

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 14th day of October, 2008 does by these presents **GRANT, GIVE AND RELINQUISH TO:**

Sharyland Water Supply Corporation hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 1 inch /water/ gas/ sewer/ irrigation line; said line to be constructed of material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, **described as follows:**

- 1. A 1" PVC water line to be encased within a 2" PVC casing. Crossing to be located approximately 2,573 FT North of the intersection of Bryan Rd and SH 107.

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain a 1" PVC water line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.
2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.
4. The Permittee will use all proper caution in performing the work to prevent injury to all persons and property and it will indemnify Hidalgo County against all damages that may be assessed against the County by reasons of the work here permitted and the maintenance of such pipeline.
5. Notwithstanding any provision in this Agreement to the contrary, Permittee recognizes that the paramount purpose of the easement and dedication for the said public road is to provide for the establishment and operation of a roadway for the public. Recognizing this as the paramount purpose of the easement and dedication, Permittee agrees that Permitter has the unlimited and unrestricted right to establish, construct, reconstruct and maintain the said public road and to conduct all maintenance for the roadway and all related structures (including but not limited to the maintenance, construction and reconstruction of ditches, drainage pipes, bridges and paving surfaces) without incurring any liability, obligation or duty to Permittee.

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 14th of October, 2008 does by these presents **GRANT, GIVE AND RELINQUISH TO:**

Comstock Oil & Gas LP hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 4 inch /water/gas/sewer/ irrigation line; said line to be constructed of material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, **described as follows:**

- 2. Install a 4" steel gas line between FM 490 and 2058.

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain a 4" steel line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.
2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.
4. The Permittee will use all proper caution in performing the work to prevent injury to all persons and property and it will indemnify Hidalgo County against all damages that may be assessed against the County by reasons of the work here permitted and the maintenance of such pipeline.
5. Notwithstanding any provision in this Agreement to the contrary, Permittee recognizes that the paramount purpose of the easement and dedication for the said public road is to provide for the establishment and operation of a roadway for the public. Recognizing this as the paramount purpose of the easement and dedication, Permittee agrees that Permittee has the unlimited and unrestricted right to establish, construct, reconstruct and maintain the said public road and to conduct all maintenance for the roadway and all related structures (including but not limited to the maintenance, construction and reconstruction of ditches, drainage pipes, bridges and paving surfaces) without incurring any liability, obligation or duty to Permittee.

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 14th day of October, 2008 does by these presents **GRANT, GIVE AND RELINQUISH TO:**

ESSENJAY OIL & GAS LTD hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 4 inch /water/ gas/ sewer/ irrigation line; said line to be constructed of material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, **described as follows:**

- 3. Dillon Road, Anderson Road and Val Verde Road; install a 4" gas line along said roads.

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain a 4" gas line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.
2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.
4. The Permittee will use all proper caution in performing the work to prevent injury to all persons and property and it will indemnify Hidalgo County against all damages that may be assessed against the County by reasons of the work here permitted and the maintenance of such pipeline.
5. Notwithstanding any provision in this Agreement to the contrary, Permittee recognizes that the paramount purpose of the easement and dedication for the said public road is to provide for the establishment and operation of a roadway for the public. Recognizing this as the paramount purpose of the easement and dedication, Permittee agrees that Permitter has the unlimited and unrestricted right to establish, construct, reconstruct and maintain the said public road and to conduct all maintenance for the roadway and all related structures (including but not limited to the maintenance, construction and reconstruction of ditches, drainage pipes, bridges and paving surfaces) without incurring any liability, obligation or duty to Permittee.
