to an individual and may not be of a generic nature. Subscriber shall identify those employees assigned to Named Host accounts on the "Manage Hosts" list (the "List"). The List will be maintained by the Subscriber's Site Administrator, who will update the List so that it is current at all times. A Named Host account may not be transferred to another Subscriber employee except upon (a) termination of the Named Host's employment with Subscriber, or (b) in all other instances, WebEx's prior written approval. WebEx will have the right to invoice Subscriber for any additional Named Host accounts issued by Subscriber.

Subscriber may change the committed number of Named Hosts accounts only upon submission and acceptance of an additional Order Form.

WebEx will have the right, upon reasonable notice, to audit Subscriber's records (including but not limited to the List) during normal business hours to ensure Subscriber's compliance with the above requirements. WebEx will pay the cost of the audit unless it is found that Subscriber is misusing the Service by, for example, exceeding the number of allowable Meeting participants, assigning more Named Host accounts than Subscriber has subscribed to, sharing a Named Host account among multiple employees, having a Named Host hold more than the specified maximum number of simultaneous Meetings at the same time, or providing a Named Host account to a non-employee.

**Subscriber Information**
