Re: Additional Budget Funds to Complete 93<sup>rd</sup>. District Court Renovations

Dear Mr. Guerra;

This is to request a additional funds in the amount of \$12,000 be added to our budget. These funds are to ensure payment for replacement of equipment and furniture that was damaged by the water leakage or by the removal of certain items for the renovations.

The break down would be roughly \$4600.00 for computer equipment(81100412000020010745) \$4800.00 for microphone and speaker system, overhead projector connectors, audio and visual equipment , and court security camera and the setting up for all these items (81100412000020010664) and about \$3000.00 to replace old 50 year old juror seats for the jury box, which was constructed smaller than the original size(81100412000020010746).

Please let me know what else is required by me to get this done expeditiously as possible.

Thank you for your help in this matter and please do not hesitate to ask for any additional information.
